

Bus Turnouts, Parking, Traffic Is a Problem

TRAFFIC CONGESTION on Moraga Way, such as pictured, would be relieved if a bus turnout such as proposed in picture at right were constructed, Orinda Chamber officials believe. Busses, not parking, are blamed for the congestion a source of irritation to

shoppers and business men in the area. Wives congregating in their cars to meet commuter husbands could use the parking lot behind Lucky's to wait for the men, further relieving traffic congestion on Moraga Way.

A BUS TURN OFF in the area pictured above that would bring busses from the freeway off ramp to a bus stop midway between the off ramp and the on-ramp, proposed by Paul Vashell of the Orinda Cham-

ber of Commerce is now under consideration by the State Highway Division. Action is expected April 4 when the division meets with the Public Utilities Commission. —Sun photos by Erwin Mattson.

Orinda Mother Has Her Own Ideas On Athletic Policies

Mrs. Loraine P. German of Orinda is a mother of five children. She has three boys, one of which is a freshman at Miramonte High School. She has expressed deep concern over the athletic policy of the Foothill Athletic League.

Here is a letter she wrote to The Sun:

"Miramonte cuts back athletic program." Is this what Orinda parents REALLY want? Will this REALLY make better students of our sons? On behalf of our five children, I feel compelled to spend an afternoon with the type writer, protesting this action.

Before we go any further though, let's make it clear that this letter is not based on an "impartial study," it is completely prejudiced in favor of boys—our own, their friends and those I don't know.

Ever since you-know-what, Americans have been applying pressure to school boards, principals, teachers, etc., to mass produce a generation equipped to outstrip the competition. Our educators have responded in a predictable way; increasing emphasis has been placed on solid studying; more speed-up, screening and grouping has been occurring. So far, so good.

Last year we were delighted to learn at the Miramonte High School Parent Orientation that the school also offered an excellent athletic program for freshmen boys. In fact, the athletic director actually encouraged parents to permit their freshmen sons to go out for sports their first year.

The complete program, scholastic and athletic, seemed to us, as parents, to be well balanced and planned to meet the needs of both mind and body. Almost a year later, after watching our oldest through this schedule, we still think it was a good program.

(Continued on Page 3)

Principals Return Frosh Basketball to League

The Foothill Athletic League Board of Governors reinstated freshman basketball and added two more games onto the jayvee baseball schedule at a meeting Monday.

Freshman basketball teams will play six games next year—the same number they played this year.

The jayvee baseball team will play 12 games next season. They are playing 18 games this year.

The principals who make up the board added two practice games to a double round-robin schedule.

ALHAMBRA Principal Gren Jones, chairman of the board, said the action was taken as a result of strong feeling on the matter from within the Acalanes School District.

Jones felt "newspaper articles within this area had something to do with this feeling."

Jones said these principals requested a reconsideration of the board's original action on freshman basketball at the meeting.

The matter was voted on and the program reinstated, he said.

Jones said a "majority of the principals" wanted freshman basketball returned, but he would not comment on the vote.

JONES SAID the meeting was a regular monthly gathering of the principals at Miramonte high school and was primarily devoted to hearing a report from three athletic directors on next year's schedule for all sports.

The reaction of the principals within the Acalanes district was in favor of returning freshman basketball to their individual athletic programs.

They also thought it was a good idea to add the two games to the jayvee baseball schedule, but felt there would be no further changes in athletic policies for the league.

None of the athletic directors within the Acalanes district would comment on the latest action taken by the board of governors.

Acalanes School District Super-

intendent of Schools Neil Parsons said he had no knowledge of the meeting and was not aware of any change in the athletic program.

STAN WALGREN, principal of Acalanes high school, said the board reconsidered its previous stand on freshman basketball because they found there was no transportation problem. He said the jayvee and freshman teams could travel together to basketball games.

The board reconsidered its stand because there was sufficient reason to believe the arguments for freshman basketball were "reasonable."

He also said it would give more youngsters the opportunity to compete. An idea to eliminate the "B" basketball program was not accepted by the board because they believed "the little guy should get a chance to play," Walgren said.

As far as baseball was concerned, the Acalanes principal said the board felt the jayvee teams could use the extra practice games.

Walgren also felt that no great change in athletics had taken place.

James Lewis, principal of Miramonte high school, said he and the people at his school "were very happy" to see freshman basketball reinstated.

Bill Ross, principal of Del Valle, said he "was in favor of the change." He said he was happy to have freshman basketball back at his school.

He claimed that the principals felt there was room in the schools' athletic programs for freshman basketball.

ROSS THOUGHT if this year's program was compared to next year's, little change would be found.

Las Lomas principal Lee Russell said he is "very pleased with the athletic program in the Foothill League."

He thought "it was good that freshman basketball was returned to the athletic program at the school."

RUSSELL said he felt as though "some people were trying to make something out of nothing." He said his school has more than 170 athletic events scheduled for the 1961-62 school year and he feels that this is enough.

He says the league is trying to "equalize" the education aspect of the schools with the extra-curricular.

Rain, Some Sun More to Come

It rained "buckets and bolts" in Orinda for awhile last week. Then the cloudburst tapered off to a recent day cessation of rainfall.

Rain totals have reached 14.88 inches in Orinda. The weather skips about so much that for the coming week it can be safely predicted to expect anything!

Temperatures and rainfall for the past week are:

	High	Low	Rain
March 16	58	35	.17
March 17	56	42	.49
March 18	59	31	.07
March 19	63	35	...
March 20	63	32	.34
March 21	60	31	...
March 22	65	35	...

County Requests Law Exception

You Can Help by Sending Letter to Legislators

Below you will find an open letter from The Sun to our legislators. The subject, the necessity for keeping school bus stops in our winding, hilly areas, is an extremely important one.

We feel that one way to bring this to the attention of our legislators, who can help to modify the law, is to personally call it to their attention.

If you feel, as we do, that this is important, either write a letter of your own to Assemblyman Waldie and Senator Miller, or clip out the letter below, sign your name to it, and forward it to them.

You can reach them by addressing correspondence to: Assemblyman Jerome Waldie or Senator George Miller, State Capitol Building, Sacramento, California.

An Open Letter to Our Legislators

ASSEMBLYMAN JEROME WALDIE
SENATOR GEORGE MILLER
Gentlemen:

A very dangerous situation has arisen in our community.

As you know, because of rigid enforcement of existing laws, our school districts are going to have to curtail their bus service drastically next fall in order to comply with the strict requirements regarding visibility from bus stops.

Our school boards (both high school and elementary) must, of course, obey the law.

But this creates this paradoxical situation: It is not safe for a school bus to stop, therefore the children must walk to a stop that is safe. But as you well know, it is certainly not safe for children to walk along the shoulders of many of our winding, hilly roads... the roads which presently have the most "unsafe" bus stops.

Obviously there is only one thing that can be done, and it must be done quickly. The law must be changed to fit the very special needs of our terrain.

We are asking you, as our representatives, to attack this problem immediately. Perhaps a form of special permit could be arranged whereby bus stops could be allowed in critical areas by permit after inspection by an authorized party, such as the local California Highway Patrol captain, the County Director of Public Works or the transportation officer of the school district.

We feel that there must be responsible certification of any specially permitted bus stops, but we also feel that this is within the realm of achievement.

This affects hundreds of elementary school children in our area, and a large number of high school students as well.

We, of the community, and our children, need your help.

Gas War—Quiet On Local Front; Raging Elsewhere

The gas war in the local area did not produce any major price changes in the last week.

Gas prices elsewhere in the Eastbay continued to dip with the price of regular in East Oakland dropping to 18.9.

The lowest price of regular gasoline at the major brand stations continued to be 23.9.

Most independent stations are selling for 22.9.

About the highest price asked for regular anywhere is 25.9.

The pre-war normal asking price for regular was 32.9.

Independent service station operators claimed they were facing financial ruin and said they would ask state intervention in the matter.

The war started when Wilshire continued to sell its gas at two cents less than the asking price of the major stations. Wilshire was purchased by Gulf recently.

The State Attorney General's office launched an investigation into the war Wednesday even though the independent stations did not ask for any such investigation.

Prices in Lafayette ranged from 23.9 to 25.9 for regular and 26.9 to 29.9 for ethyl.

In Orinda the prices at major stations is a penny more.

Major stations in Walnut Creek and Pleasant Hill are asking from 23.9 to 25.9. Ethyl is being sold for 26 to 29.9.

The war now has been in progress for three weeks.

PG&E Rate Increase Not Here

Contra Costa County residents have been happily excluded from the general increase in gas rates granted by the State Public Utilities Commission to Pacific Gas and Electric Company, a Commission report reveals.

The increase for other areas in central and northern California amount to about 34 cents per month for the typical residential customer using 10,000 cubic feet per month, the report said.

This increase is 63 per cent below the increase requested by the utility company. It wanted to cut back raises authorized for interruptible customers and obtain an additional 93 cents per month from residential users, the report said.

Bus Stop Visibility Rule Modification Is Sought

A resolution requesting the State Board of Education for an exception to its 400 foot visibility rule at school bus stops in Orinda was adopted Tuesday by the Contra Costa Board of Supervisors.

Mel Nielson, supervisor, district two, made the motion to adopt the resolution which strongly supports Orinda Union School District Trustees in their efforts to seek modification of regulations which upon enforcement will eliminate 78 bus stops in Orinda's hilly terrain.

State Board of Education for an exception to its visibility rule for Orinda, directed District Attorney John A. Nejedly to prepare the resolution.

EXACT phraseology of the resolution or the time it would be forwarded to the State board were not known at the time The Sun went to press yesterday. Assistant District Attorney Charles Hemmings said the resolution was in the district attorney's office and would be prepared as soon as possible. Nejedly was in Sacramento Wednesday and unable to act on the resolution when it was received by his office.

District trustees last week sent a written request to the State Legislators seeking modification of the visibility law, asking special consideration be given to the Orinda district where more than half the present school bus stops would be eliminated.

TRUSTEE J. Gordon Ainsworth appealed to the supervisors, explaining that the bus stops are being surveyed and will be realigned to conform with a State Motor Vehicle Code section requiring 250 feet visibility in all directions at bus stops. He added that the greater visibility requirements of the state board cannot be met in Orinda's unique terrain.

The Acalanes Union High School District, which contracts for bus transportation in the Orinda District has also asked the State Board of Education to amend the 400 foot visibility regulation.

Assistant Superintendent Ross Reagan said that the district desires an optional lower requirement when a lesser stopping distance is deemed justified by the California Highway patrol.

Acalanes District officials are also concerned about the district's liability due to non conforming stops and there is a possibility that service to Orinda may be cut off if the rules are not relaxed.

IF THE State Board of Education grants the Acalanes request, the ruling would affect all districts in the state, according to Reagan.

Captain Edward Jelich of the California Highway Patrol said the department would go along with any recommendations to protect the movement of school children in Orinda. "If the State Board of Education gets permission to reduce visibility requirements," Captain Jelich added, "the Highway Patrol will give their full cooperation in support of the new regulations."

County supervisors upon adopting the resolution to request the

Five Points Given On Bus Stops

Five thoughts pertaining to the school bus stop problem on El Toyonal were presented to The Sun yesterday by Herbert C. Archibald, M.D., of 115 El Toyonal.

Suggesting first that the elimination of bus transportation on El Toyonal would create an even greater hazard for the children than the present illegal bus stops, Dr. Archibald also pointed out that car pools would be dangerous as numerous cars would of necessity congregate at the nearest legal bus stops.

Dr. Archibald believes that El Toyonal should remain the scenic route it now is and not become a speedway through alterations of its natural route.

Stating that alertness and caution do not belong to visibility alone, Dr. Archibald called for a greater awareness of the hazards on El Toyonal by all who traverse this route.

Signs pointed 200 yards on either side of the bus stops to alert motorists would be advisable, the doctor suggested.

Orinda Residents Visit Sun Valley

Orinda residents who will spend several days at Sun Valley, Idaho, during the coming week are Mr. and Mrs. James Dietrich Jr., Mr. and Mrs. K. Keresey and Mrs. James L. Sharp Jr.

Sun Sea Party Goes Your Way, at Price You Choose

How would you like to be on the deck of the smooth-sailing Matsonia headed for Hawaii?

And how would you like to return, 17 wonderful days later, aboard the luxurious Lurline?

Well, you can do just that if you join the Sun Suburbia Sea Party leaving from San Francisco on May 10. And for the unbelievably low price of \$598.

But there's more to be said, too! You can really arrange this party to suit the individual needs of your family.

WOULD YOU like to return by air, thereby cutting the already low cost to an even more reasonable figure? Would you like to stay an extra week, or two weeks, and return by Matson liner at a later date?

All of this can be arranged in a special package tailored to suit you and your companions.

And what do you get for the standard Suburbia Sea Party? You'll start with a welcome aboard cocktail party aboard the Matsonia on May 10. Following will be four and a half days of pure luxury in the fine Matson tradition. All you can eat of the finest foods.

Then, when you get to Hawaii, you'll find a lei greeting awaiting you and a limousine to take you to the fabulous Hawaiian Village Hotel. You'll get a Malihini cocktail reception and then you'll be at your leisure to enjoy the sights of tropical Hawaii.

SOMETIME during your stay you will be treated to your choice of a tour around the island or a catamaran boat tour of Pearl Harbor.

Then, on May 22, you'll board the Lurline for your luxurious trip home.

Sound fantastic? Not at all. And best of all, you'll be traveling with a group of congenial people from your own area.

Oh yes, if the bargain price isn't quite within your budget, you can trim it by choosing less luxurious accommodations during your stay in the islands.

In fact, this is your trip and you can do it your way. You can get all the details from your travel agent, or by calling Mrs. Herman Silverman at AT 3-3030.

Will you join us on The Sun Suburbia Sea Party?

Hats Off To...

Dorothy Nickerson Who Gives Band-aids With Love

A SPLIT-SIX CHEER... for Dorothy Nickerson, Pine Grove School secretary, who may run out of band-aids one of these days but never out of patience, soothing words and understanding sympathy for the many students who come to her with scraped knees—or more serious problems. (The kids LOVE her!)

A 13-year Orinda resident, Dorothy lives on La Sombra Court with her tall athletic husband Mel, a vice-principal at Castlemont High School and a former swim coach at Sleepy Hollow Park for the past three years. Both the Nickersons have a steadfast following of families and friends from their years as camp directors at the Oakland City Camp at Tuolumne.

The Nickerson children, Bonnie, a Chico State junior, and Bruce, a Miramonte sophomore, both share their parents' Big Interest—Sports of all kinds!

Recap Reveals 461 Illegal Bus Stops Occur Daily

A recapitulation of illegal bus stops as presented to Mark Kermit, county traffic engineer, by Joseph L. Sheaff, Orinda Union School District superintendent, reveals the following situation in the Orinda district.

There are 14 buses run per day and 111 schedules. The total number of students hauled per day (return trip) is 3,320. The total number of students hauled from illegal stops is 2,390. Buses stop illegally 461 times per day.

Here is a list of the bus stops that are presently illegal:

Las Vegas and Mira Flores; Las Vegas and Espiral; Espiral and Five Corners; Espiral and 88; Espiral and La Vuelta; Espiral and Camino Sobrante; Camino Sobrante and Clubhouse.

Camino Sobrante and La Noria; Camino Sobrante and El Sueno; Camino Sobrante and Miner Rd.; Mined Rd. and Oak Arbor; Miner Rd. and Oak Lane; Miner Rd. and Ranch Rd.; Miner Rd. and 631; Miner Rd. and Honeyhill; Miner Rd. and 730.

Camino Don Miguel and Los Arboles; Bobolink and Oriole; Bobolink and Manzanita; Manzanita and Kittiwake; Manzanita and Vista Del Mar; Tarry and Snowberry; Tarry and Lombardy; Van Tassel and Sunnyside.

Van Ripper and St. James Ct.; Diablo View and 4; Diablo View and 52; Diablo View and 98; Diablo View and Charles Hill Rd.; Charles Hill Rd. and Oak Flat.

Charles Hill Cir. Lower and Charles Hill Rd.; Charles Hill Cir.

School Trustees Hear Teacher Salary Proposal

By CAROLE GOOD

A teacher salary advancement policy emphasizing professional growth was proposed to the Moraga School Board Monday.

Rex Collings, school board member, introduced a tentative policy designed to meet the needs of the Moraga School District.

His proposal is based on the present salary policy of the district. However, the new proposal includes a supplementary merit increment and quality rating of educational units.

HE REPORTED that the present salary schedule has two elements — classification and steps.

Classification is based on quantity of education units in addition to the teaching credential and A.B. degree.

Steps are based on longevity or seniority.

With these two elements no attempt is made to rate quality of teaching or units according to the proposal.

COLLINGS STATES in his proposal report that "credits should be evaluated in accordance with a system promulgated for the benefit of those concerned."

"Credits should be based on suitability of the professional growth elements for the long term and current needs of the district," his report stated.

For instance, a course in Spanish conversation would be rated higher than a course in the role and nature of the junior college.

He considers that travel, for example, is worthy of consideration for professional growth.

ALTHOUGH COLLINGS' salary proposal is an outline of a policy

Owen Owens To Be Transcript Business Manager

Leo E. Owens, president of Owens Publications, Inc., owners of The Independent of Richmond, today announced the purchase of the Concord Daily Transcript from George E. and Clifton H. Moore, effective April 1, 1961.

The purchase of the Transcript makes it the third Owens daily newspaper in California. The Independent was purchased in 1947 and the Whittier Daily News in 1954.

Warren Brown Jr., publisher of The Independent, will assume the same position at the Transcript, but will keep his headquarters in Richmond. Brown is vice president, a member of the board of directors and part owner of Owens Publications.

OWEN OWENS, new business manager of The Transcript which has been purchased by Owens Publications, Inc., lives at 26 Irving Lane, Orinda with his wife and four children.

Born and raised in the newspaper business, Owen is one of four children of Leo E. Owens, president of Owens Publications, Inc.

Received his high school education at Phillips Andover Academy, Andover, Massachusetts, and completed his college education in 1953 at the University of Santa Clara, where he majored in business administration.

From 1953 to 1955 he was an instructor in the U.S. Army Signal Corps' Southeastern Signal School at Ft. Gordon, Georgia, as chief instructor in tape relay procedure.

For the past two years he has served as financial chairman for the fund drive of the Richmond Chapter, American Field Service Exchange Student Program, and is a member of the board of directors of the Richmond Ballet Company.

He married the former Lois Mulherin, of Augusta, Georgia, in 1955, and resides with his wife and four children, Michael, Maureen, Sean and Patrick at 26 Irving Lane, Orinda.

Fire Department Needs Another Resuscitator

The Orinda Fire Department needs a new resuscitator. Exactly what kind of resuscitator was to be determined at a meeting last night of department officials and the fire commissioners.

Under discussion were the standard type of resuscitator used primarily in cases of respiration failure, and the new Pacemaker used in cases of sudden cardiac standstill, such as might occur from electric shock.

Four resuscitators are now owned and used by the department. However one of these is close to eight years old, still usable, but awkward to handle, particularly by one man attempting to make a quick mercy dash up a flight of stairs.

The question to be decided by the department and officials is whether or not it would be better to purchase a modern version of the standard resuscitator, or to purchase a Pacemaker. Both a relatively close in price range.

The Pacemaker is small and comparatively light. It could easily be handled by one person, possibly even the victim, once electric impulse has restarted the heart.

Where's The Fire?

Alarms responded to by the Orinda Fire Department during the past week were the following:

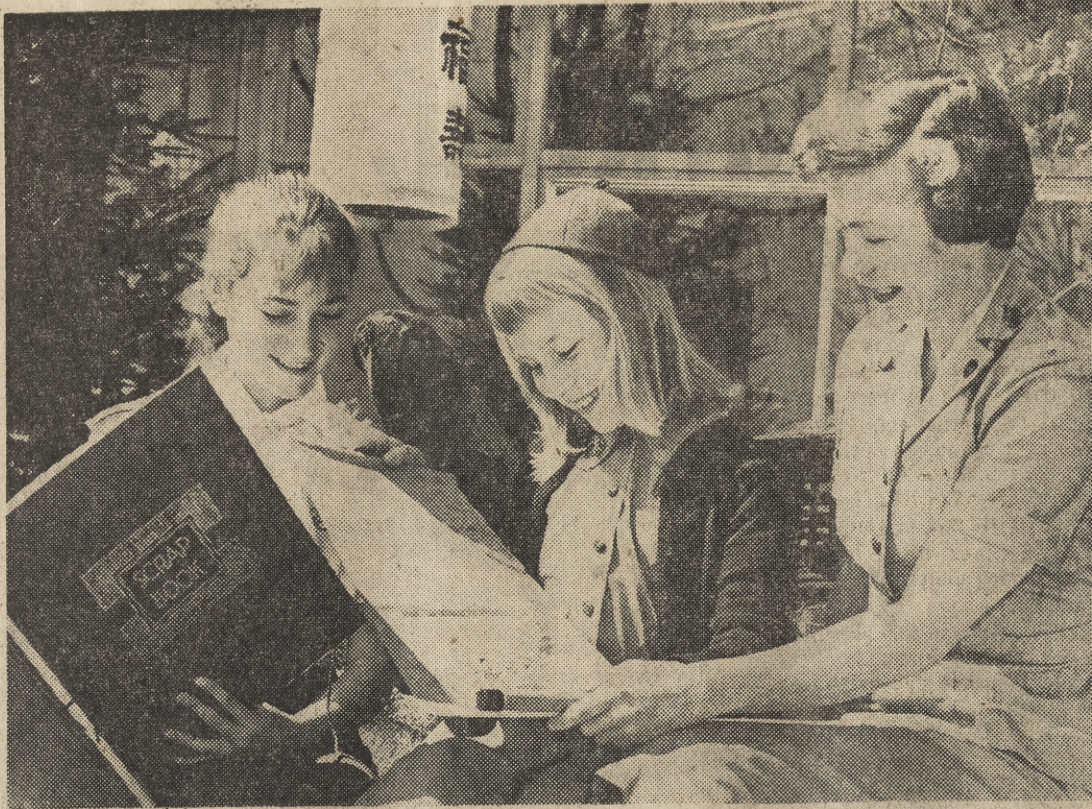

Thursday—2:35 p.m., La Fond Lane; Investigation. 3 p.m., water flow on El Sereno.

Saturday—2:15 p.m., Las Cascades; bonfire.

Sunday—12:25 a.m., Overhill Road; resuscitator call.

Monday—2:04 p.m., Broadway Tunnel; first-aid call.

Tuesday—11:08 a.m., Virginia Drive; investigation. 6:20 p.m., Orchard Road; dishwasher fire.

ADMIRING a handmade scroll and scrapbook they received from Korean orphans in appreciation of clothing and toys, Brownies of Troop 297 and scouts of Troop 341, need your help in collecting more clothing and toys. Call CL 4-5847 for pick-up service. Pictured from left are Girl Scout Georgina Smith, Brownie Frances Leftwick and Mrs. Lloyd Hecathorn, their leader. —Sun photo by Erwin Mattson.

Playgrounds Open For Vacation

During Easter vacation the playgrounds at Sleepy Hollow, Pine Grove, Del Rey, Glorietta and Inland-Valley Schools will be open from 9:30 a.m. until 1:30 p.m. The following activities have been planned.

Saturday there will be supervised play for all ages and sign-up for kite contest, roller skating and ice skating.

Monday there will be roller skating from 10 a.m. to noon, 50 cents per child for grades three through eight. Private transportation is necessary. Skating will be at Rollerland, Oakland.

Tuesday there will be a kite contest from 11 a.m. to noon, with prizes for the biggest, smallest, most beautiful, oddest and first up.

Wednesday there will be supervised play for all ages. Thursday there will be ice skating from 2:30 p.m. to 5:30 p.m. at Iceland in Berkeley. Children under 12, 50 cents; 12 and over, 75 cents. Parents will provide transportation and meet at the playground no later than 1:30 p.m.

Scouts Share Fun!

Sharing an ambition to earn their cooking badge, Intermediate Girl Scouts of Troop 97, who also share a desire to bring happiness to others, recently accomplished both aims with a trip to the California School for the Deaf in Berkeley.

Under the direction of Mrs. R. K. Christensen and Mrs. A. M. Pilgrim, the girls who are all fifth and sixth grade students, learned to bake cookies. They wanted to share the fruits of their new skill, but merely sharing cookies was not enough for these lassies.

THEY HAD learned about the girls at the School for the Deaf. The scouts knew that some of the youngsters come from homes far away and are seldom able to get home. They knew too, that lack of hearing does not decrease a child's desire, or need, for the kind of fun typical to 11 and 12 year old girls.

The scouts of Troop 97 pooled their resources (Blue Chip Stamps) and purchased 10 pair of roller skates to take with them on their cookie expedition to the School for the Deaf.

Mrs. Pilgrim and Mrs. Christensen arranged a date with the counselors at the school and the scouts arrived to find that they were not the only ones who could be thoughtful.

A GROUP of girls at the school had prepared a party for the scouts, complete with cocoa they had made themselves. After the party and presentations of the skates, all the girls joined together for games, with the scouts instructing the girls at the school how to play some scout favorites.

Communication was no great problem, some of the scouts have earned the fundamentals of sign language, but even so, who needs words when friends get together to share common interests in a spirit of good fellowship?

Soon after the trip, the troop received a thank you note, signed by all the girls at the school and another letter of commendation from Joseph P. Youngs, Jr., Dean of Students, California School for the Deaf.

THE ENTIRE experience, according to the "scout" leaders, brought so much happiness to both the scouts and the girls at the school, the troop wished to share its experience publicly in the hope that other similar groups would share their time and talents with the girls at the school.

Scouts of Troop 97 are Anne Pilgrim, Katy Christensen, Denise Hill, Barbara White, Judy Spongin, Susan Kozak, Jean Anderson, Marcia Jackson, Marty Harris, Ralyne Nawnman and Patty Cardin. Their leader is Mrs. Charles White.

Richard Dobell Wins Honors

Four Cal Poly student architects have distinguished themselves by combining a group senior project with a national contest and carrying off regional honors plus a cash award. A total of 32 colleges competed for the architectural honors.

Among the four student winners was Richard A. Dobell of 25 Linda Vista. Dobell will graduate from Cal Poly's architectural engineering department in June.

Why Am I So Small, Mother?

By NORMAN COLBY

"Yes, dear. You are smaller than other boys and girls. You will never be big . . ."

This is often the beginning of the inevitable explanation by parents to their beloved, toylike child who is a dwarf.

The explanation must not be delayed, for the child has begun to wonder.

SO OFTEN, the child has become a sort of mascot of the other children, who decide this miniature person among them is cuddly and needs special consideration.

Or sometimes the other boys and girls, not understanding, are cruel.

But the explanation as offered by parents to their child is not enough for the parents, themselves.

Hence: "The Miniatures."

Melvin Cohen of 1000 Santa Lucia Drive, Pleasant Hill, is a technical writer and editor for the radiation laboratory, Livermore.

HE AND his wife, Eleanor, have a "miniature" daughter, Joyce. She is four years old. They also have Janice, 2, a normal child.

The Cohens have become acquainted with Harry and Nadine Lomas of 3146 Fitzpatrick Drive, Concord. The Lomas also have a miniature—Jimmy, age 8. They

also have normal, 3-year-old Timothy.

The Cohens and Lomas know that there are many other families in the county which have a "miniature," and they want to get together with those people.

As Melvin Cohen told The Sun, "We want to help ourselves, but we also want to help other parents who have just learned, or in the future will be told, that their child is a dwarf."

DO YOU have a miniature in your family?

Then contact the Cohens and Lomas by writing "The Miniatures," Post Office Box 411, Pleasant Hill.

The parents of Joyce and Jimmy have definite plans for their organization, which they hope will grow to about a dozen families or more.

"Even if we don't get many responses, we will be happy to work with those who do contact us," said Cohen.

TO THE question of what is a dwarf, Cohen had a quick response.

A dwarf is a person who has normal health and intelligence (or above normal), and whose cranial and spinal structure is of normal size. But the arms and legs are unusually small.

As a result, the dwarf usually grows to a full height of between

three and four feet.

Why? It has something to do with the pituitary gland. What can be done? This question in part explains the formation of "The Miniatures."

THE PARENT of a miniature has several consolations. Their child can go to the regular grade and high school, and to college.

They are not mentally retarded and they are not physically weak, as often is the case with another "miniature," the midget.

The midget is as small or smaller than the dwarf. But the midget's proportions are the same as a normal person.

COHEN SAID: "One of our main objects will be to share our knowledge and experiences with others."

"For instance, Joyce could not ride a tricycle, and kept falling off until I had one altered especially so her legs could reach the pedals. With a little outside advice, I might have done this more promptly."

He continued, "And somehow we would like to be able to contact the parents of newborn miniatures right at the hospital if possible."

"This might save them so much fear through misunderstanding. OUR GROUP has been offered the assistance of Dr. Edgar J. Hinkel, a consulting psychologist in Oakland and himself a dwarf."

"We would hold regular meetings, and attempt to obtain speakers—doctors who are versed on the subject."

Cohen explained that "The Miniatures" will be an organization for the parents of dwarf children, not for the children themselves.

"We think it will be good for the children to meet, and learn that they are not unique in the world. But this is primarily for the parents," he said.

"WE ARE interested in learning how funds might be appropriated by agencies, what agencies we don't yet know, for research into the causes and cures."

"The only work being done now as we understand it is incidental to birth defects."

"We will need to raise money to support our activities, and if we incorporate our group, legal counsel would be necessary."

"We will plan activities and program for the children, not to replace the regular activities, but where the parent is not able to provide it. This could include swimming, roller skating, camping, and many things."

"OF COURSE, games like baseball would be out."

Cohen's thoughts about the possibilities go even further. "Eventually we might see what can be done about developing visual-aid films which could be used in classrooms to explain to normal children just what a dwarf is."

"This was suggested by an area teacher."

"So many people, when they think of a dwarf, think of a visit to the circus."

"OUR GROUP could look into special aptitude testing and education guidance for our miniatures."

"And the special advice that goes for choosing and adjusting clothes, for improving appearance. Our doctor friend in Oakland says he shops for shoes in the boys' department. There are many things to learn, you see."

Cohen has another interest—the reference made in movies, radio, newspapers and television to the subject of dwarfs.

ITEMS OF good taste should be complimented, and those of bad taste should also receive comment, he believes.

Cohen said, "Our miniature children will fight their own battles like other kids, and they try hard. But they sometimes just get laughs."

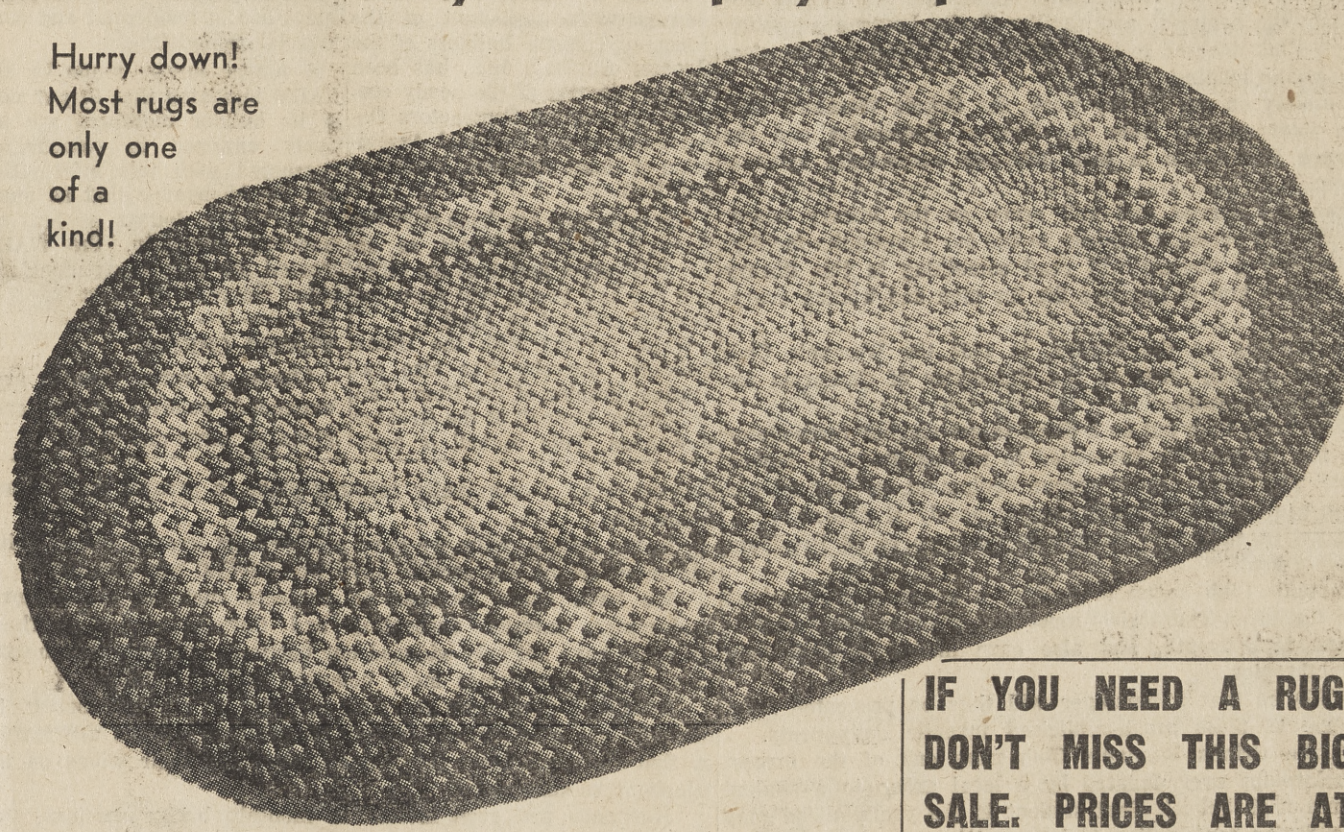

"We don't want to spoil them, but we're human like other parents. We want to do our best for them."

Mother Is Outspoken On Sports

(Continued from Page 3)

But now, curtailment of high school athletics threatens this balance. Why? I'll try to take the main reasons set forth for this decision and give each one my personal rebuttal.

1. Possible neglect of school work. Our son, Ken, has been able to participate in freshmen football, basketball and now, jayvee baseball. He has maintained a strong B average, gradewise, has continued a newspaper route in partnership with his brother and has been active in church. Ken has also continued to carry his share of family chores. Does this sound as if athletic participation is exhausting to the point of "no study"? For those who do not study, there is an automatic remedy, the minimum grade requirement for team participation. But isn't it just possible that there are in any class some students who do not study?

2. Students were losing too much class time. Ken has missed parts of two classes during this entire period in order to take part in sports competition. Is this excessive lost time? Incidentally, he also has a perfect attendance record.

3. The need for balance. This, to me, the most fallacious of the reasons. OK, so "life adjustment" didn't do the job. Because educational "Metrocal" failed, must we become extremists in the other direction and stuff students only with meat and potatoes? What ever became of the old-fashioned idea of balance? Athletics are NEEDED for balance.

4. Transportation is a problem. Has this problem been completely explored? Have parents been approached? Have the various parents' clubs and/or service organizations had an opportunity to assist in the solution? Perhaps it is unsolvable but let's try.

5. No drastic changes made. It is my understanding that freshmen boys can still try out for varsity and jayvee teams—theoretically. Realistically, it will be a rare 14 year old boy who will have a chance against the more mature, better developed upper classmen. Boys who are not unusual, but just love sports, should have at least the same opportunities as the junior high boys.

Boys need the athletic contest. Their bodies need the exertion and conditioning sports provide; their minds need the stimulation of outthinking the opponent; their characters need the growth provided by team work experience.

Do YOU agree???

Like Swamp Conditions? --- Try This!

Mrs. Bev Williams of 1300 Springbrook, Walnut Creek, was "swamped" with phone calls after she sold her refrigerator the very morning her ad appeared in The Sun.

The same kind of results were reported by H. O. Allison of 21 Santa Rita Drive, Walnut Creek, who offered a gas range for sale in The Sun want ads. C. S. Janes of 2422 Larkey Lane, Walnut Creek, sold his 21-inch television set on the second phone call after The Sun appeared.

Such results are a regular happening with The Sun, since each ad gets a "5-in-1" treatment.

Your want ad will appear Wednesday in the Sun Shopping News, the free distribution paper going to 40,000 homes, and on Friday in the Walnut Creek Sun, Orinda Sun, Lafayette Sun and Pleasant Hill Sun, regular subscription papers.

All this for only \$1.60, with a 14-word ad! Place your Sun want ad by phone. Call YE 4-5000, AT 4-4444 or CL 4-4343.

From 'Pearl' To Penney's—Harold Monroe

Harold Monroe, a former U.S. Navy engineer officer, has been named assistant manager of the Walnut Creek J. C. Penney Company store at 1444 Broadway Plaza.

He replaces Ivan Finley, who has been transferred to the J. C. Penney Berkeley store.

Monroe, a six-year veteran with Penney's, started in the Oakland store, and rose to men's department manager.

He is a graduate of Ottawa University, Ottawa, Kansas, the town where he was born.

Upon graduation, he was commissioned in the U.S. Navy, and served as a lieutenant, junior grade, aboard a destroyer operating from Pearl Harbor. He was an engineer officer.

Monroe and his wife, Mary, live at 1439 Toyon Drive, Concord. They have three children, Linda, 7; Douglas, 5, and Michael, 3. The Walnut Creek store manager is F. E. Robinson.

Deputies Report Few Crimes in Past Week

The Sheriff's Sub Station in Lafayette reported one burglary and one grand theft in the past seven day period.

Harry M. Anderson of Danville, owner of the Palm Garden Smokehouse drive-in on Mt. Diablo Blvd. in Lafayette, reported that his place of business had been burglarized last Friday night.

He told deputies that Frank Conlon, an employee, had locked the store at 7 p.m. Friday. When Anderson opened the store Saturday at 8 a.m. he discovered that more than \$100 in bills and coins had been taken from the cash register.

The responsables had entered the building through a window, deputies said. There were no signs of a forced entry and exit was made through a rear door, they said.

Anderson told officers that it was the first time he had ever left money in the register.

The Lafayette Ford Sales on Mt. Diablo Blvd. in Lafayette reported that four tires and wheels plus an auto jack were taken last Sunday night.

Donald Cowherd, a salesman for the company, discovered the missing tires when he reported for work Monday morning.

The tires and wheels were taken from three different 1961 cars in the company parking lot. Value was set at \$231.

Suburbia Scribblings

By JAN SOUBIELLE
(Guest Columnist)

While author Marie is away collecting the newest and littlest Monahan, may we dedicate this column to you, Abbas Haghighat of Teheran, who spoke before the Orinda Woman's Club in January through the American Field Service program, along with Anne Blow of Melbourne, Australia.

We hope you and Anne are happy in our community, and that you will take back to your own communities some positive impressions of American life.

WHERE EAST MEETS WEST . . . Because you, Abbas, made some provocative statements to us about woman's place being in the home, we take this means to discuss with you our philosophy and actions.

We agree with your statement, but believe it should be enlarged upon as follows: "Woman's place is first in the home and second in women's organizations."

The inspiring enrichment received by a woman through belonging to a group of women reflects back into her own family's life. There are many fine women's organizations in our community.

Mrs. Monahan generally writes of their varied doings in her scintillating fashion in this column. We would like to tell you about the organization we know best through belonging to it—the Orinda Woman's Club.

WHAT IS the Orinda Woman's Club? . . . This club was organized in 1953 as a junior member of a national and international group of women's clubs called General Federation of Women's Clubs. Our group became a senior member in 1956. Why is it? . . . Our local group has a three-fold purpose—philanthropic, cultural and social.

Cast your bread upon the waters . . . Since our main purpose is philanthropic, may we blow a few notes on our own trumpet and tell you some of the things we have accomplished philanthropically.

For whom our years tolled . . . the years of the library . . . In the year 1954 the junior club made a survey on how our community should be planned.

This survey showed that 48 per cent of the community wanted a library building of its own. (At that time we had a tiny place in the basement of a church.)

From 1954 to 1958, the Orinda Woman's Club dedicated itself to this project, and worked with other groups on it.

CLUB MEMBERS helped collect money in a house-to-house canvass of all Orinda. The Orinda Woman's Club staged many events to raise money for the project. As a result of these efforts we were able to give several thousand dollars directly for the new library. When the beautiful new facility finally became a reality, the Woman's Club donated to it an expensive collection of musical records for public lending.

Based mainly on our library work, the Orinda Woman's Club received a joint citation from the General Federation and the Sears-Roebuck Foundation in their 1956-1958 community achievement contest.

Our members served and still serve on the library board. You may have had occasion, Abbas, to use our community facility. Perhaps one day a student will read something in this library which will inspire him to improve life for men and women everywhere.

Besides working on the library, in 1957 the Woman's Club raised \$200 which they gave to the University of California for needy Hungarian students.

THE WOMAN'S Club put on a drive to get another resuscitator for Orinda fire houses. We succeeded in raising \$600 and buying two of same, plus other needed rescue equipment, so that all our fire stations can now render aid simultaneously if necessary.

Who knows, a child they save may grow up to be President of the United States!

The Woman's Club began to sponsor a group of high school girls called the Debs. These girls must do certain hours of philanthropic work each month, and also earn money to contribute to our philanthropies.

IT COULD be that a teen-ager will thus be prevented from becoming one of those much-publicized juvenile delinquents.

In 1959 the Orinda Woman's Club gave one of the largest college scholarships ever donated by a local group to a student at Miramonte High School. That student in the years ahead may make some major contribution to human life.

In 1960 we donated greatly needed funds and equipment to the Lynn School for Retarded Children. For these efforts we received a State Federation award in Youth Conservation, and a Josephine Seaman award for civic achievement.

Being cognizant of the shortage of hospital beds in our area, particularly in the event of disastrous emergency, this year the Woman's Club made a financial contribution toward the building of the John Muir Hospital between Concord and Walnut Creek. Lives it saves may be our loved ones!

WE HAVE become informed on the narcotics problems of our state and done our bit toward getting them solved. Also in the health field, a First Aid class has been started for our members; they have seen films on cancer detection; and members of our group have served in the Heart Fund collections.

Our club has performed countless other philanthropies throughout the years, such as providing services for institutional hospitals and holiday aid to the needy.

For the past several years, Abbas, we have contributed to the American Field Service which sent you here.

We have been building up a fund for a clubhouse that could

Family of the Week . . .

SOMETHING TO Sing About . . . Marian and Bob Brown, 14 year Orinda residents who are well-known and appreciated for their church and youth work will launch a Dream Come True this summer with the opening of their Camp Beaverbrook in Lake County. The parents of Ron 19, Robin 17 and Carolyn 14 first met twenty-five years ago at a summer camp on the Russian River. Bob, a builder who has done all the construction on the Cobb Valley campsite, is a musician, plays the piano, organ, accordion, ukelele, sings in the church choir. Wife Marian is a member of the popular Orinda Baguettes trio, famous locally for their original verse and comical lyrics.

Orinda Man Named To National Post

Dennis L. Garrehy, of Orinda, administrative assistant of the Associated Home Builders of the Greater Eastbay, Inc., has been named director of the newly created Remodeling Contractors Department of the National Association of Home Builders, Washington, D.C.

Garrehy, who has been with the Eastbay Home Builders as an administrative assistant for three and one-half years, will open the new department on April 1.

While serving with the Home Builders, Garrehy was also executive director of the Home Improvement Council of the Greater Bay Area. This council is composed of general contractors who specialize in residential and commercial remodeling.

A recent survey made by the NAHB indicated that 27 per cent of its builder members are actively engaged in remodeling. Possessed with this information and the knowledge that as much as 20 billion dollars go into remodeling annually, the NAHB created the new department and asked Garrehy to direct it.

PLAIDS, CHECKS Checks in spring fashion are expanded, colorful. Plaids are glens, or large and open.

also serve as a community meeting place, a present lack in our community.

In the culture realm we have provided art lessons and exhibits, and members of this section have won several awards.

We have heard lectures on subjects such as architecture, landscaping, interior decorating and flower arranging. These activities have not only widened our horizons, but also have helped us to make our homes more beautiful for our families.

TOILERS need time to relax in order to perform better. So our club has a few annual socials, to which husbands are invited so that they can meet the women who keep their wives on the telephone so constantly!

Husbands are even invited to monthly bridge sessions. Our gourmet potluck luncheon section provides a means for members to bring home new recipes to try on their families. Families may become ill as a result, but at least they sometimes have a different menu for dinner!

Our annual fund-raising events also provide social entertainment for the community, and we herewith thank the many citizens who have supported our affairs.

THE SUMMING UP . . . And so, Abbas, we hope these notes will give you a fuller concept of what can be accomplished by women's clubs in a land where mechanical house servants enable women to go outside the home and bring back to it fresh energies and ideas.

Please understand, however, that in most American homes the welfare of their children is of first importance to mothers, and outside activities secondary.

A DISTINGUISHED past president of the Orinda Woman's Club, June Estes, recently returned from two years of living in your country. We look forward to our club meeting in May when she will impart to us her impressions of Iran.

Now it's time to say au revoir, Abbas, and also (to paraphrase a well-known comedian) "Goodnight Mrs. Monahan—wherever you are."

Teachers Chosen For University Cancer Research

Jane Snyder and Don Underwood, science teachers at Miramonte High School, have been selected to participate in the University of California Cancer Research Center annual Easter Institute for high school biology instructors.

Among the four science teachers chosen from central California to take part in the program of lectures, demonstrations, practice in the conduct of research studies and preparation of research materials, Miss Snyder and Underwood were picked on the basis of their interest in research and training in biological sciences.

DESIGNED TO acquaint high school teachers with the latest techniques and discoveries in the field of cancer research, the purpose of the institute is to provide science instructors with information they can pass on to their students to clear up popular misconceptions relating to cancer and to stimulate potential research biologists in the field of cancer.

Sponsors of the institute have found that high school teachers are extremely effective in using knowledge gained from such experiences to broaden and increase the depth of their teaching in the biological sciences and offer an opportunity for some students to return with their instructors to weekend sessions to continue their studies.

By devoting their Easter week vacation to study, Miss Snyder and Underwood became eligible to receive research equipment for use at Miramonte, and will earn two units of university credit.

April 7 Marks Library Benefit

The Friends of the Orinda Library and the Orinda Library Board will entertain at a dessert bridge benefit on April 7 at 12:30 p.m.

A number of matrons have offered their homes and will act as hostesses for this occasion. They include: Mrs. Miles Hudson, Mrs. Stanford Holmgren, Mrs. F. K. Bottomley, Mrs. Virginia Steele, Mrs. Frederick Anderson, Mrs. Frank Wright and Mrs. Phillip Bush.

Tickets for the affair may be obtained through Mrs. Nathaniel Dodge, general chairman. She will be assisted by Mrs. Clay Sorrick, chairman of the Friends of the Orinda Library.

Orinda Woman's Club Shows Cancer Films

At a recent meeting at the Glorietta School, the Orinda Woman's Club presented to its members and their guests, the films "Time and Two Women" and "Breast Self-Examination."

Following the showing of the films, a question and answer period will be conducted by Dr. Donald Minkler of Berkeley and leaflets will be distributed.

Arrangements for the program were made through the Contra Costa Branch of the American Cancer Society.

Rotarians Host

"Progress Through Research" will be the subject of the Rotary Club program April 19 at 12 p.m. at a luncheon in Orinda.

The program, presented by Miss Sidney Hedin of Pacific Telephone's public relations staff, will describe the challenge of industrial research.

New Position for Orinda Scientist

Dr. Thomas Baron of Orinda was one of four scientists appointed to senior management positions by the Shell Development Company at its Emeryville Research Center.

According to Shell officials, the reorganization was made in order to establish the most favorable environment and organization for doing research and development, from the most basic through product development and plant design.

Baron joined Shell's Emeryville Research Center as an engineer in the chemical engineering department in 1951 and was appointed assistant department head there in 1955.

For the past four years he has been head of the department.

He attended the University of Illinois where he received his B.S. and Ph.D. degrees in chemical engineering in 1944 and 1948. He was an associate professor at the university prior to joining Shell. He was co-winner of the Colburn Award of the American Institute of Chemical Engineers in 1952.

The award is given for outstanding contributions to the literature of chemical engineering by engineers under the age of 35.

Linda Chang Art Lessons Start Again

Because of the response to Artist Linda Chang's recent class in Oriental brush painting, the Orinda Art Center is announcing another series of lessons starting the morning of March 28.

The class will be held in the new educational unit of Saint Stephen's Church on Via Las Cruces in Orinda and will run for six weeks on consecutive Tuesdays from 9:30 to 11:30 a.m. There will be a tuition fee for this series and anyone interested, whether a sponsor or not, please contact Mrs. Phillip Champion at CL 4-3293 or Mrs. Ralph Hickey at CL 4-5402.

Lutherans Sing Cantata

The choir of Shepherd of the Valley Lutheran Church, Orinda, will present "The Seven Last Words," a musical cantata by Theodore DuBois, Palm Sunday at 7:30 p.m., under the direction of Howard Harrisville.

Guest soloists will include Dr. Henry Sheffoff, baritone, and Paul Walti, tenor; Mrs. William Romer, a member of Shepherd of the Valley, will be soprano soloist. Guest organist will be Mrs. Esther Johnson of Bethany Lutheran Church, Berkeley.

Dr. Sheffoff, Oakland physician and surgeon, has sung with the San Francisco Opera Company and has been a frequent guest soloist at Bohemian Grove.

Paul Walti also has sung important roles for six seasons with the San Francisco Opera Company, including leading parts in La Boheme, Faust and Tales of Hoffman. He has also been a featured soloist for NBC in various musical shows, including the Standard School program. He has also been a guest soloist with the San Francisco Symphony and the East Bay Opera League.

The members of the Shepherd of the Valley choir include Diana

Church Society Sponsors Lecture

The meaning for today of divine power and goodness will be emphasized in a lecture by W. Norman Cooper on Christian Science April 2 at 3 p.m. at the Contra Costa Jewish Community Center, 3800 Mt. Diablo Boulevard in Lafayette.

Open to the public without charge, the lecture will be sponsored by the members of the Christian Science Society, Lafayette.

A LONG LOOK is taken by Bill Palmer who plays the lead role in Finian's Rainbow to be presented tonight and tomorrow night at Acalanes High School. Other stars are Ray Castellino (Woody) left, and Relda Clausenius (Sharon).

Larinda Chapter Toastmasters Meet Monday

Larinda Chapter, Toastmasters International, will meet Monday at 7 p.m. in Gimbo's restaurant, Rheem.

Toastmaster for the evening will be Carter Miles of Walnut Creek. Table Topics master will be Bud Greer of Danville. Prepared speeches will be given by Albert Bishop, Lloyd Nass, Albert Silbert and Earl Simpkin.

Newest member of the Larinda Chapter is Robert B. Lewman, a trucking company executive who

lives in Orinda. The club will welcome other men who wish to improve their ability to lead groups and to speak in public.

Moraga Minutes

Summer School Plans Readied; Courses Chosen

By YVONNE MAUZEY

Monday was the first day of spring. Flowers are beginning to burst forth in all the yards. The people who were smart and ambitious enough to plant their bulbs last year have been repaid for their work and effort.

The leprechauns have all left our area for Ireland and the green put away until next St. Patrick's Day.

Speaking of St. Patrick's day one of our teachers was born on the day of the green, and probably named for St. Patrick. He is Pat Freitas. The eighth grade invited the office force of Rheem School and had a surprise party and birthday cake for Pat on his day.

BOB TRASK and Charles Toll gave a report on the Summer School program. Two things will determine the set up of the summer school program: Enrollment of students for courses; approval by the State of courses selected for our program.

Summer school will last four weeks from June 21 to July 19, a total of 19 teaching days. There will be two holidays, July 3 and 4. Hours will be from 8 a.m. to 12 noon.

THE COURSES planned at present are: Spanish, French, Science, reading, and perhaps a creative writing type of course and arts and crafts. Remedial math and remedial reading and a typing course are part of the hoped for program.

The typing course depends on the rental of machines and cost of rental and approval by the state of course. The arts and crafts classes will be open to our present first through seventh grades. Academic courses open to present third through present seventh grade.

Six teachers will be involved in the summer school program. At present five from our district and the other from some other district. Mrs. Mead, Rheem School's first grade teacher had a birthday last week and gave a birthday party to the first grade. Mrs. Mead brought cupcakes to the class, who were real pleased with the birthday announcement and the treat.

OUR TEAM played some close games at the basketball tournament. There was a good turnout of parents and students to support our Rheem team. The team didn't win any games but played close score games being beaten by as little as one point.

This cook-out will include all Orinda & Moraga Brownie troops. Faye Parker's Brownies of Orchard Dell made 30 trays favors for the Children's Hospital for Easter. The favors were suckers made into Easter Bunnies.

BETH KLATT'S Den 7 cubs are making a train of milk cartons and spoons for Pack Meeting. Each boy is making one of the cars and painting them. John Pagliero made the engine and a fine job he did.

Shirley Frey, the Parents Club secretary, moved March 15. They left our area and were going to Los Angeles for a few days to see Disneyland, then back to the east coast to the job they have been transferred to.

An all parent meeting was held March 15 by Bob Trask, Pat Freitas, and Charles Toll. Jim Lewis, Principal of Miramonte, Miss Giddings and Lloyd Hunt gave talks. Miss Giddings spoke on activities at the High School, a list of clubs and social dances. Mr. Hunt spoke on the curriculum, Math and etc. Mr. Lewis' talk covered the over all introductory picture and the sports offered at the high school. A question and answer period by teacher and parents followed the talks.

THERE WERE six counselors from Miramonte at Rheem, the 16th, for the registration of Rheem & Canyon students for Miramonte High. Jim Lewis principal of Miramonte came over to meet the parents of his future High school students, personally. Tables were set up with the counselor's name. Students took their seat at the counselor's table to fill out their programs.

The Color Guard for the horsemen has been chosen with three girls and one boy on the team. This years color guard will be Sharon Mekonis, Candy Kolkhorst, Laurie Wierenga and Tom Marston.

LEGAL NOTICE

NOTICE OF HEARING OF RECOMMENDATIONS OF THE PLANNING COMMISSION OF THE COUNTY OF CONTRA COSTA FOR AN AMENDMENT TO THE MASTER PLAN OF THE COUNTY OF CONTRA COSTA, ORDINANCE No. 382, PROVIDING FOR AN AMENDMENT TO THE PRECISE SECTION OF THE MASTER PLAN OF ORINDA AREA, A PORTION OF THE UNINCORPORATED TERRITORY OF THE COUNTY OF CONTRA COSTA, BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF CONTRA COSTA ON APRIL 13, 1961.

TO WHOM IT MAY CONCERN: You and each of you are hereby notified that on March 8, 1961, the Planning Commission of the County of Contra Costa, State of California, filed with the Board of Supervisors of the County of Contra Costa, a resolution incorporating findings and recommendations for an amendment to the Master Plan, being Ordinance No. 382, and providing for a modification and amendment to the Precise Section of the Master Plan Zoning for the Orinda area, a portion of the unincorporated territory of the County of Contra Costa, to-wit:

Portion of the Rancho El Sobrante, described as follows: Beginning on the northeast line of the tract of land designated on the map entitled "Unit No. 4, Hacienda del Orinda, Contra Costa County, California", which map was filed in the office of the Recorder of the County of Contra Costa, State of California, on June 1, 1925, in Volume 19 of Maps, at page 479, at the north-west line of the County Road known as Miner Road, being the northwest line of the parcel of land described in the deed from John R. Fatooh, et al, to Contra Costa County, recorded October 17, 1945 in Volume 853 of Official Records, at page 14; thence northeasterly along said north-west line, along the northwest line of the County Road known as Brookbank Road, being the north-west line of the parcel of land described in the deed from Richard W. Breuner, et al, to County of Contra Costa, recorded May 4, 1953 in Volume 2116 of Official Records, at page 63, and along the extension northeasterly of the northwest line of said Brookbank Road to the south line of the tract of land designated on the map entitled "Sleepy Hollow Estates, Contra Costa County, California", which map was filed in the office of the Recorder of the County of Contra Costa, State of California, on December 24, 1947, in Volume 34 of Maps, at page 18; thence easterly, along said south line and along the south line of the tract of land designated on the map entitled "Sleepy Hollow, Unit No. 2, Contra Costa County, California", which map was filed in the office of the Recorder of the County of Contra Costa, State of California, on January 11, 1946 in Volume 28

LEGAL NOTICE

of Maps, at page 19, to the north-west corner of the parcel of land described as parcel one in the deed from Leon H. Woolsey, et ux, to M. R. Hays, et ux, recorded April 1, 1953 in Volume 2096 of Official Records, at page 175; thence easterly along the north line of said Hays parcel (2096 OR 175), to the southeast line thereof; thence southwesterly along said southeast line to the center line of a private road known as Ranch Road; thence southwesterly, along said center line to the center line of the County Road known as Miner Road; thence southeasterly along said center line to the west line of the 3.45 acre parcel of land described in the deed from Gertrude A. Cotton to Ralph Longo, recorded March 3, 1938 in Volume 464 of Official Records, at page 113; thence southerly, along said west line, to the north line of the tract of land designated on the map entitled "Unit No. 8, Haciendas del Orinda, Contra Costa County, California", which map was filed in the office of the Recorder of the County of Contra Costa, State of California, on January 5, 1926 in Volume 19 of Maps, at page 497, and along the northeast line of said Unit No. 8, Haciendas del Orinda (19 M 479), to the point of beginning, being the request of Samuel W. Scott and others (597-RZ) S.D. II.

You and each of you are further notified that, pursuant to Section 65654 of the Government Code of the State of California, the Board of Supervisors proposes to adopt an ordinance amending Ordinance No. 382 in such form as the Board may determine, providing for the amendment to the Precise Section of the Master Plan Zoning for the Orinda area, a portion of the unincorporated territory of the County of Contra Costa, and that public hearing on said proposed ordinance and resolution of the Planning Commission, incorporating findings and recommendations, will be held on April 13, 1961, being a Thursday, at 9 a.m., in the Chambers of the Board of Supervisors of the County of Contra Costa, State of California, at which time all persons interested may attend, appear and be heard.

By order of the Board of Supervisors of the County of Contra Costa, dated this 16th day of March, 1961.

W. T. PAASCH, County Clerk and ex-officio Clerk of the Board of Supervisors of the County of Contra Costa, State of California.

Sleepy Hollow School Applauds Scout Troop 200

Orinda Troop 200, Boy Scouts of America, has received the thanks of the Sleepy Hollow School Parents' Club, Mrs. Cynthia Scott, principal and Joseph Sheaff, superintendent, for the job they performed recently on the school grounds.

Under the leadership of Scoutmaster Doug Gould and his assistants, Thomas Mueller and Thorne Savage, 25 boys dug a trench 750 feet long and laid a two-inch water main. This is to provide facilities for planting and tending future landscaping and a windbreak for Sleepy Hollow School.

Mrs. Scott said, "Many times we have attempted to plant the area involved, but as no watering facilities were available, it was not productive."

Thanks to Troop 200 the southwest side of our school grounds can be developed.

Those boys who participated were junior assistant scoutmaster Dick Rieser, senior patrol leader Harry Sigworth and scribe Mike Smallwood; patrol leaders Dave Yager, Paul Majka, Tom Gould and John Savage; and Scouts Steve Yost, Dave Denning, Ken Sanderson, John Kolkhorst, Wayne Abbott, Ross Costa, Larry DeGrassi, Chris Hammond, Carl Van Dyke. Also Scouts Tom Mueller, Bob Bardell, Bob Grigsby, Gordon Seaman, Steve Knudsen, Mark Ammen, Bruce Payne, Dwight Sigworth and Stephen Spott.

Church Reports Recent Meetings

For the past five weeks the members of the Lafayette Community Church have been participating in a series of Sunday night Christian family living sessions. The series consisted of one hour of study classes beginning at 6 p.m.

At 7 p.m. all members of each family met in the sanctuary for a family film, adjourning for a social hour at 7:45 and ending at 8 p.m.

Saturday the Coupler's Club met for their monthly social activity. This month it was a progressive dinner with a Polynesian theme. The hors d'oeuvres course was at the home of Mr. and Mrs. William Banks, the entree course at the home of Mr. and Mrs. William Millwee, the dessert and entertainment at the home of Mr. and Mrs. S. Williamson. Bright shirts, muu muus, Hawaiian leis, all added to the color and gaiety of the evening.

The Woman's Society of Christian Service at their monthly meeting, March 30, will observe, "The Meal in the Upper Room," the meal in spirit if not in form, of the meal which Jesus ate with his disciples at the close of his ministry.

The program, under the direction of Mrs. Andrew Kritscher, will begin with meditation period at 10 a.m. Mrs. Owen Haskell will lead the devotions. All women in the community are cordially invited and can make reservations by calling the church secretary at AT 4-4765.

GOP Women Attend Meetings

Mrs. William Dorsey, president of the Orinda Republican Women's Club and a group of delegates, attended two conventions recently. The first, in January, was the convention of the California Federation of Republican Women held at the Jack Tar Hotel in San Francisco, and on February 28 at the Villa Hotel in San Mateo, the biennial convention of the California Federation of Republican Women, Northern California.

At the latter convention, Mrs. Donald (Virla) Krotz of Orinda was installed as president. Mrs. Krotz has long been active in civic affairs in Orinda and will be attending the national convention of the Federation of Republican Women in Washington, D.C. the early part of March.

T. D. Broatch Is Rifleman

Army private Thomas D. Broatch, son of Ronald D. Broatch, 677 Jennie Court, Lafayette, participated with other personnel from the 101st Airborne Division's 502d Infantry in a special STRAC (Strategic Army Corps) alert at Fort Campbell, Ky.

Broatch is a rifleman in the 502d's Company E at the fort. He entered the Army in August, 1960 and completed basic training at Fort Ord.

The soldier, 18, is a 1960 graduate of Las Lomas high school in Walnut Creek.

John C. Copeland has been named regional superintendent of training for the New York Life's Central Pacific Region, according to Regional Vice-President V. V. Van Leuven in San Francisco.

He and his wife, Donna, and their four children live at 3322 Las Huertas, Lafayette.

Go to Church Sunday

Lutheran

Palm Sunday will open a Holy Week preaching mission at Our Savior's Lutheran Church. The guest missionary will be Pastor John Larsgaard, chaplain at Pacific Lutheran University, Tacoma, Washington. Pastor Larsgaard will be preaching at 8:15 a.m. and 11:10 a.m. Sunday morning on the theme, "Man Beside the Cross." Sunday school will be conducted at 9:30 and 11:10 a.m. Sunday evening at 7 p.m. the youth instruction class will meet.

The preaching mission will continue each evening Sunday through Thursday at 8 p.m. Special music will be featured each evening.

The evening messages will be "The Cross in the Shadows," "The Cross as a Throne," "The Cross as a Scaffold," "The Cross as a Staff" and "The Cross as an Unction."

Holy Communion will be celebrated in connection with the service Thursday evening.

Christian Science

The ever-availability of spiritual enlightenment will be emphasized at Christian Science churches Sunday.

Scriptural selections to be read in the lesson-sermon entitled "Reality" will include this passage from Isaiah (9:2): "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this correlative passage will be read (546:24-26): "The great spiritual facts of being, like rays of light, shine in the darkness, though the darkness, comprehending them not, may deny their reality."

Christian Science churches are located at 22 Orinda Highway, Orinda; 1437 Locust Street, Walnut Creek; and at the corner of Grand and Park Streets, Concord.

Episcopal

St. Anselm's Episcopal Church, 682 Michael Lane, will celebrate Palm Sunday with 8 a.m. holy communion, 9:30 a.m. holy communion, morning prayer and church school, 11 a.m. morning prayer and sermon and 7 p.m. holy communion.

The Rev. Clarence Stacy, vicar of the mission, will give the 11 a.m. sermon.

Wednesday holy week services of holy communion will be held at 6:15 and 10 a.m. followed by healing services at 10:30 a.m.

Maundy Thursday holy communion will be held at 7:45 p.m. Special Good Friday services are held from 12 noon to 3 p.m. at the church. Holy Saturday there will be baptismal services at 4 p.m.

Baptist

"Why Does It Get Dark?" will be the sermon topic of the Rev. Alan D. Southwell at the 11 a.m. worship service of the Moraga Hills Community Baptist Church this Palm Sunday.

Sunday church school for all ages begins at 9:45 a.m. There is a nursery during both the worship service and Sunday church school and also a junior church for kindergarten, first and second grades during the worship service.

Both the senior and junior choirs will be rehearsing Thursday evening at 7:30 p.m. in the church in preparation for the Easter services.

Presbyterian

A weekend of show, sun and song was the experience of 24 senior high choir members from the Lafayette-Orinda Presbyterian Church March 18 and 19 at Columbia State Park.

They had been invited to sing at the Sunday morning worship service of the First Presbyterian Church in Columbia, known as "the church of the '49ers." It was built over a century ago.

The group spent Saturday skiing, tobogganing and sledding, returning to the church that night. At the worship service their selections were "Sing Praises" by Stanley Glarum, and "The Ring of Love." The choir director, Leonard Weeks, presented the "The Lord Is My Shepherd," by Liddle.

A special highlight was the choir presentation of their anthem to the pastor at his home, where he is confined in ill health.

Adults accompanying the choir included Mr. and Mrs. Leonard Weeks, Mr. and Mrs. David Hobbs, Jim Cunningham, Haakon Johnson and Orton Bergen, all of Lafayette.

Choir members are Chris Bergen, Kitty Clark, Sherry Colbourn, Susan Cox, Sally Cunningham, Barbara Davis, Heidi Faer, Debbie Fink, Susan Grothman, Gail Hanna, Julie Hickock, Dave Hobbs, Dave Hunt, Randy Innis, Kathy Johnson, Mark Johnson, Sandy Lacy, Lee Laney, Diane Long, Chris Thomas, Dennis Truax, Dan Weeks, Dave Werum and Brian Wilson.

Presbyterian

Palm Sunday will be observed at the morning worship services at the Lafayette-Orinda Presbyterian Church, 49 Crest Road. Rev. William Carl Thomas will deliver the sermon, "The Resurrection—Victory for the Defeated" at the 8 a.m. and 11:15 a.m. services.

The 9 a.m. service is the family worship and study, with church school classes being held at 10 and 11:15 a.m. Nursery care only will be provided at 8 a.m. and classes for all children through kindergarten will be held from 9 to 10:45 a.m. and at 11:15 a.m.

The annual Good Friday communion service will be held at the church at 8 p.m. The church will also join three other Lafayette churches in Good Friday services from 12 noon to 3 p.m. at the Lafayette Community Methodist Church.

In observance of Palm Sunday, the Rev. C. Corwin Calavan will offer ante communion at 9 and 11 a.m. at St. Stephen's Episcopal Church on Via Las Cruces in Orinda. Regular early holy communion will be administered at 7:30 a.m. Classes for senior high school students will be in session during both the 9 a.m. and 11 a.m. services.

Members of the Junior Episcopal Young Churchmen will hold a skating party from 1:30 until 5 p.m. At 7 p.m. the Senior E.Y.C. will meet in the undercroft. The St. Stephen's choir will hold a concert at 8 p.m.

On Maundy Thursday at 8 p.m. the Jewish Seder will be enacted by members of the Senior E.Y.C. with an explanation by Rabbi David Robin. Choral eucharist will follow, with a sermon and stripping of the altar.

Meditations on the Seven Last Words will take place on Good Friday from 1 to 3 p.m. Children's service will be conducted at 4 p.m. Evening prayer and sermon will be offered at 8 p.m.

Members of the Junior Episcopal Young Churchmen will hold a skating party from 1:30 until 5 p.m. At 7 p.m. the Senior E.Y.C. will meet in the undercroft. The St. Stephen's choir will hold a concert at 8 p.m.

PREPARING for a Church Concert on Palm Sunday, members of St. Stephens Episcopal Church rehearse under the direction of Donald Loach, right, conductor. Left to right are Jane Teeter, Jane Deubner, Robert Mott and Elizabeth Mott.

Community

"Christ and Our Commitments" is the sermon subject of the Rev. Chauncey Blossom at the 9:30 and 11 o'clock worship services in the Orinda Community Church, 10 Irwin Way.

Special music will include "Holy, Holy, Lord Most Holy" by Mozart sung by the Pilgrim choir at the 9:30 service, and "Psalm 150" sung by the Sanctuary choir at the 11 service.

Church school classes for three-year-olds through the eighth grade will be held during both services. Baby care is provided.

The public is invited to a presentation of "The Seven Last Words of Christ" by duBois by the Sanctuary choir of 40 voices. The choir will be augmented by guest soloists and orchestral accompaniment. This performance is at 4 p.m. in the sanctuary of the church.

Christian

"The Bridge That Didn't Fall" will be the sermon topic of the Reverend Darwin Mann of the Lafayette Christian Church, 3419 Golden Gate Way. During the morning service Palm Sunday, there will be a service of presentation of babies and dedication of parents. At 4 p.m. there will be a service of Christian baptism at the First Christian Church in Concord.

Morning worship services begin at 10 a.m., with church school classes for all ages at 9 a.m.

Methodist

"Now Comes Holy Week" will be the sermon topic of the Reverend George E. Berry Palm Sunday at the Lafayette Community Methodist Church, 955 Moraga Road. Morning worship services are held at 9:30 and 11 a.m. Church school classes for all the family are at 9:30 a.m. Nursery care is provided during both worship services.

Reception of new members and baptisms will take place during the 9:30 a.m. worship service, following which the new members will be honored with a reception by the Woman's Society of Christian Service.

Latter Day

The Lafayette-Orinda Ward of the Church of Jesus Christ of Latter Day Saints, under the direction of Bishop Edmond Y. Wells, is holding services at the Walnut Creek chapel, 2369 Overlook Drive, and at the Veterans' Memorial Building in Lafayette.

Priesthood meetings are at 8:15 a.m. in the Veterans Building every Sunday.

Sunday school is held at 10:25 a.m. in the Walnut Creek chapel and sacrament service is held in Lafayette at 5 p.m. Sunday.

St. Anselm's Church Sponsors Multi-Talents

A "Talents Unlimited" program is being sponsored by the St. Anselm's Episcopal Churchwomen's group of Lafayette as their spring fund raising project.

This is a plan in which all members of St. Anselm's parish can participate by using their individual talents to earn money for the church.

According to the chairman of the program, Mrs. Carl Uhlhorn, the monetary proceeds will be used for diocesan commitments of the Episcopal churchwomen and also to finance the landscaping program of the new St. Anselm's church on Michael Lane.

ASSISTING Mrs. Uhlhorn on the committee are Mrs. John Shaw, president of the E.C.W.; Mr. and Mrs. William Hoyt, Philo LaMarche, Mr. and Mrs. John Martolf and Mrs. Joan Harter.

SOME SUGGESTED services available are tutoring, watering yards and cutting lawns, baby-sitting, baking cookies, cakes and breads; adjusting hems, typing, sewing, knitting, crocheting and other practical services needed in the community. There will be a talent starting party at the parish hall April 9. These talents are a friendly service among neighbors at the Lafayette community and will continue through the end of June.

Presbytery Group Charter Church

The Moraga Valley Presbyterian Church was chartered by a commission of San Francisco Presbytery last Sunday in a colorful service in which a congratulatory statement by Dr. Eugene Carson Blake, stated clerk of the Presbyterian general assembly, was read.

Elders elected and installed at the services were Messrs.: Floyd Biere, David Clapp Jr., Rex Collings, Clinton Cooper, George Driscoll, Raymond Fish, Ellisworth Meter, Albert Mohrmann, Loren Mowrey, Fredric Nielsen, Robert Oakes, James Roberts, Clyde Spinks, Herbert Young.

Community Church Presents Cantata 'Seven Last Words'

The public is invited to hear the presentation of "The Seven Last Words," a musical cantata by Theodore DuBois, on Palm Sunday at 4 p.m. in the sanctuary of the Orinda Community Church, Irwin Way.

The combined choir of 40 voices and orchestra of 17 pieces will be directed by Donald Hartzell, minister of music for the Orinda Community Church, and will have Lois Flenner as concert mistress. Guest soloists will be Helen Holzinger, soprano; Robert Pierrre, tenor, and Dan Taft, baritone.

Committees under the leadership of Bill Brunk, president of the choir, include: Publicity, Jean Watkins, Martha Atkins, Mildred Twining, Mary Grah; staging crew, George Darby, Lee Atkins, Bill Brunk, Lionel Viales; programs, Ken Courtright, Edith Breed, Nanna Hattell; nursery, Rose Van Dyke.

Members of the Pilgrim choir, which is made up of high school students, who will usher include: Anne Clyatt, Emi Grah, Lorrie Maehler, Wendy Maehler, Carol McColl, Nancy Roberts, Phil Gardner, Wally Glosser, Dan Weber, Ron Winkler.

Lutheran Class Takes Confirming Vows Sunday

Twenty-seven youngsters will be received into membership with Shepherd of the Valley Lutheran Church, Palm Sunday at the 11 o'clock service. Rev. Albert S. Hidy Jr., pastor, will officiate.

The senior confirmands comprise the largest class in Shepherd of the Valley's history. An informal reception will be held in the parish house following the service.

Those taking vows include Karen Rae Anderson, Scott Robert Babcock, Gregory Philip Fields, Kathleen Mary Germann, Kenneth Roland Germann, Janice Jean Hazelton, Herbert Allen Hofvendahl, Sandra Jo Ivy, Nancy Marie Knollin, Gerald Lane Koch.

Also included are: Philip Lester Kooreman, Lance Lewis Langhorst, Sandra Jean LaRue, Timothy Charles Lowther, Lois Christine Madsen, Bruce Wood Medina, Susan Elizabeth Meyer, Susan Kay Owens, Sheri Elaine Pardini, Timothy Joseph Pardini, Marjorie Lynn Parsons, Christine Diane Romer, Stephan Allan Totten, Julie Ann Wagner, Laurie Jean Withers and Mark Edward Withers.

In the Classroom...

Del Rey: Kites

Spring winds turned the thoughts of Mrs. Andrew's second graders to kites. After group discussion the children expressed their feelings in poetry.

Both Mrs. O'Dea's and Mr. Enjaian's sixth grade classes have been seeing stars, galaxies of them, in their study of the celestial cosmos. One interested group has been busy building a model of our solar system. As a culmination the classes are spending today on a visit to the Morrison Planetarium in San Francisco's Golden Gate Park.

Mrs. Sawyer's kindergarteners greeted Easter vacation with an Easter egg hunt in the kindergarten room and yard. Gay paper eggs were hidden with certain ones carrying a label, "prize". Lucky finders of the eggs so marked were rewarded with chocolate rabbits.

Monstrosity Label For Tax Situation

A "monstrosity" is the word to describe all county-level and below forms of government, Dr. L. E. Carbert, president of the Contra Costa County Taxpayers Association said Tuesday.

He spoke at a meeting of the County Republican Central Committee.

He said, "I am not speaking of city government but rather the numerous forms of district jurisdictions."

"And the citizens of this county, as in the other counties in California are responsible for creating this monster which refuses to die."

Carbert said as many as 15 separate governmental bodies govern some parts of Contra Costa, and each is supported by property taxes.

He added that many people complain that the taxpayer cannot bear any more taxes, but the time of relief will come only when the taxes collected are administered as efficiently as funds which a private business uses.

Carbert is a former University of California professor and economist.

Principal Tells Bank of America Trophy Winners

James A. Lewis, principal of Miramonte high school, has announced the following students as being selected as trophy winners for the Bank of America awards: Richard Miles, science and mathematics; Bill Caldwell, liberal arts; Natalie Hartanov, vocational arts. The criteria for selection of these trophy winners was scholastic achievement, citizenship, service, character and personality.

April 18 these three trophy winners will compete with other trophy winners in their category from Northern Contra Costa and Northern Alameda Counties in a zone competition. Winners in the zone competition will then compete for the San Francisco Bay Area final cash awards. First place award is \$1000; second place award \$500; third place award \$250. In addition, there is a standard award of \$150 that is given to each finalist.

Lewis also identified the following students as Bank of America certificate winners in specific fields of study: Dave Wright, mathematics; Richard Miles, science; Tom Brooks, music; Joan Eberhart, art; Virginia Harper, English; Bill Caldwell, social science; Richard Bagley, foreign language; Jan Lucas, business; Natalie Hartanov, home economics.

Rotarians Hear Talk On Gardens

Jack Schneider of the Orchard Nursery addressed members of the Orinda Rotary Club at their meeting Wednesday noon in the Casa Orinda.

Schneider discussed gardens, gardening aids, garden sprays, and interspersed his talk with jokes of light humor. Tom Horton was program chairman, with Ned deLaveaga, president, conducting the meeting.

Next week H. B. Singh, an international student at the University of California, will be a guest of the Rotary Club. He will give a talk on Burma. Ralph Hall will be program chairman.

Double Run Stops To Draeger Drive

A double bus run to Draeger Drive will stop except for kindergartners through third grades the Monday after Easter vacation.

Rheem School Principal Charles E. Toll told the Moraga School Board Monday that at present an extra run is being taken after the original run to Draeger Drive to pick up 31 students in all grades.

The round trip is one and one half miles between the school and the stop. The expense of the double run has been in addition to the budgeted amount.

Moraga School Construction Is Behind Schedule

Camino Pablo School construction is approximately a month behind schedule.

Rheem School Principal C. E. Toll reported to the Moraga School Board Monday night that as of March 15 progress on Camino Pablo School was delayed due to the weather.

He said that he had asked the inspector for the new school to come to the next board meeting and report on the construction progress.

Toll stated that total job progress on the school was 44 per cent completed at mid-March.

According to Toll, a contract was signed in the latter part of October, 1960, for a seven month construction time or 210 calendar days.

Work commenced on the school approximately November 1. Construction should be completed approximately June 1, said Toll.

Board members were perturbed regarding the delay. "There has been less than normal rainfall," said Rex Collings.

Board President Don Falconer said that construction would be finished "about the end of July" if continued at the present rate.

The board asked Toll to ask the school architect and builder to report also at the next meeting.

Royal Roads to Redistricting Are Numerous

There is more than one royal road to realigning Contra Costa County's supervisorial districts, and one of them may be chosen by supervisors next Tuesday.

County Administrator J. P. McBrien has said he is not committing himself to any single plan, since, "Determination of supervisorial district boundaries affects the representation of county voters and interest groups, and as such is a political and not an administrative matter."

Here are the alternatives suggested by McBrien:

The supervisors can sit down and realign the districts themselves.

They can appoint a citizens committee, with one member from each of the five districts and also special representatives from such groups as the County Taxpayers Association.

They could appoint a redistricting commission, composed of county officials including the assessor, clerk and district attorney. There is pending state legislation which would require each county to set up such a group.

They could request that a study be made by the University of California or the State Department of Finance.

The supervisors at first voted 3-2 against considering redistricting, but Mel Nielsen changed his vote, saying this does not commit him to vote in favor of the redistricting itself.

Nejedly Halts Drug Probe

District Attorney John A. Nejedly announced Monday that he is closing his investigation into alleged abuses in prescribing drugs to welfare cases.

A new list of approved drugs issued by the State Department of Welfare will halt a practice that has been costing Contra Costa County about \$84,000 yearly, Nejedly said.

Up to this time aid to needy children recipients have been able to apply for any type of drug and the cost is borne by the county, he explained.

There has been an increasing number of complaints from druggists that more than half of these prescriptions were for "weight reducers and pep pills," he said.

The new state list of drugs that can be dispensed and then paid for by the county does not contain pep pills or weight reducing pills, Nejedly said.

Any drugs not on the list will not be paid for by the county.

Sheep Bring Him Money!

While most teen-agers are out working on their cars, Mike Giles, Las Lomas High senior, and one as reserve champion in out caring for his 25 sheep, which he keeps pastured near his home.

"For a teen-ager, raising lambs is a blast," he says. "I've made many real good friends in the shows I have participated in. It's nice to be out in the open, in the sunshine with my sheep. And I make money too."

MIKE STARTED off with 12 baby chickens that he became interested in while baby sitting his little brother. He ended up with a hundred chickens and went from there to a steer and then to sheep raising.

"I never bought a car," Mike says "because I always wanted to invest more in my sheep. Now, I have a good part of my college expenses saved."

Mike has been accepted at California Polytechnic Institute where he will study agriculture. He would like to be a cattle buyer or a vocational teacher or rancher.

And he is well on his way to success in his chosen field. Last year at the Cow Palace in the Junior Grand National, he took first prize with a pen of three Dorset Fat Lambs.

IN THE Junior Grand National last year, with the four lambs

he entered, he won with three, in the top ten out of 200 lambs. He has won the Gold Seal (top regional award of 4-H Club) twice; has won the county beef award, and the Boys' Agriculture Award (variety) of 4-H.

This week he is attending the Junior Grand National at the Cow Palace where his sheep are entered and he is trying for a scholastic award.

Other Las Lomas students who share Mike's enthusiasm for agricultural hobbies are John Chad-dock, Porter Harris, Dick Weir, Bob Craig, Jean Grace, Tom Daniels and Jean Bolger.

Reach State Semi-Finals

Eight students from Miramonte high school have been declared semi-finalists in competition for the 1960-61 California State Scholarships.

The students are: Steve Mullin, Borden Wilmar, Philip Stevens, Richard Bagley, Jim Gibbs, Suzanne Arighi, Barbara Bergen, Edward Graham.

The students qualified on the basis of scores received on the College Entrance Examination. Final selection will be based on academic record and demonstrated financial need.

The scholarships are awarded as tuition grants up to \$900 and are renewable each year in college if satisfactory grades are maintained.

Respiratory Ills---How Prevalent?

Program and budget planning at the Contra Costa TB & Health Association for the new fiscal year recently took place at the association office in Pleasant Hill.

Plans for the new year include a research project to determine the extent of chronic respiratory diseases in the county.

In charge of the survey will be Dr. Samuel French of University of California Hospital, San Francisco.

THE STUDY is being conducted to determine the number of other respiratory diseases or diseases of the chest are prevalent in this county.

Follow-up studies will point the way for association work on the most prevalent chest diseases and the common cold—all of these diseases have relationship to and implications for the TB patient.

Plans for professional education for the coming year include a Contra Costa Fellowship program to assist physicians in diagnosis of TB and other chest diseases, assistance with a nurse's workshop and a school health workshop.

Also being offered is a Science Writer's fellowship.

MONIES were also set aside to assist TB patients in retraining for other jobs or in completion of basic education.

Contributions are made each year to the State TB Association to aid in medical research being carried on in California.

Other activities carried on each year include radio and television education, assistance in public education through pamphlets, posters, teaching materials and assistance in casefinding and follow-up, according to Mrs. Edythe Connelly, executive director.

Representatives of three Councils of Churches—Central Contra Costa, Richmond and Berkeley—will meet in Berkeley at noon today to organize a Protestant Committee on Scouting.

Temporary Chairman for the luncheon meeting at 2137 Center Street, is Dr. John Hadsel, director of Westminster House Presbyterian Student Center.

Representatives have been appointed from their respective Councils of Churches by the Reverend H. B. Schaeffer of Berkeley, The Reverend Gerald Lowe of Richmond, and Dr. Philip J. Daunt, Concord.

The purpose of the Protestant Committee on Scouting is to provide a ministry to the Scouts who are Protestant.

It is organized through joint action between the Mt. Diablo Boy Scout Council and the Protestant churches.

Functions of the Protestant Committee are, briefly, to administer and promote the God and Country Award in all Protestant Churches, provide for chaplain service and religious observances at Scout camps and other events.

And promote the observance of Boy Scout Sunday in all Protestant Churches, to interpret for the churches Scouting as a part of the on-going program of the churches for children and young people, and to serve as a medium for clearing all relationship between the Protestant churches and the local Boy Scout Council.

Summer Program Will Have Career Exploration

Applications will be available April 3 for the Career Exploration Course of the summer school program in the Acalanes High School District.

Offered last year as a pilot program, this course proved so successful that it is being offered this year to sophomores and juniors in the high schools of the district.

The Career Exploration Course is designed to assist students to decide their future vocations by practical experience in various jobs and professions. Summer school credit will be earned while the student obtains realistic evaluation of his contemplated career.

A CITIZENS Advisory Committee composed of community leaders will work closely with Mrs. Betty Chilson, coordinator of the program, to secure job openings in the area.

Mrs. Chilton started the program as a community sponsored project two years ago. Last year a pilot program was operated at Miramonte High School as part of the summer school program of the Acalanes High School District.

This was so successful that the Career Exploration Course is being offered this year to all high schools in the district.

"STUDENTS are invited to make application in any field in which they are interested, and we will supply a worthwhile experience," Mrs. Chilton declared today.

"Close supervision will assure that each student will receive a realistic experience upon which to make decisions as to his future

career."

Students may make application for the course at the counseling office of each high school during the month of April. Enrollment will be limited to 50 students.

Victor Borge Will Return

Victor Borge will return to the War Memorial Opera House, San Francisco, April 7 and 8 for two performances.

Tickets are now on sale at the Curran box office, San Francisco. This new Victor Borge offering received high praise from the critics.

Missing Oinda Girl Is Found

Found March 17 in Oakland by Oakland police, 16 years old Sara Shannon was returned to the home of her aunt and uncle, Mr. and Mrs. Gerald Clark of Orinda.

According to the sheriff's report, on March 12 Sara left a note in the Clark home saying that she was leaving, took a taxi to Oakland and disappeared.

Gentlemen: Consider Our Athletic Program

To the Board of Trustees of the Acalanes High School District and Superintendent of Schools Neil Parsons:

Gentlemen: We are concerned about the recent announcement of the Board of Governors of the Foothill Athletic League concerning revised athletic schedules for 1961.

We are concerned because we feel that perhaps many youngsters will be deprived of an opportunity to participate in some healthy, competitive sports which could benefit them for the rest of their lives.

According to the new league ruling, the number of varsity games will be reduced in baseball, basketball, wrestling, swimming and track.

THE JUNIOR varsity games are to be curtailed even more, and in many sports, such as wrestling, golf or tennis, no freshmen, jayvee or "B" teams will be recognized. In essence, the only freshman sport recognized is frosh football.

The principals, who compose the board of governors, have stated that they believe there is a need for balance between the educational and extra curricular activities, and that there were too many students losing class time to travel to games.

They also said that there were some problems of transportation and that in some cases, students might neglect school work after getting home late from games or practice.

WE WOULD LIKE to take issue with the principals. In the first place, they are eliminating, or drastically curtailing the minor sports, not the major ones.

These are the sports which usually enable to smaller youngsters to participate in healthy competitive situations. Tennis and golf, for instance, have always been considered fine games. They require coordination, primarily, not size.

But the board continues freshman football. It is also stated that freshmen can make the jayvee teams if they are good enough.

We do not believe that this is consistent. What they are saying is, if the youngster is good enough to be jayvee material, ok, but if not, he doesn't play. It also seems inconsistent to say, ok, you can play football, but not golf, tennis or wrestling.

THIS REALLY doesn't make sense. We feel that the board is evidently trying

ing to remedy some existing ills, or perhaps to guard against future ones, but they have never made this clear. Have there been abuses? We have not been told of them.

We agree about a balanced intellectual and athletic program, but you can also go overboard in favor of the intellectual side... you can de-emphasize sports too much. And you can do this to the detriment of a majority of youngsters and still not penalize the "star" athlete.

It is just as bad to deny some of the youngsters the chance to develop, strong bodies as it is to deny them the right to develop their minds.

It would seem that the main goal should be to obtain the maximum participation in sports by as many as possible, not just reserve it for the few. And this program doesn't seem designed toward that end.

IT SEEMS THAT you want just a few people on these teams, because that is what you are going to end up with.

And then consider track. The board has, in effect, given this sport the go-ahead. The coaches can have as many Saturday meets as they please. But golf and tennis, which people will continue to play all their lives, have been reduced.

Perhaps some of these schedules should be reduced, but it appears as if some of the sports—and much of the opportunity—are being reduced practically to the vanishing point.

Let's also consider the fact that apparently some of these youngsters are suffering because they are taking both required physical education courses and participating in an athletic program. We feel that perhaps this should be investigated. But we would like to ask a question. When this happens, isn't it primarily in the major sports, which have been curtailed very little, and not in the minor sports which have suffered?

WE SEE NO reason, for instance, why freshman basketball should be eliminated.

We suggest that you gentlemen gather with the principals and work this thing out, now, while there is still time before the fall season begins.

We would also suggest that you consult with the athletic directors, who certainly have opinions on this subject.

We think that this is the time to act. Sincerely,
THE SUN

Morality as Well as Money Is Our Problem too...

"... We don't have to put a public premium on immortality with loose living and support it with public funds."

This statement by Thomas Douglas, Orange County welfare director, summarizes one of the attitudes toward the existing Aid to Needy Children program as carried out by the state and the federal government.

Our own district attorney, John Nejedly, has come out with strong opposition to the present requirement that ANC funds cannot be given to a family where the father is present. That is, he must have either deserted the family or formally left his wife before the family is eligible for ANC funds.

AND THIS WORKS in reverse, also. Although it seldom happens this way, the mother can abandon the family thus fulfilling the requirements for aid.

Nejedly has pointed out that this requirement leads to wholesale immorality by simply forcing the breakup of the basic family unit.

Furthermore, this requirement is a part of the law which is supported by public funds. Therefore, we, as taxpayers, who pay the welfare bill, are actually subsidizing a situation that encourages immorality.

THERE IS STRONG support for Nejedly and his point of view from Congressman John Baldwin. The results of a poll taken by Baldwin in this area also show that most residents here favor changing the law so that ANC funds can be given to a family where both parents are present.

We concur in this. The ANC program costs millions of dollars per year. Speak-

ing only from the economic basis, we would be better off to keep the family together and hope to get it started again, as a family unit, on the road to self sufficiency.

Where the family is destroyed, the economic outlook is dim indeed, and illegitimate children which are born simply become an additional burden to the taxpayer.

BUT OUR RESPONSIBILITY is not limited to a financial approach. As responsible citizens and residents of this area, we have the moral obligation to help people who are less fortunate than ourselves.

The way the present legislation is written, we are contributing to the ruin of the morals of whole sections of our population.

We should have a moral concern for their welfare as well as a financial concern.

Nejedly is to be commended for his work in presenting the facts of the ANC problem, and our legislators should proceed to act upon the results of his investigation, which certainly spreads much further than the boundaries of Contra Costa County.

The ramifications extend throughout the state and, actually, throughout the nation because federal funds comprise a large portion of each ANC payment.

We agree with Mr. Douglas that you cannot legislate morality. But we also agree with Nejedly... that supporting immorality is a far worse thing, and that way lies little hope for the rehabilitation of thousands of unfortunate people.

Kite Flying Is Fun, and It Can Be Safe Fun, Too...

Those nice spring days are here again, and those gentle spring breezes come right along with them.

That brings out the old kite-flying instinct in youngsters, and often in the parents too!

Kite flying is fun, but it is not without its attendant dangers. Safety with kites is easily achieved, if you will just follow

a few simple rules.
NEVER FLY a kite with metal in the frame or tails.
Never use tinsel-string, wire or any twine with metal in it.
Never fly a kite in the rain.
Never pull on the string or climb a pole to loosen a snagged kite.
Never fly a kite over a TV or radio aerial.

PUBLICITY

publicity chairman, Mrs. Howard Weeks of Diablo Nile Club No. 8.

Your publicity has made it possible for us to turn in a goodly sum to the temple's convalescent relief, funds which will go toward the purchase of braces, crutches, special shoes, artificial limbs for patients in Shriners' hospitals for crippled children in the United States,

Canada, Hawaii and Mexico.

Sewing units such as our Nile clubs also furnish articles of clothing, toys, games and any items that may be required for the patients.

Your interest in informing your subscribers of our philanthropic work is greatly appreciated.

MRS. JOHN W. KIRBY

Letters to The Editor

CAREER COURSES

Dear Editor:

I enclose material on the Career Exploration Course of the Acalanes High School District summer school program. This is a course which has been offered for the last two years in Miramonte High School and is being expanded this year to all four high schools of the district. The first year the program was sponsored by the community, and last year it was a pilot program of the district summer school.

Leaders in the communities of Orinda, Lafayette and Walnut Creek will serve on a Citizens Advisory Committee to secure job opportunities requested by high school students as tentative career choices.

Mrs. Betty Chilton will continue to serve as coordinator of the program and will work closely with students and employers to insure a realistic experience for each participating student.

WE KNOW of your interest in providing opportunities for summer jobs for the high school students. We feel that this course affords the greatest possible long-range benefit by enabling the student to learn first hand the wisdom of his contemplated career.

In order to insure the most educational value, the student is not expected to produce a set amount of work. Therefore, the course provides summer school credit but no monetary compensation. However, in many cases students have continued in the jobs after the summer school period and have then received the regular rate of pay.

APPLICATIONS will be available to students during the month of April. Since we wish to reach parents and students of all three communities with our story this year, we would greatly appreciate any cooperation which you can give us.

Last year on April 15 you featured this program in an editorial and expressed the hope that it might be expanded to students in all the communities. We are happy to be able to tell you that this hope is now realized.

MRS. RICHARD LELAND.

MORE DOLLS

Dear Editor:

As spokesman for the group to be called henceforth "The Doll Workers" but known for many years as "Dollies, Inc.," we wish to offer our most sincere thanks to the many people who helped with our Christmas dolls last year.

Thanks to those whose names we know and to those who served anonymously; to those who harbored our collection barrels and to those who displayed our posters and printed news articles for us and about us; to those who sewed and to those who scrubbed; to those who gave dolls and to those who gave time; to our local Volunteer Bureau and Christmas Bureau who were of invaluable help to us in many ways.

Without the help of every one of these people, Christmas would have been just another day to over 300 little girls.

Last Christmas our beautifully restored and dressed dolls were distributed to the following groups and areas:

Christmas Bureau in Walnut Creek, Mental Health Agencies, County Hospital, Salvation Army, and to needy families in Martinez, Pittsburg and Brentwood.

Our 1961 campaign is starting now and anyone interested in helping "The Doll Workers" or seeking more information is invited to call Alyce Perlmutter at YE 4-3138 or Bobby Pricer at CL 4-8520.

MRS. B. A. PRICER
MRS. NORMAN
PERLMUTTER

APPRECIATION

Dear Editor:

This is to express our very great appreciation to you and your staff for your recent excellent article on our organization and its services.

The reporter, in our judgment, is to be especially commended for having been able, on the basis of a relatively brief interview, to so ably synthesize and so clearly present this complex material.

Please be assured that this is no idle comment, since a reporter from one of the large San Francisco dailies who once undertook a similar job found the task insurmountable within any practical limits.

Again, our compliments and our thanks.

JACK F. LITTLE, Ph.D.,
President Institute of Social and Personal Relations

Under The Sun Come Away With Me For A Fast Tour of Panama

By HERMAN SILVERMAN

"How did you like Panama?"

I've been asked this since returning several weeks ago from a press trip to "Operation Solidarity"—U.S. Army-Air Force-Navy maneuvers in Panama.

The Answer: Panama is delightful.

I'm now an "expert" on Panama, having been there four days. I'm contemplating writing several books on Panama, so as to share with the world my extensive knowledge of this small nation.

The Republic of Panama is fun and interesting. But, as your travel agent, I wouldn't advise making a trip solely to Panama. However, I do know a couple who just returned from a S.F.-to-Panama freighter cruise and thoroughly enjoyed it. A trip through the Caribbean or to South America could very well include Panama. Of course, a ship trip through the Canal will permit you to see some of Panama—if you look the right places.

Sightseeing from the Hilton

I talked to cruise passengers at the Panama Hilton whose sole knowledge of Panama was from the Hotel's swimming pool, night club and gambling casino on the roof. This part of Panama City is a "better-to-rich" section and they could not believe stories of the poverty prevalent elsewhere.

Incidentally, the gambling casino, run by the Hilton under government "supervision," is very small and the only one in Panama. Wasn't very exciting—but I wasn't losing hundreds of dollars, as were some of the Americans and obviously wealthy Panamanians.

The main shopping center in Panama City, which borders the 10-mile-wide Canal Zone, is very American. You'll find stores packed with American goods, plus intriguing stuff from all over the world—cameras, French perfume, Indian saris, Japanese dolls and tape recorders, Hong Kong linen, Mexican leather goods and Swiss watches.

Look at these prices

Panama is a free port and goods are shipped and trans-shipped from there. A tremendous business is liquor—\$1.67 for Canadian Club or V.O.; \$2 for Haig and Haig and all scotches; \$3 for 10-year-old Cognac. Every liquor or wine in the world is available. Liquor as well as foreign goods is delivered to your departing plane or ship from "tax free zone" warehouses to save you substantial taxes and duties.

Other than for shopping, the Americanized areas are rather uninteresting. Only when you walk seven blocks into the old part of town do you see a "foreign country."

Beautiful old cathedral with its gold altar... 36 inch sidewalks and very narrow Spanish streets... lovely plazas with statues and benches and flowers... the old sea wall and the prison underneath where the tide would drown the prisoners... Caribbean and Spanish Colonial buildings flush with the sidewalk with garden inside... tin shacks and tiny apartments and upstairs rooms housing thousands of people... other thousands of squatters using any kind of shack shelter... the beautiful Bay of Panama with its islands and fishing craft, the grey-white President's palace with the friendly guards around it.

We walked into this palace and a young guard wanted to know if we wanted to see the President! I think he misunderstood what we had said.

We visited Panama Viejo—the ruins of the first Panama City, which was sacked and burned by Pirate Henry Morgan in 1671.

P.F.C. Gary Quinliven from San Rafael drove me 20 miles through the rolling country side to Charara. We had a beer at the corner bar and could see a UNICEF car in front of the hospital. We then drove into a jungle area—the dense, thick, seemingly impossible riot of shrubs, vines and trees. Cobras are at home here.

We drove to the Miraflores Locks and saw four ships lifted from the Pacific to the Canal going through two sets of locks. This process is amazingly simple but so ingenious it's hard to believe. It's amazing to see two ships raised by water 54 feet.

Driving across the Isthmus

Driving to Colon on the Atlantic Ocean side of the Canal, we saw Madden Lake, rivers that feed the Canal, and giant Gatun Lake, second largest man-made lake in the world.

Colon, on the Atlantic side of the Canal, was more interesting than Panama City. Colon was strictly Spanish-Caribbean Colonial, and had lots of color and foreignness, if there is such a word.

You follow the same health rules in Panama as you do in Mexico, except the water in Panama City is okay because it comes from the U.S. Zone.

Panama is different from Mexico in several ways. Much of the population is negro, originating in the Caribbean Islands and other places. They are all different shades. Then, as in Mexico, there are the Spanish, the mixtures and the Indians.

Living is more expensive in Panama than in Mexico, primarily because the "Balboa" is equal to our dollar. There is no differential in exchange. In fact, they use U.S. paper money as their own; U.S. currency and coin predominates. This makes it very expensive for the people.

Another reason for the great American influence and cost of living is the Canal Zone, the many U.S. bases and the thousands of U.S. citizens receiving U.S. pay and living in the U.S. manner.

This certainly causes many problems in Panama-U.S. relations. As a Panamanian receiving \$20 or \$40 a month, how would you feel about U.S. citizens living in excellent U.S. housing, buying at U.S. stores filled with U.S. goods at very low prices. U.S. people spend lots of money—and a great hunk of your property (Canal Zone) in U.S. hands?

But the people I met were friendly. They will always smile back at your "Buenos Dias" or "Buenos Tarde."

Operation Friendship

Incidentally, the U.S. armed forces in Panama are doing a good job with "Operation Friendship," a program to help needy Panamanians and a way of getting to know them better.

But back to travel. Bordering Colon is the zone city of Cristobal, but we had little time to see it. We had only a few hours before catching the Panama Railroad to cross the Isthmus from the Atlantic to the Pacific.

This 80-minute expedition took us along the canal for many miles. It was a beautiful trip through jungle and forests, across lakes and rivers.

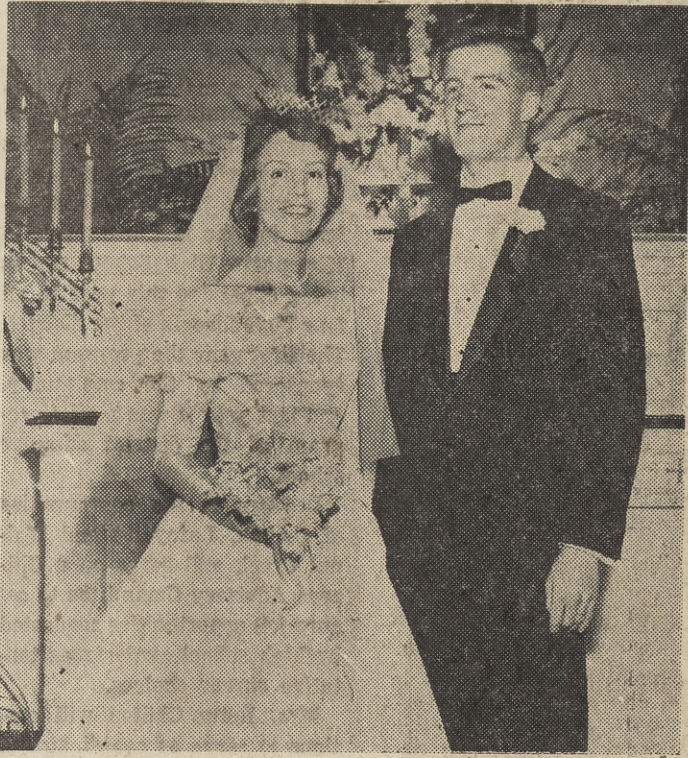

The weather? This is Panama's winter and dry season. January through April is the best season. It is much hotter and very rainy other months, and yet it was in the eighties and mighty warm during the day. It is tropical warm weather but the trade winds make it comfortable.

I wish I could report on life in the interior or on San Blas Island, but I wasn't there.

Weddings, Engagements Announce Coming of Spring With Gladness

ANNOUNCING their engagement are Penelope (Penny) Tharsing of Walnut Creek and Arthur (Art) Delery also of Walnut Creek. The couple plans an autumn wedding.

CARLTON E. Thomas of Orinda, recently wed Anne Todd of Wyandotte, Michigan in a January 28 ceremony in Ypsilanti, Michigan. Mr. and Mrs. Clyde Thomas of Orinda, parents of the groom attended the ceremony.

NEWLYWEDS Mr. and Mrs. Frederick Denhart were married February 11 at the Orinda Community Church and will live in Orinda after returning from a Monterey honeymoon.

LYNNE HENRIETTA and John Cadwell recently announced their engagement on the bride-elect's birthday at a dessert given by her parents and at a tea. A Christmas wedding is being planned.

Betrothed Tells News Three Times

Engagement news was thrice told by Lynne Henrietta of Lafayette of her engagement to John Cadwell of Lafayette.

Lynne passed a traditional box of candy to her Alpha Phi sorority sisters February 20, which was also the bride-elect's birthday; at a dessert for family friends on February 26 given by the parents of the engaged girl the news was announced. The third occasion for the announcement was a tea for the young feminine friends of Lynne on March 5.

Lynne is the daughter of Mr. and Mrs. John Gordon Henrietta of Lafayette and the granddaughter of the Jack Mesquits of Oakland and the niece of Cecil D. Henrietta of Piedmont.

She graduated from Acalanes high school and will graduate in June from the University of California at Berkeley.

Her fiancé, John, is the son of Mary Cadwell Wiborg of Lafayette. He graduated from Acalanes high school and Oregon State College. He affiliated with Pi Gamma Delta fraternity.

John is the grandson of the M. D. Cadwells of Oakland.

During high school, John lettered in football, basketball, track and baseball. He played football and was on the track team in college.

He was drafted by the Dallas Texan American football league and will play this coming fall with this team. After pursuing some professional football he will follow a business career. He majored in business administration in college.

Carlton Thomas Takes Nuptial Vows in East

Married in Ypsilanti, Michigan, on January 28 was the son of Mr. and Mrs. Clyde Thomas of Orinda, Carlton E. Thomas, to Anne Todd, daughter of Mr. and Mrs. Alfred Todd of Wyandotte, Michigan.

The parents of the groom attended the 7 p.m. double ring ceremony held at the First Baptist Church and performed by Reverend Claremont E. Hoelt.

The bride, given away by her father, was gown in white, softly pleated, long sleeved taffeta with a floor length chapel train. The scalloped bertha collar was of re-embroidered lace. She wore a crown of seed pearls with a fingertip veil.

Her flowers were shaped into a heart of roses and carnations with an orchid in the center.

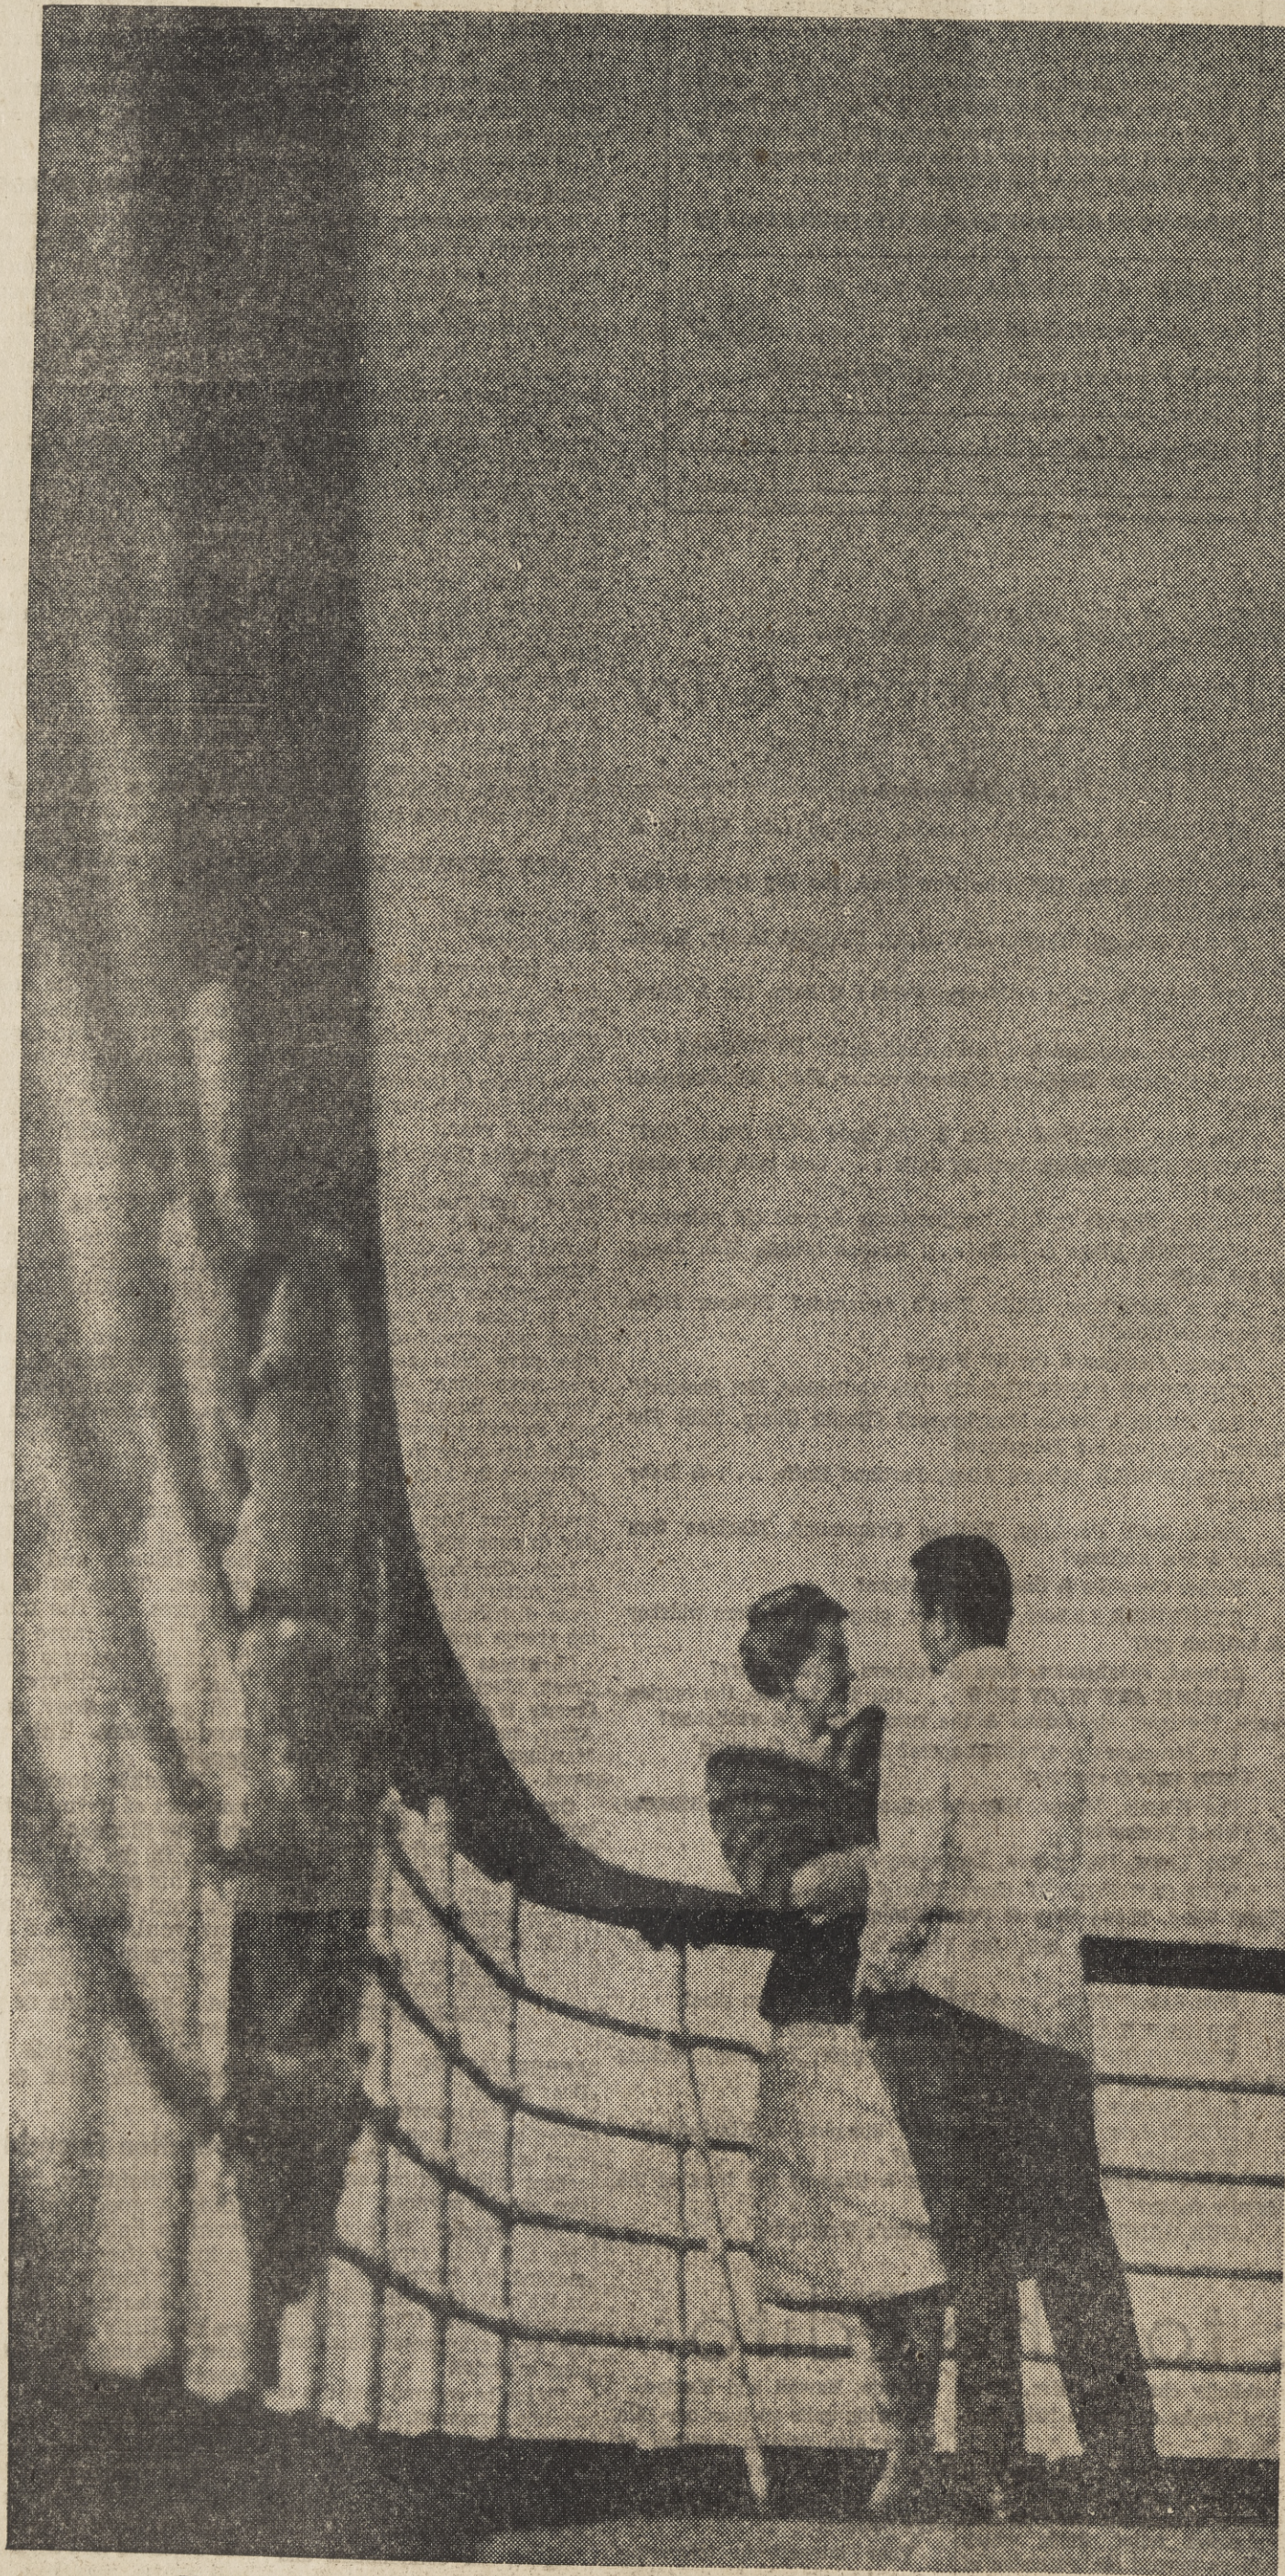

Maid of honor was Anne Benjamin of Wyandotte, who wore persian blue taffeta with matching headpiece and shoes and carried a white muff with a sweetheart rose corsage attached.

The groom's mother wore a turquoise sheath with white accessories and a cymbidium orchid.

The mother of the bride wore a beige brocade suit with green accessories and a cymbidium orchid corsage.

Nieces of the bride, Kathleen and Valerie Todd, were flower girls and wore aqua taffeta dresses with persian blue sashes and cummerbunds, headpieces and carried white muffs with sweetheart roses.

A close friend of the groom, Paul Emler of New Jersey, was best man. Usher duties were performed by Robert Todd, Jerry Todds, James Todd, all brothers of the bride, and Samuel Cline.

ANNOUNCING THE SPRINGTIME SUBURBIA SEA PARTY TO HAWAII

Join the congenial group from our community sailing round-trip to Hawaii aboard Matson's LURLINE and MATSONIA at tremendous savings!

Tour cost includes: Matson luxury liner private-bath accommodations...special champagne party...lei greeting in Hawaii...deluxe accommodations at Hawaiian Village Hotel on Waikiki Beach...Malihini cocktail reception...choice of one sightseeing tour...limousine service to and from the ship. PH Club Women Convene

At the March 13 meeting of the Pleasant Hill Women's Club, chairmen for the luncheon-bridge to be held tomorrow were named, a nominating committee selected, a delegate to convention named and dates for a rummage sale announced. President Mrs. Dorothea Damgaard presided.

Ways and means chairman Mrs. Betty Rettig, general chairman of the bridge and luncheon to be held at 12 noon at the Walnut Creek Women's Club, Lincoln Avenue, announced the following committees: Mrs. Gene Jachens, menu; Mrs. Frances Packman, tallies; Mrs. Lou Newman, prizes; Mrs. Lilian Flinchbaugh, cards; Mrs. Damgaard, Mrs. Virginia Sloan and Mrs. Joann McLaughlin, decorations—the decor will carry out the Hawaiian theme, and Mrs. Sidney Dullitz, tickets.

A special feature will be entertainment by a group of local residents, the "Kamaaina's," presenting Hawaiian dances under the direction of Mrs. Joseph Bronson, Walnut Creek. Mrs. Bronson has taught hula in the East and locally and is in her third year with the Walnut Creek Recreation Department.

President Dumgaard will attend the Mt. Diablo District Convention to be held in Lodi April 11 through 13. Those wishing to attend may contact her for reservations at YE 4-8622.

Closing the money-raising activities of the club year will be a rummage sale May 5 and 6, Mrs. Rettig announced.

Mrs. Marion Carstens and Mrs. Damgaard will serve as co-chairmen of a Christmas bazaar to be held in the fall.

The bridge section will meet Monday at 8 p.m. at the Charlton Drive home of Mrs. Jachens in Pleasant Hill.

Orinda Woman Assists at Show

Mrs. Earl Rutherford of Orinda assisted with the arrangement of perfume and jewelry for the Laurel Branch of the Children's Hospital of the East Bay fashion show and luncheon held at the Sequoyah Country Club recently. A St. Patrick's Day theme prevailed.

Towhees Plan Flower Workshop

The Towhee Unit of the Mt. Diablo Therapy Center will meet March 21 at Mrs. Gerald Ball's home, 240 Pickering Place, Walnut Creek. Co-hostess will be Mrs. J. Abell, Pleasant Hill.

The members will discuss plans for their "Flower Workshop" to be held at the Alamo Women's Club April 25 at 10 a.m.

Mrs. J. W. Fletcher White, Diablo, chairman, announced that Velma Langdon, Moraga, will lecture and demonstrate the ABC's of flower arranging. She will be assisted in making the spring floral arrangements by some of her students.

Serving on various committees in connection with the workshop will be Mrs. Norman Betaque, Alamo; Mrs. Alan Scott and Mrs. Rix Maurer, Walnut Creek.

Alphas Place 'Accent on You' At Fashion Show

To aid the Contra Costa County Council for the Retarded, members of Alpha Lambda Chapter of Omega Nu plan a fashion show-luncheon at the Orinda Country Club, March 25.

The theme is "Accent on You." Those attending will view the newest fashions, furnished by Virginia Hammond, Orinda, at the Orinda Country Club.

No public funds are available to the Council for the Retarded and it must be aided through benefits of this type. The council supports the Lynn Pre-School for Retarded Children and the Lynn Training Center.

Anyone desiring to attend "Accent on You" should call Mrs. Robert M. Whalen, YE 5-1888.

Mrs. J. R. Quinn Is Vice-President

Recently elected as vice president of the Gamma Phi Beta Mothers' Club is Mrs. J. R. Quinn of Orinda.

The group plans their annual spring luncheon and fashion show on May 11, the theme being "Under the Pink Umbrella."

Flamingos Tell March 14 Floral Show Winners

Floral arrangement winners at the Flamingos Floral Arrangement Tea and Fashion Show held March 14 were announced by Mrs. Charles Webb, general chairman.

Sweepstake prize winner was in the "Symphony in Song" division with the Montclair Women's Clubs. Mrs. Marshall Boyd arranging the entry.

In the "Madonna" division, Mrs. W. C. Judge, arranging for the Orinda Garden Club, won.

Winner of the "Reflections of Italy" division was Kaweah Guild-John Muir Hospital; the entry was arranged by Mrs. F. M. Silsley.

The popular vote winners in each of the divisions were: "Reflections of Italy," Mrs. Jack Simpson, Orinda AAUW; "Madonna," Mrs. G. F. Palmer, Lark Unit MDTC; "Symphony in Song," Mrs. O. T. Buffalow, Tanager Unit MDTC.

Walnut Creek Couple Wed in Nuptial Rites

February 18 Verna Joyce Abbie and Dudley Robert Deleray took their marriage vows at the Walnut Creek Presbyterian Church in a ceremony officiated by Reverend David Beam-er of the San Leandro Bethel Presbyterian Church.

Verna is the daughter of Mr. and Mrs. A. G. Abbie of Walnut Creek. Robert is the son of Mr. and Mrs. D. E. Deleray of Walnut Creek.

A gown of lace over net with long sleeves, sabrina neckline and chapel train was worn by the bride. A crown of pearls held a fingertip veil. Flowers consisted of a bouquet with center pink rose corsage surrounded by white carnations, roses and bouvardia.

Attendants to the bride were: matron of honor, Mrs. Jack Pillsbury, sister of the bride, of Walnut Creek; bridesmaids, Mrs. Vernon Kenley of Concord, Penny Tharsing of Walnut Creek, Sandra Teverbaugh, niece of the bride, of Concord.

Ringbearer was Jerry Teverbaugh, nephew of the bride; flower girl was Cheryl Teverbaugh, the bride's niece.

Attendants were dressed in crayon green outfits with matching accessories. The flower girl wore a pink dress and carried a basket of rose petals.

Best man to the groom was Arthur Deleray, the groom's brother. Usher duties were taken by Burton Norall of Richvale, Vernon Kenley of Concord, Thomas Hofmann of Palo Alto.

Verna was given away in marriage by her father. Music

for the wedding was provided by soloist Mrs. Jack (Beverly) Pillsbury and organist Robert Coslett.

At a reception held in the church parlor, the bride's mother, dressed in blue lace over taffeta with matching accessories, received guests. The mother of the groom greeted guests in beige silk brocade with matching accessories.

Both Verna and Robert graduated from Las Lomas High School. Verna graduated from Merritt Hospital School of Nursing and is presently a surgical nurse at Concord Community Hospital.

Robert graduated from Chico State College this January.

The couple took a honeymoon trip to Lake Tahoe, Reno and Paradise. They are at home on Vernon Street in Oakland.

Mills College Club Meets, Elects Officers

The annual luncheon meeting of the Mt. Diablo Mills College Club was held recently at the home of Mrs. William Hobbs, 811 Topper Lane, Lafayette. Members of the board of governors of the alumnae association were honored guests.

Following the luncheon, the slate of officers for the new year was presented and voted upon. The new officers are: President, Mrs. John MacKenzie of Lafayette, who was elected for a second year; vice-president, Mrs. James Burris, Lafayette; recording secretary, Mrs. William Whalen, Lafayette; treasurer, Mrs. Kenneth Cusick, Lafayette.

MR. AND MRS. Dudley Robert Deleray (Verna Joyce Abbie) were married February 18 at the Walnut Creek Presbyterian Church. They are making their home in Oakland.

Kappas Sponsor Reception 'Kampus Diors' Honors Newlyweds

"Kampus Diors" is the theme for the April 13 fashion show and luncheon to be sponsored by Kappa Delta Mothers Club of the University of California.

Mrs. J. E. Lateana, Lafayette, is chairman of the party.

Mothers met at the chapter house recently to lunch with their daughters and to make plans for the affair which will be held at the KD house in Berkeley.

A wedding reception was held recently for Mr. and Mrs. Dale G. Turner who were married early this year. The bride is the former Marion Sue Mossman, daughter of Mr. and Mrs. Richard H. Mossman of Lafayette who gave the reception for the bridal paid at their home.

17 DAYS --- LEAVES SAN FRANCISCO MAY 10th, RETURNS SAN FRANCISCO MAY 27th

Women in The Sun

'Suddenly It's Spring' Tonight

Legal Secretaries Association, Contra Costa County section district chose "Suddenly It's Spring" to set the mood of their annual dessert and fashion show to be held at the Concord Elks Club at 7:30 p.m. tonight.

Mrs. John Andrew, general chairman of the event, will be assisted by Mesdames Lillian Cooper, Antioch, welcoming; Carmen Sylvester, Pittsburg, dessert; Betty Lou Smith, Lafayette, publicity.

Decorations and table arrangements will follow the Easter-tide theme under the supervision of Diana Garavaglia, Crockett, while Marilyn Simmons, Martinez, is planning the programs.

Tickets may be obtained from Mrs. Dorothy Palotta, Martinez, AC 8-5440, or at the door tonight.

Narrator for the event will be Mrs. Jean Harris, with milady's styles presented by Jean's Casual Corner, Glad Rags and Country Girl, all of Walnut Creek. Men's fashions will be presented by Smario's of Pittsburg.

Spring fashions for the young matrons and career girl will be modeled by Chairman Laura Martin, Pittsburg and Mary Moser, Richmond; Cay Cardinelli, Pittsburg; Patricia Sanders and Marion Jones, Concord, and Noreen Leal, Martinez.

Modeling styles for gentlemen will be Attorneys Joseph Filice, Martinez; David Levy and Richard Saunders, Pittsburg.

Local Navy Wives Participate

Mrs. R. C. Gossom and Mrs. Maxine Pickett, both of Walnut Creek, participated in the March 16 program of the Naval Officers' Wives Club at Treasure Island.

The program consisted of a luncheon and fashion show, "History of Fashions."

Mrs. Gossom was a co-chairman of the event. Mrs. Pickett was commentator for the fashions from Martineau Modiste, a dressmaker in Walnut Creek.

Little Girls Attend Easter Fashion Party

A fashion show for little ladies was presented and sponsored by the Heaven to 11 children's clothes shop of Orinda Village Saturday from 2 to 4 p.m. at Mike Lynn's in Orinda.

The show followed the same pattern as an adult fashion show; however, at the "Petite Easter Fashion Sun Party" little girls from six to 11 attended only. No mothers.

Dressed as for a party, the little ladies were treated to banana splits and favors at the fashion parade. They purchased their own tickets, which were \$1.50 to cover costs only, from the Heaven to 11 shop and will serve as their own models.

Of the 150 girls who attended, 25 of them wore Easter fashions and play clothes from the store. The store selects the clothes and the children will wear them to the party.

This show has been presented three consecutive years, according to Mrs. Russell Patterson, proprietor of the shop. A professional model served as commentator for the fashions. The children were entertained during intermission by a marionette show.

Suburban Women Make Gift Tags

The members of the Lafayette Suburban Woman's Club are making Christmas gift tags from old Christmas cards to aid the Oakland chapter of Cystic Fibrosis.

Mrs. Roger Krueger, chairman for the club, announces these gift tags will be packaged and later sold to raise money for the Cystic Fibrosis fund.

Thrift Shop Opens Doors Thrice Weekly

Looking for a gay Easter bonnet? A tea cart? A good mystery novel? You'll find all these things at the John Muir Memorial Hospital Thrift Shop, 3437 Mt. Diablo Blvd., Lafayette.

In addition you'll find next-to-new clothes for the family, jewelry and a wide assortment of household items including pictures and plants.

Store hours are Thursdays

and Fridays from 10 a.m. to 4 p.m. and Saturdays from 10 a.m. to 2 p.m.

The Women's Auxiliary of the John Muir Memorial Hospital sponsors the thrift shop. Mrs. Bruce Lee of Sierra Guild is chairman.

Sales personnel assisting Mrs. Lee for this week include the Mesdames Harold Morris, Jay Chalfant, John Schacht and J. A. McCarron all of Mariposa Guild; G. W. Owen and John Boles of Tokopah Guild; George Talbott, Yosemite Guild and W. A. Nelson, Sierra Guild. Members of Garnet Guild will also help to staff the store.

All proceeds from the store go directly to the building fund of the hospital.

Country Clubs April Activity Sparks Calendar

April will be full of activity for the Orinda Country Club.

Easter Sunday brings an Easter egg hunt for the children. After the hunt the children will view an animal circus. At six o'clock a buffet dinner is scheduled.

Under the new dance committee, headed by Mr. and Mrs. Joe Downs, plans are being made for a barn dance to take place April 15.

Decorations will transform

Women in The Sun

Janice Parnham Weds Donald Cooper in Orinda

A three o'clock ceremony March 11 at the Orinda Community Church, Orinda, was the time and place for the marriage of the former Janice Carol Parnham of Orinda and Donald Scott Cooper also of Orinda. Daughter of Mr. and Mrs.

George Parnham of Orinda, Janice was given away in marriage by her father in the ceremony officiated by Rev. Chauncy Blossom.

The bridegroom is the son of Mr. and Mrs. Glen Cooper of Orinda.

Maid of honor was Karen Rasmussen; bridesmaids were Judith Howes, Mrs. Ronald (Marjorie) Schneider.

Performing the duties of best man was James Donham. Ushers were Robert Cooper, brother of groom, Eric Gerring and John Phair.

The bride wore a high bodiced white lace crown with blue silk bow. A white veil was held

by a small crown. Attendants wore blue dresses with bell-shaped skirts and carried bouquets of pink carnations.

Barretts Visit

Arizona

Dr. and Mrs. Edmond J. Barrett, Orinda, visited the Arizona Turf Paradise horse race track and were guests in the famous Turf Club. They attended the National Car Rental convention while in Arizona.

The club into a representation of a barn. The hoe-down will be a costume affair.

More Women Join Orinda Newcomers

Members of the Newcomers Club of Orinda are looking forward to their regular monthly meeting April 19.

At that time Eugene Morosoli, field representative of the Central California Wine Advisory Board, will conduct their program at the Concord Inn.

Following his brief talk "Vines in the Sun," he will show a film demonstrating cooking with wine. During lunch, members and their guests will be served various wine samples by courtesy of Digardi's Winery of Martinez.

Fifteen ladies joined the club recently. They are Mesdames Ray Adams, Robert Alvarez, Pat Brady, Lloyd Brown, Marley Darneal, James Halbert, William Hendrickson, Walter Henle, Virgil Hicks, Gerry Ireland, Richard LeGrand, Al Ludlam, E. O. Oas, M. L. Sutter and Richard Westervelt.

Club president, Mrs. Eugene Monroe, extends an invitation to all newcomers to the Orinda area to join our organization and to attend this meeting in particular.

Those who would like more information concerning the club are urged to call Mrs. H. M. Polhamus, CL 4-3444 or Mrs. Blaine Dorsett, CL 4-8785.

Art Judged at District Meeting

At the Mt. Diablo district meeting of the Federated Women's Clubs recently held in Stockton was the judging of paintings submitted by high school seniors from this district.

Mrs. Earl Plescia of the Lafayette Women's Club and district art chairman for the Federated Women's Clubs stated that each district will choose one winner who will compete at state and national level in the Hallmark Art Contest. Two scholarship awards will be given at the national judging.

Jan Miller, Miramonte high school, sponsored by the Orinda Women's Club, won first place in the district judging; Jean Lane, Pittsburg, sponsored by Mt. Diablo Women's Club of Concord, placed second; with Janice Hair, Lafayette, sponsored by the Lafayette Women's Club, receiving a special award.

Mrs. Apgar, an art teacher, Richard Pip with a M.A. degree from the University of California and Roy Mallery, assistant professor of art at University of the Pacific, were the judges.

Chief Crazy Horse's Great-Nephew Speaks

The Women's Club of Walnut Creek will hold their regular luncheon March 28 at 12:30 p.m. Mrs. Sherman Camp, president, will preside.

Following the luncheon, Mrs. Ray Rosel, program chairman, will introduce speaker Randy Steffen. His subject will be "Horses are like some people you know."

Steffen is a great nephew of Chief Crazy Horse and a graduate of Annapolis. He has traveled extensively in the United States and Europe. He specialized in illustrations and articles dealing with the Civil War and was elected to a fellowship in the Company of Military Collectors and Historians.

He is now working to perfect Gold Rush Park in Placer County. The park is a re-creation of 400 years of authentic California.

Hostesses for the day will be the Mesdames Jason Evans, Robert Freeman, James Griswold, D. F. Grasse, Alma Goodloe, Barney Gilbert, H. H. Harmon, Gladys Hawkins, Harry Harding, Sarah Jones and Miss Aileen Hagerety.

Acalanes Pitching 'Untouchable'

Opponents Manage Seven Hits in Three Contests

Acalanes managed to chalk up two more wins and remain undefeated as rain cancelled out most baseball games in the past week.

The Dons subdued previously unbeaten Mt. Diablo, 3-0, last Friday and then trimmed College Park, 6-2, Tuesday.

Three Acalanes pitchers—Brian Allen, Tom Strain and Denny Toll—limited Mt. Diablo to three hits in the game.

STRAIN had a pair of singles and doubles in four times at bat to pace the Dons seven hit attack. He also pitched scoreless baseball in his three inning stint on the mound.

Coach Erwin Mattson used four pitchers against College Park and they limited the Pleasant Hill team to three hits.

Toll, Strain, Allen and John Jones gave up the mound chores for the Dons.

Acalanes only collected six hits, but made the most of them. They scored a single run in the first nning, added three more in the fourth and then posted one in both the fifth and sixth. College Park scored a run in the sixth and one in the seventh.

In their opening game last week against DeAnza, three Don hurlers gave up only one hit.

IN THREE games opponents have managed to score only three runs on seven hits against Acalanes.

Monday at Las Lomas, Pleasant Hill managed to nip the home team, 4-3, with one big inning.

Las Lomas led 1-0 going into the fourth, but the Rams came up with on their runs on singles by Jack Baldassari, Mike Van Bur-en, a pair of walks and a big double by Dave Vandiver.

Las Lomas came close by getting single runs in the fourth and fifth.

THE RAMS had five hits while Las Lomas collected four.

Pleasant Hill wasn't as successful the next day on its home field as Miramonte scored a 7-0 whitewashing.

Only a bad-hop single by Jim Spiker in the final inning saved the Rams from a no-hitter.

BOB WELCH and Bill Kent shared the pitching assignment for the Mats.

Kent went the last three innings and was touched for the lone Pleasant Hill hit with one out in the seventh.

The Mats collected nine hits in the game while the Rams helped

out with eight errors.

Miramonte scored three runs in the third, single runs in the fourth and fifth and finished off its scoring with a pair in the sixth.

John Walker had a double and triple for the Orinda team while Bud Williams cracked out a pair of singles and a double.

Records Tattle in Foothill League

The Las Lomas Knights wrapped up the Foothill Athletic League swimming relays title when they scored 76 points in the meet held at the Acalanes pool last Friday.

Coach Ed Beach's charges set six of nine new marks for the event.

Acalanes and San Ramon tied for the runner-up spot with 59 points, while Miramonte had 43 and Alhambra 40.

In the Bee classification Miramonte, a relatively newcomer to the field, gave promise of future power as they wound up with 81 points to 77 for Las Lomas. Acalanes had 62, San Ramon 25 and Alhambra 24.

First place winners in the varsity events:

100 Sprint—Miramonte 44.3 (meet record).

300 Butterfly—Las Lomas 3:08 (meet record).

600 Free Style—Las Lomas 6:38.4 (meet record).

Diving—Miramonte 136.4 (meet record).

300 Backstroke—Las Lomas 3:14.6 (meet record).

300 Breaststroke—Las Lomas 3:46.8 (meet record).

300 Free Style—Las Lomas 2:50.8 (meet record).

300 Individual Medley—3:24.6 (meet record).

400 Medley (8man)—Las Lomas 3:56.6 (meet record).

400 Free Style—(8 man)—3:25.2, San Ramon.

Gentry Paces PH Track Victory

Most of the track meets, along with other athletic events, were washed out last weekend, but the Pleasant Hill Rams got in a meet on Thursday and posted wins in varsity and Bee divisions against Pacifica.

The varsity score was 86-26.

The meet, run in sporadic rain and continuous mud, found the Rams' Dick Gentry stopping the clocks with a 2:01.9 in the 880 for the best time to date in the East-bay area.

This was his second school record in two weeks. He posted the other in his previous outing with 50.5 in the 440.

First Place Winner

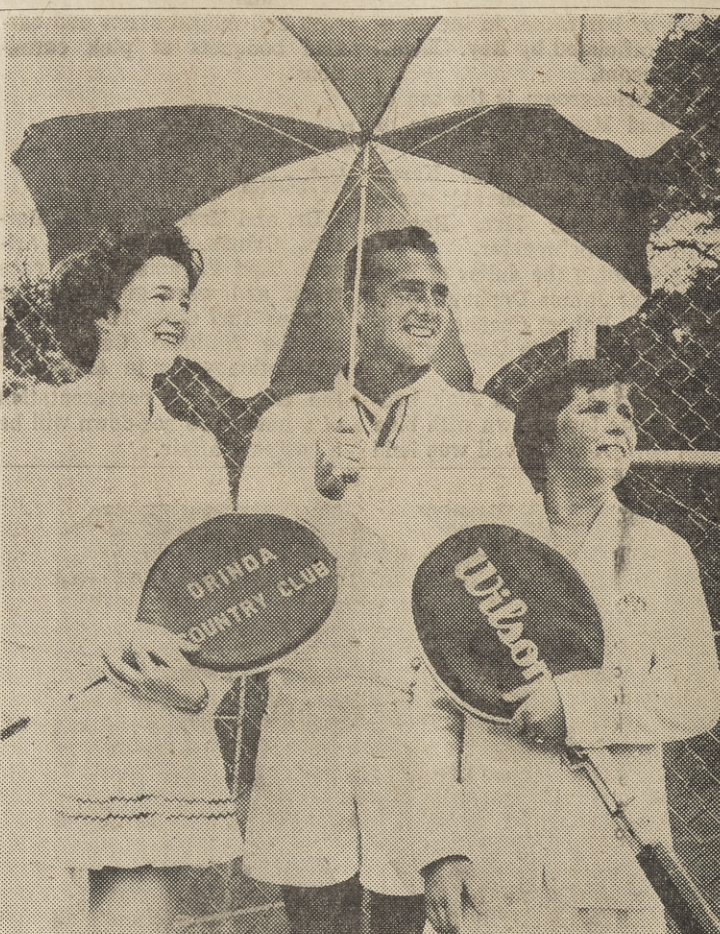

100—McInery (P) 10.3, 220—Kirby (PH) 22.5, 440—Kendler (PH).

880—Gentry (PH) 2:01.9, Mile—Sturman (PH) 5:01, 180 LH—Esslinger (PH) 20.7, 120—HH—Esslinger (PH) 15.4, PV—Hughes (PH) 10.6, HJ—Esslinger (PH) 5.6, BJ—McInery (P) 20.6, Shot put—Bray (PH) 49-3½, Discus—Bray (PH) 135-1, Relay—PH 1:37, Bee score: Pleasant Hill 93, Pacifica 20.

The Rams scored six times in the bottom of the first off Lee Grichuhim, who was relieved before he could retire a batter.

Dennis Carter and Ron Beards-lee finished up for DVC, Carter was K.O'd in the sixth inning when Foothill scored seven times.

Lefthander Stan Hoffacker struck out 13 men and walked only two as he went the route for Foothill.

RAIN, RAIN GO AWAY—Kevin Merrick, tennis professional at Orinda Country Club, hopes this scene isn't repeated tomorrow when the Annual Orinda Junior Tennis Tournament is scheduled to start. With Merrick are Kate Ellis (left) and Lynne Abbes, two of the top entries in their respective classes.

—Sun photo by Mattson.

450 Players Expected In Orinda Net Tourney

The Fourth Annual Orinda Junior Tennis Tournament gets underway tomorrow at the Orinda Country Club at 9 a.m. — if the weatherman cooperates.

Kevin Merrick, tennis professional at the country club, says he expects more than 450 entries for the five day tourney. Last year there were 413 entries.

Included in the entries are the top junior players in Northern California.

The tournament is sanctioned by the United States Lawn Tennis Association and the Northern California Tennis Association.

THE ENTRIES are divided into single and double events in four classes for both boys and girls.

They are: 18 years of age and under, 15 and under, 13 and under and 11 and under. A special class for the young players nine years and under is also a part of the tourney.

The finals will be played at the Orinda Country Club Wednesday starting at 9 a.m.

The preceding matches will be played on the club's courts, St. Mary's College and private courts volunteered by their owners.

Club members also house entrants who travel from more than 30 miles away. Last year more than 100 youngsters took advantage of the member's hospitality. Mrs. Pat Woodward and Mrs. Jackie Moran are in charge of housing this year.

THE PUBLIC is invited to view this top flight tennis. There is no admission charged at any of the local courts where the matches will be played.

Many of last year's defending champions will be back to defend their titles this year.

In the top class, Reed Witt and Nick Hoogs will be out to capture their 1960 title again. The singles champion, Clyde Witt, is too old to compete this year.

IN THE TOP class for girls, Judy Hopkins of Orinda and Ginny Mayne of Lafayette look like the best choice in the doubles. Last year's champs are not back.

Andria Miller of San Carlos is back to defend her title in the singles. She is rated the top player in California for this class. She

will be trying for the 13 and 15 year old titles this year.

MICHELE ABES, who won the round robin title for girls nine and under last year, will be attempting to win her sister's crown in the older bracket this year.

Billy Atkins, the boys 11 year old champ, is moving up to the 13's this year. Eric Van Dillan, runner-up last year, is back for another year.

Other top entries in the tourney include Orinda's Kate Ellis in the 15 and under girls group. She is a Miramonte freshman.

GERRY HOPKINS, ranked 6th in the state, will be competing in the 18 year old class. He is a Miramonte sophomore.

Geoff and Craig Rieser of Orinda are a top entry in the boys 13 year old class. Craig is rated No. 5 in the state.

Terry Epperson of Orinda is another good entry in the girls' 15 year old class.

Merrick, whose idea fostered this tourney, is a University of California graduate. He was a member of the UC Pacific Coast championship team for two years. He now divides his time between the club and teaching at Holy Name School and College.

Formerly he was assistant pro at Claremont Country Club and a teacher at Katherine Brason school for three years.

Charles Schillinsky took five firsts and one second for the Aquabears swim team to highlight the AAU-sanctioned Palo Alto Elks Club Spring Swimming and Diving Meet last week-end.

Peggy Hart took two second places, two thirds, a fourth and a fifth in the 10 and under girls group for the Aquabears.

Peter Schnugg had three seconds finishes, two fourths and a fifth in the boys 10 and under age division.

Henry Chandler took a finished first in the 50-yard butterfly for boys 10 and under.

Susie Schnugg, Margaret Traumer, Doug Duke, Marilee Rocca, Duke Gibbs, Bob Moore

Meschery Drafted By SF Pro Cagers

Tom Meschery, St. Mary's College All-American was one of the two top draft choices of the San Francisco entry in the new American Professional Basketball League.

Bill McClintock of California was the other territorial selection of San Francisco under the system where each of the eight teams was given two selections before the regular player draft began.

The established National Basketball Association (NBA) has not made their player selection yet. As in professional football, the drafted players will have their choice of leagues.

Two other UC players, Earl Schultz and Stan Morrison, were drafted by San Francisco.

Gaels' Star Honored by Alumni

St. Mary's College Alumni Association's Gael Goal Club added its tribute to All-American Tom Meschery by naming him, the team's Most Valuable and Most Inspirational Player.

The presentation was made at the Annual Basketball Awards Dinner last Thursday night.

The club also honored Hamilton Holmes as the most improved player and awarded Gene Womack the traditional Senior Award.

Meschery is now the most honored player in St. Mary's history. His other awards include: Look All-American; Catholic All-American; Player of the Year as chosen by the Northern California sports writers; All-Coast by the United Press International; All Northern California as chosen by the Northern California sports writers; Most Valuable Player in the West Coast Athletic Conference as chosen by the league coaches; Best Player in the West as chosen by the United States Basketball Writers Association.

In addition, he has been selected to play in the Shrine East-West Basketball All-Star game in Kansas City Tuesday.

Warriors Meet SF in Windup

The Walnut Creek Warriors will meet the San Francisco Shamrocks in the playoffs finals of the Northern California Ice Hockey League Sunday at 7 p.m. at the Berkeley Ice land.

The Warriors eliminated Oakland in the first round two weeks ago and San Francisco edged Berkeley 8-7 in overtime last Sunday to gain a berth in the finals.

San Francisco and Walnut Creek finished 1-2 in the regular season standings. The Warriors handed the Shamrocks their only three defeats of the season while losing only once.

Walnut Creek has a winning streak of seven games going at the present. They lost four games in the regular season.

Ladies Win Golf Tourney at DCC

Mrs. John Dozier and Mrs. Charles Kimes took honors in the championship flight in the Diablo Country Club Women's Group tournament held last week.

Runner-ups were Mrs. James Crane and Mrs. Bailey Justice.

Mrs. R. C. Bowman and Mrs. Frank Perry and Mrs. Robert Seeley and Mrs. John Bonner tied for low net scores in the tourney.

Other flight winners were Mesdames K. W. Cannon and E. A. Ballman; Ron Patten and Mrs. B'ho Kirkland; Earl Cannon and John Hudspeht.

Mrs. Lloyd Rossi took Class A honors; Mrs. Robert Allen, Class B, and Mrs. Wallace Larson, Class C.

Local Swimmer Takes 5 Firsts

Charles Schillinsky took five firsts and one second for the Aquabears swim team to highlight the AAU-sanctioned Palo Alto Elks Club Spring Swimming and Diving Meet last week-end.

Peggy Hart took two second places, two thirds, a fourth and a fifth in the 10 and under girls group for the Aquabears.

Peter Schnugg had three seconds finishes, two fourths and a fifth in the boys 10 and under age division.

Henry Chandler took a finished first in the 50-yard butterfly for boys 10 and under.

Susie Schnugg, Margaret Traumer, Doug Duke, Marilee Rocca, Duke Gibbs, Bob Moore

The teams 12-14 boys medley relay team of Gibbs, Howard Grabelle, Bob Schifers and Ed Jochums finished fifth in the 200 yard event.

The relay team of Moore, Schwiers, Garret Wittkopp and Jochums took fourth in the 200 yard freestyle for boys 13 and 14.

The girls' medley relay team of Rocca, Donna Salet, Mary Jacoby and Pat Schwiers finished fifth in the 200 yard event for 13 and 14 year olds.

The next AAU meet for the local team is April 8 and 9 at Freemont.

Meschery Second In WCAC Scoring

Ken Stanley, University of Pacific junior guard, edged Tom Meschery of St. Mary's for the West Coast Athletic Conference individual scoring title by scoring 27 points in the final league game of the season against USF.

Stanley scored 263 points in 12 WCAC games for a 21.9 average, according to official statistics released by the league office this week.

Meschery tallied 259 markers for a 21.6 average.

Ed Bento from Loyola's title winning Lions, finished third in the scoring race with 231 points and a 19.3 average as he, Stanley and Meschery made a run-away of all WCAC individual offensive classifications.

Meschery moved into tenth place among all-time WCAC scorers with 526 points in 33 league games over a three year period. His average of 15.9 points is the fifth best in league history.

Steve Gray of St. Mary's finished fifth in the individual scoring race with 162 points and 13.5 average. Teammate Hamilton Holmes was eighth with 137 points and an 11.4 average.

Meschery was the league leader in field goal accuracy and rebounding and Bento was the WCAC's top man in free throw accuracy.

Meschery, Bento, Stanley and Pepperdine sophomore Harry Dinnell placed among the top 10 in all four offensive classifications in an unusual display of all-around talent.

Meschery established a new single season field goal accuracy mark when he hit on 99 of his 184 efforts for a 53.8 per cent mark. The record was 100 out of 190, set by Santa Clara's Ken Sears when he averaged 52.5 per cent in 1955.

Meschery dominated the rebounding race by pulling down 161 out of 1013 board possibilities for 15.9 per cent of all chances.

Saint Mary's and Santa Clara established new team records for the season.

The Gaels hit on 47.4 per cent of their field goal efforts and Santa Clara limited opponents to only 571 points for a record-breaking 47.6 defensive average.

Viking Golfers Post 2nd Win

The Diablo Valley College golfers posted their second Coast Conference victory of the season Monday, downing Monterey Peninsula College, 9-6, at Monterey.

The Vikings are now 2-1 in league play and 9-2 overall.

Menlo College nipped the Vikes in their first conference match, 9-6, after DVC had posted an impressive 7-1 record in non-league play. San Mateo College, Big Eight Conference member and defending Junior College State Champions, handed the Vikings their other defeat.

There are four conference matches left for the Vikes. They take on Contra Costa College in a non-league contest Monday at 1 p.m. at the Contra Costa Country Club.

The Northern California Inter-collegiate Golf Meet will take place Thursday, Friday and Saturday at Santa Cruz.

Jeff Busby paced the Vikings against Monterey with a 73. He was closely followed by Jack Bouguenne and Steve Lamphere with 76's.

Don Minor carded a 77 and Dennis Gault an 83 to round out the DVC scores.

Hunter Safety Course Starts Next Thursday

The Walnut Creek Sportsman's Club will sponsor another Hunter's Safety Course for youngsters 11 years old and up starting next week.

The first in a series of four lessons will be given Thursday at 7:30 p.m. The class will last two hours. Other lessons will be given each of the following three Wednesday evenings at the same time.

Claude Franklin will be the instructor. He was appointed by the California Department of Fish and Game and certified by the National Rifle Association.

Students who successfully complete the course will be given a certificate that is required to obtain their first hunting license.

Anyone interested in attending should call Franklin at MU 2-8693.

DVC Cagers Earn All-Star Honors

Don Montgomery and Ranie Smith of Diablo Valley College were named to the second team on the Coast Conference All-Star basketball team this week.

The Ski Line

Local Ski Club Grows; Spring Season Is Here!

By HEC HANCOCK

Not only is the Mt. Diablo Ski Club a flourishing organization featuring a congenial group, but it recently demonstrated some newly acquired "ski muscles."

In a three way meet at Soda Springs, the Devil's Mountain group walked off with top honors from competition consisting of The Skoaler Ski Club of San Leandro and the Berkeley Ski Club.

Scoring was based on the aggregate score of the top three men and top two women of each club. Heinz Salfuer led the Mt. Diablo men, while Mildred Dawe of Walnut Creek was the leading woman skier.

Others participating for Mt. Diablo were Howard Beale, Ed Kamlin, and Lee Wellman, all of Walnut Creek.

Pinky Ramirez of Concord assisted the fairer sex, as did Marian Franklin of Lafayette.

Lending moral support was the skiing sign painter of Walnut Creek, Frank Seller.

THE EVENT proved such a success it will now be held on an annual basis.

A suitable trophy will be presented the victors at a Victory Dance.

This is just another milestone in the rapid ascent of the local group.

Although the club was organized nearly 12 years ago, it didn't begin to realize its full potential until last year.

Under the direction of Jack Cook, an engineer residing in Lafayette, and Frank Sellers of Walnut Creek, the group has quickly climbed to a position of prominence in the Bay Area Ski Federation.

In this interval, the club has leased a chalet in Squaw Valley to house its membership.

A surplus building was purchased from Camp Stoneman at Pittsburg and when a suitable building site can be obtained, they will undertake to erect their own building.

A SKI CLUB goes a long way towards solving many of the problems confronting the average skier.

Transportation to and from the slopes can be achieved at a minimal cost through car pools.

Lodge facilities are afforded and instruction for beginners is provided.

However, perhaps the most important contribution is the camaraderie afforded through the association of those with a mutual interest.

There are a number of clubs throughout the Bay Area that can be highly recommended.

For those desiring further information on the Mt. Diablo Club, write Box 512, Concord.

WORD COMES from Ed Siegel of the Sugar Bowl, site of the Pro Race Sunday, that there will be no admission charge for the event. Only the regular charge for the Magic Carpet ride will be in effect. A better bargain is pretty hard to find.

The Sportsmen

Weather Curtails Fishing; Top Boat Had Problems

By LARRY JACKSON

The least said about the fishing along our water fronts after last week's better.

Most party boats were kept dockside during the turbulent weather. It was too rough for the small craft and the water too roily for good fishing.

However, reports show that on the few days when conditions were fair, fish were taken. Nothing in the award group but several in the 5-10 pound brackets.

Dowrelios had only a few hours of fishing weather with the best reports showing in the afternoon runs with fish in the smaller weights and just over the keeper limit.

WHITE'S Fishing Resort reports are about on the same line; water too choppy for the small boats and the chilly and windy weather keeping the fishermen indoors.

Saturday proved the best day of the week and more fishermen showed up. Catches off the pier ran in the 5-7 pound class with more of the ever present flounder kicking in the sacks.

The boats here Saturday registered fish in the 10-11 pound group but not in numbers. Sunday morning promised a good day—then along came the wind and water—fini.

Private boat owners at McAvoy's Harbor sat the week out with the weather eye peeled, then hit the briny with a bright Saturday to register some fish.

Top boat of the day was H. Sasaki, Gary Siada and son who docked with seven strippers ranging from 9 to 14 pounds. The boys fished the Suisun cutoff and Honker Bay using live bull heads for bait. All fish were taken in water only about 10 feet deep.

Just a word about these three fellows; a local Eff 'N Gee deputy watched them for a spell, then visited the group and inquired about their catch. Everything legal. Later he made a second pass at the group and then followed them to the dock and proceeded to search their car.

THE BOYS had been out all day and never came to port and so could not have come dockside and deposited fish. We like to see the protectors of our fish do a good job, but from all reports, this deputy went just a bit beyond the line of duty.

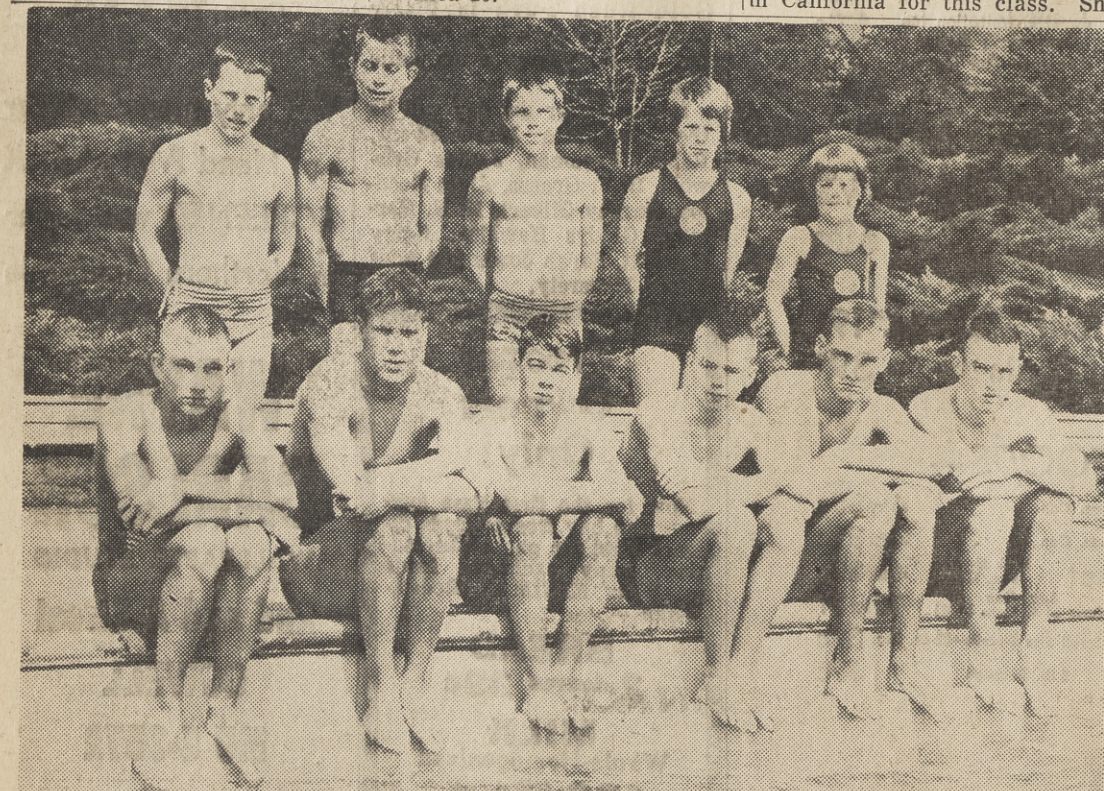

The law states that to search a car an officer must have a search warrant. This deputy should look over his manual a little closer as he almost made a case against himself. Enforcement is one thing, but making a nuisance out of oneself is another. Sorry nobody knew the name of the warden or it would be right here on this page.

Other sports who had the "luck of the Irish" with them: Ralph Sloniker a limit, 3-3 13 pounds; Armond Iversen two at 8-11½; Happy Cartner 5&6; C. Jackson 5-9½. The "rib" of the day went to the wife of Angelo Compinzio, who out fished the ex-commodore with a 9-pounder while the best Angelo could do was a pair of sixes.

The "SAT" addicts—Frank McBarron, Neil Martin and Jim Fillmore, hit the waters of Spoonbill Slough and the Suisun cut off shallows and limited out with their 20 of the eaters each.

REPORTS are that the cats are more than plentiful in all the sloughs and that the sturgeon have taken time off for a spell.

Warmer weather will have the lunker sturgeon basking at top water shortly. A brisk wind early Sunday kept the boaters in most of the day.

AQUABEARS SWIM TEAM — These young swimmers are the nucleus of the Aquabears Swim Team which has an outstanding record in the Pacific Association of the AAU. Pictured at a practice session in Orinda are: Henry Chandler (standing, left to right), John Savage, Peter Schnugg, Peggy Hart and Susie Schnugg. Seated: Garrett Wittkopp (left to right), Larry Flick, Bob Moore, Harold Sedgwick, Charles Schillinsky and Dick Jacobberger.—Sun photo by Mattson.

County Workers Seeking \$30 Salary Raise

The County Employees Association, Local 1675 of the American Federation of State, County and Municipal Employees, AFL-CIO, employees into line with private employees in this area and with comparable public jurisdictions.

Spokesmen for Local 1675 announced that studies are continuing, but that the \$30 flat raise is clearly justified by present figures. They also set forth priorities for various non-salary benefits sought in this year's negotiations.

The first priority is given to full pay by the county of the premiums on employees' health insurance. This is necessary in view of mounting medical costs, and is becoming common in private employment.

Second priority for fringe benefits is time-and-a-half pay for overtime work. The perennially knotty problem of full pay for work in higher classification was given third priority. Local 1675 spokesmen state that this has

Orinda Sun Friday, March 24, 1961 Page 15

been an increasingly serious problem, and fairness requires that pay be for work performed, rather than classification held. One additional week of annual vacation granted every employee with 15 or more years service, is next in line of importance. Payment of half pay for unused sick leave is being sought as a fair way of rewarding careful and prudent use of sick leave and of discouraging abuses in its use.

Contra Costa Fund, Inc., Plans Annual Meeting

Election of officers, board members and executive committee, an annual report by the outgoing president, and a guest speaker will be the agenda of the fourth annual meeting of the Contra Costa Fund, Inc., on Wednesday at 3 p.m. at Kellogg's, Walnut Creek.

Harry R. Lange, president of United Bay Area Crusade and vice president of Cutter laboratories in Berkeley, will speak on "The Activities of UBAC in 1961". A nominations committee head-

ed by Ed J. J. McKeegan of Richmond will present a slate including officers for the 1961-62 term.

Members of the committee are Douglas Beasley of Pittsburg, Ed Boyce of Richmond, Charles Brown of Richmond, Hugh Caudel of Martinez, Mrs. W. A. Cowan of El Cerrito, James Dent of Concord, Ben Goldberger of Pittsburg.

Outgoing president Henley V. Worthington of Concord will present an annual report.

Fund Drive to Build Therapy Pool Begun by Mt. Diablo Center

The Mt. Diablo Therapy Center has embarked on a public campaign to build a therapy pool for its patients.

"The pool could be built and fully-equipped for an estimated \$7000. It would help in rehabilitating many of the 8000 outpatients served each year by our Pleasant Hill Center," said Mrs. Juanita Benoy, administrator.

The center now has only small hydrotherapy tanks, sufficient for stimulation of portions of the body. The planned pool would offer exercise for many persons at the same time.

AS PROPOSED to the Center's Board of Directors, the low-cost pool would be circular first of its type for therapy use.

It would be 28-feet in diameter. Ramps and steps would provide for easy entry by pool users. Use of ramping would permit wheelchair patients to be wheeled directly into and out of the pool and thereby eliminate the need of expensive hoisting equipment.

The ramp railing would enable those undergoing therapy to support themselves while exercising and a sub-surface ledge would offer seating.

The pool would be 4½-feet at its deepest point and 2½-feet deep in a special children's section.

THE CAMPAIGN is being spearheaded by a Pacific Telephone and Telegraph Company community relations team under direction of Guy Harris, telephone engineer of Walnut Creek.

He is working in close conjunction with Mrs. Benoy, who first told him of the Center's need for a pool last October, when the team he heads donated an obsolete switchboard for training purposes.

Harris' son, Mel Harris, a Sacramento pool builder, designed the proposed Pleasant Hill therapy tank and estimated basic cost at \$4500.

Campaigners hope to raise a total of \$7000, which would permit installation of a plastic cover, and other extras such as decking, radiant heat, external plumbing and lighting.

THE LAFAYETTE Rotary Club already has pledged support, and several local firms have indicated interest, said Harris.

Many construction, commercial and manufacturing firms have expressed willingness to donate needed equipment or services, thereby cutting down on overall costs, Harris added.

The Phone Company team is planning a rummage sale and a Center Auxiliary, the Junior

Larks of Lafayette, is planning a fashion show for fund-raising purposes.

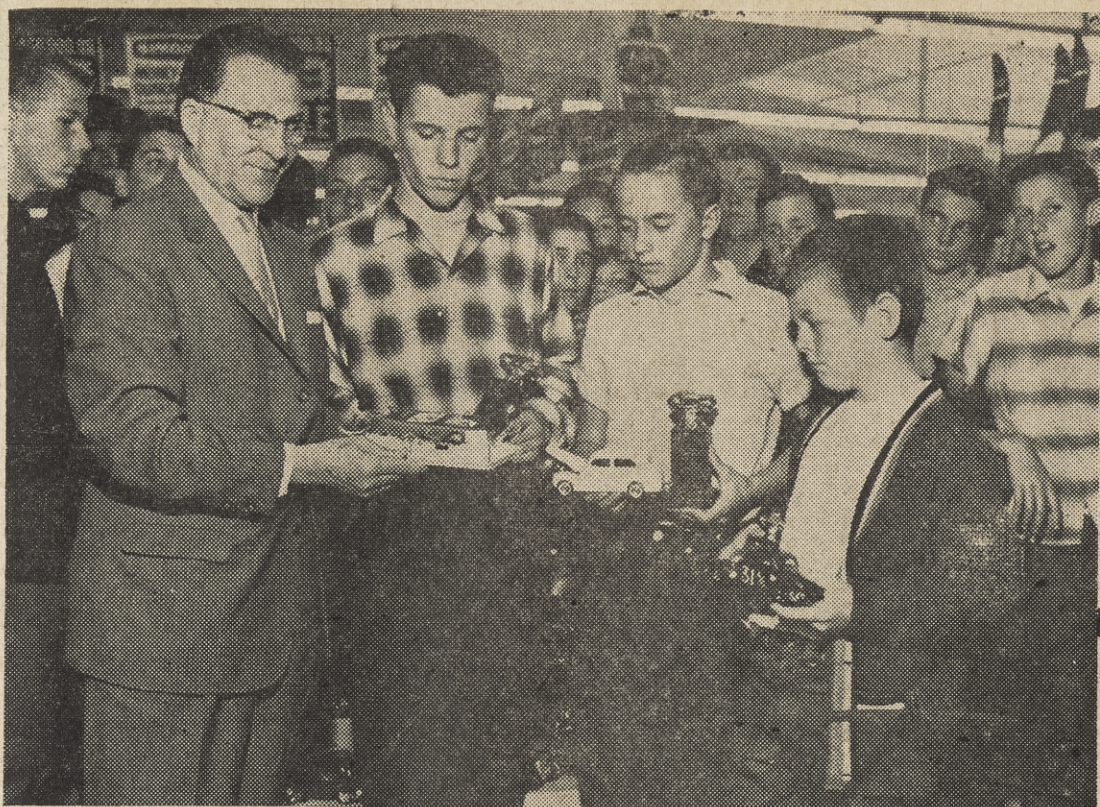

The Center was incorporated in 1949 through community support. It serves an average of 65 children and adults a day and offers physical, occupational, psychological, speech and hearing therapy, social service and work exploration.

L. E. Petersen Goes to Conference

Leslie E. Petersen, Lafayette, district representative for Lutheran Brotherhood, attended the leaders' sales conference of the society recently at Biloxi, Miss. Petersen qualified for the conference by exceeding the \$500,000 mark last year in personal production of new business.

He is a member of the Lavern H. Peters general agency, which serves San Francisco and the Northern California area.

Top officials of Lutheran Brotherhood, discussed sales plans for 1961 at the conference.

FIRST in their age groups were these three boys, winners in the Simon Hardware Company car-customizing contest. Presentation of awards is by Walnut Creek Mayor Frank Marshall. Left to right: Curt Von Mosch, Bill Lang and Ken Reynolds. —Sun photo by Bob Rush.

Valuables, Cash Taken From Orinda Home

Burglars took jewelry, valuables and cash totaling \$1500 from the Laurence Tye home at 219 Orchard Road last Thursday, according to sheriff's deputies.

In addition the burglars also caused damage estimated at \$400 to furnishings, the deputies added.

Mrs. Lucille Tye told sheriff's deputies the home was entered sometime March 16 through an open window while the family was away for several hours. Missing items include an \$800 diamond ring, a \$200 amethyst ring, \$30 in cash, binoculars, a radio, bowling equipment and other items.

Damages included a slashed sofa and bed, broken ceramic planters, smashed decorative figurines and marred furniture.

Film Shown to Audubon Clubbers

Dr. Harold Bradley of Berkeley spoke last night at a meeting of the Mt. Diablo Audubon Society, held at Las Lomas High School.

OPEN MONDAY AND FRIDAY NIGHTS UNTIL 9

Sids Super - Super Market Has Arrived

The largest supermarket in the Walnut Creek area, the new Sids "super supermarket" opposite Simon's Hardware, opened its doors to the public Tuesday, according to Sid Wallace, president and general manager of Sids Stores, Inc.

The Walnut Creek Sids has 25,000 square feet of selling space and incorporates at least 36 spent from any other market, Wallace said.

MANY OF THE features were adopted as a result of a special direct mail survey that Wallace personally conducted. Many others have already been tested and continue in operation at the Berkeley stores of the Sids group.

One of the features is the unique Tow-Veyor, a device that mechanically shuttles the checked-out shopping cart to the loading area. The features that make it different from the contents can be transferred to the customer's automobile.

This feature, which is the first of its kind in any supermarket in the country, was adapted by Wallace after seeing it used in wholesale warehouses.

ANOTHER SIDS exclusive is the Food-o-mat, which displays canned goods in such a way that the shopper need only take her choice from the shelf and the next can is pushed forward. No one need ever reach to the back of the shelf. The Food-o-mat has been in operation at Sids Telegraph and Ashby store in Berkeley for some time.

The new Walnut Creek Sids will stay open around the clock throughout the week. Wallace's survey of customer preference led him to adopt this feature. Electronic voice directories are another exclusive Sids feature.

and for those who like to keep track of their expenditures as they shop, there are shopping carts with computers on them. The customer just dials the price of each item as she loads it, and the total appears in plain view.

OTHER FEATURES chosen

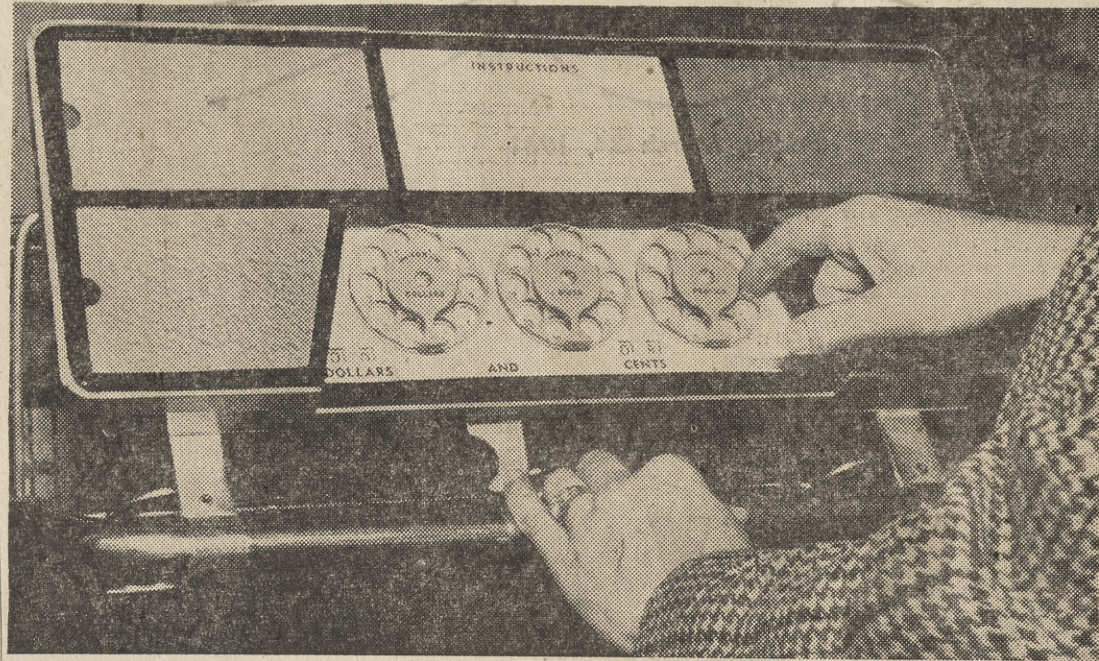

because of the survey include week-long specials, which means that special prices advertised on Monday will remain in effect through Sunday; double-strength paper bags; extra-large shopping carts; special parchment paper wrap for produce and meats, to

protect hands, clothes, and other items in the shopping cart; a cartoon theatre for children and complete, comfortable air-conditioning.

The fancy foods and gourmet shop, as well as the special diet foods section, will be the largest of their kind in the area. The liquor department will also be the largest in town. There will be a special department that offers extra large size cans of mustard, ketchup, relish, etc., for large parties, institutions, etc.

The manager of the Walnut Creek store will be Claude Weaver, with Ed Waterman as meat manager and Pete Sandretto as produce manager. There will be 70 people employed at the store.

Besides Wallace, other officers of Sids Stores are Len Pecchenino, secretary-treasurer; Mike Leone, vice president in charge of operations and also meat supervisor; Ken Fogle, merchandise manager, and Felix Olivero, produce supervisor.

AVAILABLE AT THE new Sids Supermarket in Walnut Creek are these computer shopping carts with dial-it-yourself system for keeping track of expenditures as you go through the store. The shopper dials the cost of each item in dollars and cents and the current total is constantly in view.

A SHOPPER WANTING to find a particular item at the new Sids Supermarket in Walnut Creek need only consult one of these exclusive electronic directories. She pushes the button of the item she wants, and a pleasant friendly voice gives the directions clearly. For those who want more detailed information, there are special phones right at hand. There are 10 of these directories in Sids store.

Parking Stalls Are Much Wider At Sids Store

Two of the most frequently requested improvements in the Sid Wallace survey of customer preferences in supermarkets were wider aisles and parking stalls that would permit a shopper to open a car door wide.

The aisles are the widest in the East Bay, eliminating the congestion that sometimes occurs on busy shopping days.

The parking stalls are about nine feet wide, about a foot and a half wider than average, so that shoppers will have no difficulty getting in and out of cars even when carrying packages.

Big Shopping Carts Available at Sids

For his new stores in Walnut Creek and Castro Valley, Sid Wallace had specially large shopping carts, following a customer survey that showed that such carts were wanted.

The new carts at Sids have 10,000 cubic inches, as against the usual 7000 cubic inches—an increase of about 43 per cent.

Microfilm Filing System Saves Work

Sheriff Walter F. Young announced recently that his department has gained satisfactory results with the microfilm system adopted over three years ago.

The system now has been expanded to over half again the original size it was at the beginning of his term of office.

This total is composed of the jail booking and civil division records made by this county.

Microfilming records in this office resulted in a great saving in time formerly wasted by the handwork involved with bulky folders and space consuming file cabinets.

Numerous file cabinets were emptied and moved from the office area in 1958 providing much needed office floorspace.

The filmed records are now stored in a five drawer cabinet occupying only five square feet.

One compact film storage drawer alone replaces over 30 four-drawer file cabinets, leaving space for eight employees and their desks.

This work is done by a clerk in the sheriff's office in just a portion of the time formerly used in printing identification numbers, punching holes, typing, and refiling, as subsequent arrests were recorded.

Speakers Are Announced For St. Mary's Seminar

Speakers for the St. Mary's College Teachers' Guild Seminar, to be held on the campus tomorrow, were announced by Mario Menesini, general chairman.

Rock LaFleche, superintendent of schools for Alameda County, will speak on "Elementary Education."

E. B. Sorenson, head of curriculum at San Ramon High School, Danville, will discuss "New Techniques in Teaching Chemistry," and Brother Lawrence, F.S.C., head of the biology department at St. Mary's, "Closed Circuit Television in the Science Laboratory."

A REPORT on the Physical Science Committee will be given by Robert Oliver of San Ramon High School.

"The Living Approach to Modern Languages," a demonstration of the use of the Language Laboratory, will be presented by Brother Austin, F.S.C., head of the Department of Romance Languages, and Dr. Phillip Peterson, director of the Language Lab at St. Mary's.

William Ramstad of Stanford University will head a panel discussion on "Team Teaching." Ramstad is a member of the Trump Committee, Staff Association, National Association of Secondary School Principals.

THE PANEL will consist of

teachers actively engaged in the program of team teaching. Menesini, who is from the University of California, will deliver a report on the American Biological Institute Study.

The formal portion of the program will close with a general assembly, at which Brother U. Cassian, F.S.C., will talk on college admissions.

After seminar reports and a summary of proceedings, the day will close with a social hour and dinner in Oliver Hall.

Educators throughout the Bay Area have been invited to participate in the seminar, which is sponsored by the Teachers' Guild of the St. Mary's College Alumni Association.

Registration begins at 1 p.m. in De La Salle Foyer on the campus. The registration fee of \$4.50 covers all costs.

George Roush Is Estate Beneficiary

George F. Roush of Orinda was left \$3000 recently from the estate of Albert L. Ehrman, San Francisco stock broker, according to a report filed by Ehrman's attorney.

Ehrman, who died March 9 at the age of 90, left an estate valued at more than 1 million dollars, according to the report.

GRODINS
OF CALIFORNIA

Open Monday & Friday Nights

Walnut Creek

ONE OF THE most popular new exclusive features of the new Sids Supermarket in Walnut Creek will be the Food-o-mat display. The shopper need not stoop nor reach to get the canned goods she wants, and the ones she takes are immediately replaced.

Suggestions Are Sought

In every Sids store there is a prominent suggestion box, where shoppers are invited to register any suggestions they may have for the improvement of the service.

Produce, Meats 'Dry' Thanks to Parchment Paper

One of the old-time hazards of grocery shopping has been eliminated at Sids, with the introduction of special parchment paper for wet produce and meats.

The danger of staining one's clothing, or of leaking moisture in the shopping bag, as well as the discomfort of wet hands, have been removed with this innovation, which is now universal at all Sids stores.

In case the hands do get wet in handling produce, Sids has installed paper towels close at hand.

Frozen foods and ice cream are wrapped in special insulated bags that keep the cold within for a long period of time.

Nearly Everyone Reads The Sun

ice, the merchandise or anything else in the operation.

Sids receives hundreds of these suggestions each month in branch stores and many of them have led to permanent improvements in the stores' procedure.

One reason for this is that president Sid Wallace himself reads and answers every single suggestion that is made.

This is typical of the highly personal method of operation that has characterized the stores since their inception in 1942. It consumes a great deal of time, but he feels it is one of the most important parts of his job as president, Wallace said.

Sid Wallace Prominent In Community Efforts

Sid Wallace, president and general manager of Sids Stores, Inc., which has just opened a new super-supermarket in Walnut Creek, has always taken a prominent part in community affairs, especially in service organizations.

He is a member of the Board of the Bay Area Hospital Council, and the Alameda County United Fund, and he is a past president of the Berkeley United Crusade Cabinet.

He is also a vice-president of the Berkeley YMCA, and chairman of the Board of Management of the Albany YMCA. He is a Rotarian.

OTHER activities include a tour of duty as finance chairman of the Boy Scouts of America, and membership in the Board of Governors of the United Crusade.

He's a past president of the East Bay Food Dealers' Association, and a member of the board of directors and past president of the Gold 'n Rich Corporation and New Day Foods.

Sid, as everyone calls him, is a likable man, who rarely shows any sign of his staggering work load. He answers personally, for instance, every one of the hundreds of suggestions dropped in the suggestion boxes in his stores every month.

"His patience and serenity are most unusual in a key executive of a large organization," said one employee.

He was born in San Antonio, Texas, and came to Berkeley in 1935.

IN 1940 he married Irene Angeline. They have two children—a daughter, Sydene, 19, who is a student at San Francisco State College, and a son, Clark, 14.

Too Late for 'Special'? Then Get Rain Check

Sid Wallace has set up a special system to take care of customers who may shop for a specially-priced item when the stock has been exhausted.

Such shoppers can get a "rain check" from the checker, which rain check entitles them to buy the item at the same special price as soon as it is back in stock, and whenever it's convenient for them to come in.

There is rarely, however, any need for such rain checks, since Sid's buyers are canny enough to anticipate demand on specials and lay in sufficient stock to take care of it, store managers said.

Check Cashing Is Very Convenient

Check-cashing convenience reaches its highest point in the new Sids Store, owing to a feature developed by Sid Wallace, managers announced.

Any customer can receive by mail an application for a Courtesy Check-Cashing Card. The card carries her name and address, and she signs her name exactly as she signs checks.

The card is serial-numbered, and is reissued from time to time to keep the list current.

A customer wishing to cash a check need only show her card, which is compared with her signature on the check, and the checker will accept the check. There is no delay, because no countersignature of a store manager is required.

County Child Delinquency Study Released

A study of the Health and Welfare Committee of the County Taxpayers' Association entitled, "Juvenile Delinquency Trends in Contra Costa County," has been released.

The report was prepared under the direction of E. W. Mertens, chairman of the Health and Welfare Committee.

Mertens, who is a supervising chemist employed by the California Research Corp., stated that the study had been prepared to indicate the status of juvenile delinquency in Contra Costa County. The major conclusions of this study are:

(1) Children are becoming a larger part of our county population.

This places a disproportionate burden upon the adult population to provide and finance the facilities—both educational and correctional—needed by the children.

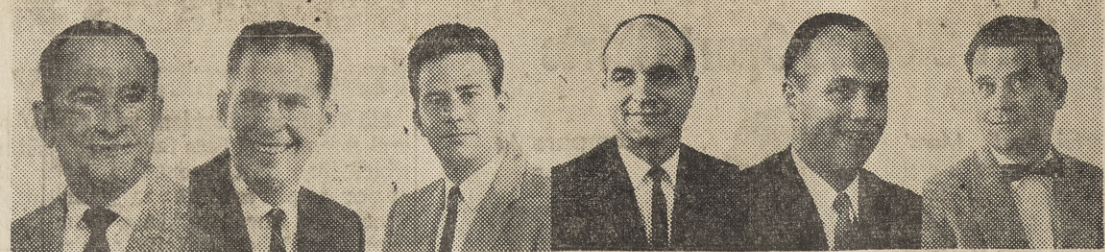

(2) The rate of juvenile delinquency has increased steadily for the past several years.

(3) While the number of juvenile delinquency referrals has increased steadily, the number of serious cases has declined markedly in recent years.

(4) The citation system has prevented the County Juvenile Hall from becoming hopelessly overcrowded and has proved to be a more efficient and economical way of handling the less serious juvenile delinquency cases.

(5) Juvenile delinquency costs have more than trebled during the past 10 years.

The costs would be even more if the Probation Department had not made major improvements in administration and worked under heavier caseloads.

No Strings On Guarantee, Wallace

There are no strings attached to the guarantee Sids places on everything it sells, Sid Wallace said this week.

A customer who is dissatisfied with any purchase need not bring the merchandise back, nor its wrapper, nor a sales slip.

Her word that she was dissatisfied is all that is necessary, and the checker is authorized to make an immediate full cash refund. According to Sid Wallace, this extraordinary confidence in people's good faith has turned out to

Kline Wins \$5 in National Photo Contest

Thomas Kline of 30 View Lane, Walnut Creek, won \$5 in a "Flash for Fun" nationwide photo contest sponsored by General Electric Company.

Local Resident's Aunt Dies

Miss Margaret E. Rogers, 88, aunt of Dr. Eugene B. Reid and great-aunt of Robert G. Connor, both of Orinda, died March 15 in a Santa Cruz nursing home.

Detention Is Probation Officer's Topic

"Detention and Shelter Care for Our Children" was discussed at the Wednesday meeting of the Community Welfare Council of Central Contra Costa, a United Crusade Agency.

Speakers were John A. Davis, county probation officer, and Lt. Robert Bahl, officer in charge of the juvenile division of the Concord Police Force.

Davis and Bahl discussed their views of troubled children and the manner in which our county handles both detention and shelter care for neglected children.

Heart Fund Drive Near '60 Total

The 1961 Heart Fund drive, concluded at the end of February, is within six per cent of the amount collected in 1960 in Contra Costa County, Dr. Floyd B. Marchus, Heart Fund chairman, announced.

An additional \$2875 will bring the 1961 total to \$45,707, the amount contributed last year by county residents. To date, \$42,832 has been turned in by volunteers throughout the county to the Contra Costa County Heart Association.

This total is expected to be in-

creased by additional mail-in envelopes, which are still coming in, Dr. Marchus said.

The chairman expressed gratification.

"We are especially gratified by the response to the 1961 Heart Fund drive in view of the reported business downturn and increased unemployment in some areas at the results of the 1961 drive."

He said, "This year there was a higher percentage of people not

at home because of the fine weather on Heart Sunday. We are hopeful that many of these residents who have not yet mailed in their contributions will do so area."

While returns in some areas are incomplete at this time, seven communities to date have exceeded the 1960 mark.

Largest increase was in Moraga, which turned in \$606, 32 per cent over the 1960 total. Mrs. W. L. Arnold was Heart Sunday chairman.

ON THE TRAIL, soon, will be not only the guys, but the gals, as the Grand Canyon trip begins. Sponsor is the Mt. Diablo YMCA. Left to right: Craig Noreen, Jan Wiedner, Diane Friedrich and Ken Jacoby. —Sun photo by Bob Rush.

Youngsters To Hit Trail

A group of area young men and women will explore the Grand Canyon this weekend in an exploration sponsored by the Mount Diablo YMCA.

They will leave the YMCA office at 1537 Sunnyvale Avenue, Walnut Creek, today at 3:15 p.m. and will travel by car to the Grand Canyon area, Supai, Ariz., arriving over the weekend.

They will begin their return trip next Thursday and will arrive home at April 1.

The exploration will include knapsack trips and cross country walking.

Leaders will be John Thune of Oakland and George Jeffrey of Oakland.

Spanish Club Sees Movie

The Las Lomas Spanish Club recently made its first field trip of the year to San Francisco to see "Ani Esta Los Detalles," a Spanish movie.

Cantinflas, who is starring in this movie, gained wide popular acclaim in "Around the World in 80 Days."

Center Service Bar Mitzvah

Rabbi David Robins announces the Bar Mitzvah of Daniel Silverman, son of Mr. and Mrs. Herman Silverman, at the Contra Costa Jewish Community Center this evening at 8:30 p.m.

Cantor Henri Goldberg and the center mixed choir will officiate. After the services the parents of the confirmed will act as hosts at a reception.

Special Passover services will be held at the center April 10 at 10 a.m. at which time the rabbi, cantor and choir will officiate. At 7 o'clock that Saturday night a Congregational Seder will be held. Reservations for the dinner can be made at the center office.

Local Navy Officer Attends Homecoming

Lieutenant I. W. Wurtenburger of 17 Bel Air Drive, Orinda, will attend a first homecoming of naval aviators at the golden anniversary of naval aviation celebration in Pensacola, Fla., June 6-11.

He is one of 78,000 naval aviators trained in Pensacola who are being invited to return to the cradle of naval aviation for a spectacular birthday party honoring the Navy's heroic flying men of past and present.

Big Scout Events Are April 8

Scouting expositions will be held April 8 at Acalanes High School, Las Lomas High and Mt. Diablo High, and a Scouting circus at Pleasant Hill High.

The shows will be sponsored by the Mt. Diablo Council, Boy Scouts of America. Ian McLaughlin is chairman.

Several other expositions will also be held elsewhere in the county.

Under the theme of "Scout-O-Rama, Into the Sixties," each council district is emphasizing demonstrations, arena events and acts showing scouting in phases from Cubbing through the three kinds of Exploring.

Tickets may be purchased from any Cub Scout, Boy Scout or Explorer.

Boys qualify for individual prizes, according to the number of tickets sold, and units earn liberal commissions. Bruce Herbert, Pleasant Hill, is council ticket chairman.

VIBRANT COLORS

Family of pinks takes the lead in the spring fashion excitement over color. Many other lively shades share the news.

Cancer Society Chooses Area Fund Leaders

Community leaders in the 1961 educational and fund raising drive to be conducted in April by the American Cancer Society were announced today for central Contra Costa County.

Mrs. Jack E. Newby, 621 Lucas Drive in Lafayette, who led the cancer society's annual effort last year in Lafayette, has accepted that chairmanship for 1961.

Walnut Creek's chairman will be Mrs. Arthur P. Danzig, 124 Del Monte Drive.

Chairman for Saranap will be Mrs. L. O. Ashworth, 24 Freeman Court in Walnut Creek.

Orinda's chairman this year during April, national cancer control month by Act of Congress, will be Mrs. Carl Strang, 74 Overhill Road.

Alamo chairman in the cancer fund drive will be Mrs. H. Budk, 61 Mirinda Court.

Danville's leader will be Mrs. Thomas Cleary of Diablo.

Donor to Match 10% of WUS Funds

An anonymous person in the college community has pledged a donation to match one-tenth of the total raised by the World University Service Week drive at Diablo Valley College.

Plans for the Indian dinner at the college for FUS Week have been delayed due to conflicting schedules in the school cafeteria. The dinner may be held at another place.

A textbook drive is now in progress throughout the high schools in the eastern part of the county.

The books will be sent to help out students who need them in foreign countries.

Easter Seal Containers At Local Businesses

With the arrival of Easter Seals to 125,000 homes in Contra Costa County, Easter Seal coin containers will appear on counters in business establishments throughout the county.

Approximately 100 volunteers of the Easter Seal Society for Crippled Children and Adults will participate in the poster and coin container placement.

Under the supervision of Judge Norman Gregg, 1961 Easter Seal Campaign Chairman for Contra Costa County, Boy Scouts of Mt. Diablo Council will take part in the county-wide poster distribution.

Contra Costa County Lions Clubs will place coin containers in Concord, Clayton Valley, Alamo, Danville, Orinda, Lafayette and Walnut Creek.

Orinda Lions See 'Abolition'

Orinda Lions gathered Wednesday at 6 p.m. for a cocktail party at the home of Mr. and Mrs. Carl Miller, 90 Brookwood Road.

The event preceded dinner at the Casa Orinda, where the film "Operation Abolition" was shown. Phil Schiedmayer was the guest speaker.

William West Is Air School Grad

Marine Pfc. William G. West, son of Mr. and Mrs. William G. West of 1017 Hacienda Drive, Walnut Creek, was graduated February 24 from the Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn.

The school includes instruction in aircraft familiarization, aircraft designations, aircraft types and missions, aircraft handling, first aid and aircraft fire fighting.

Also included in the two-week indoctrination course are related subjects in math, physics, blueprint reading, typing and moral and vocational guidance.

Reddy says: Let an automatic dishwasher rescue you!

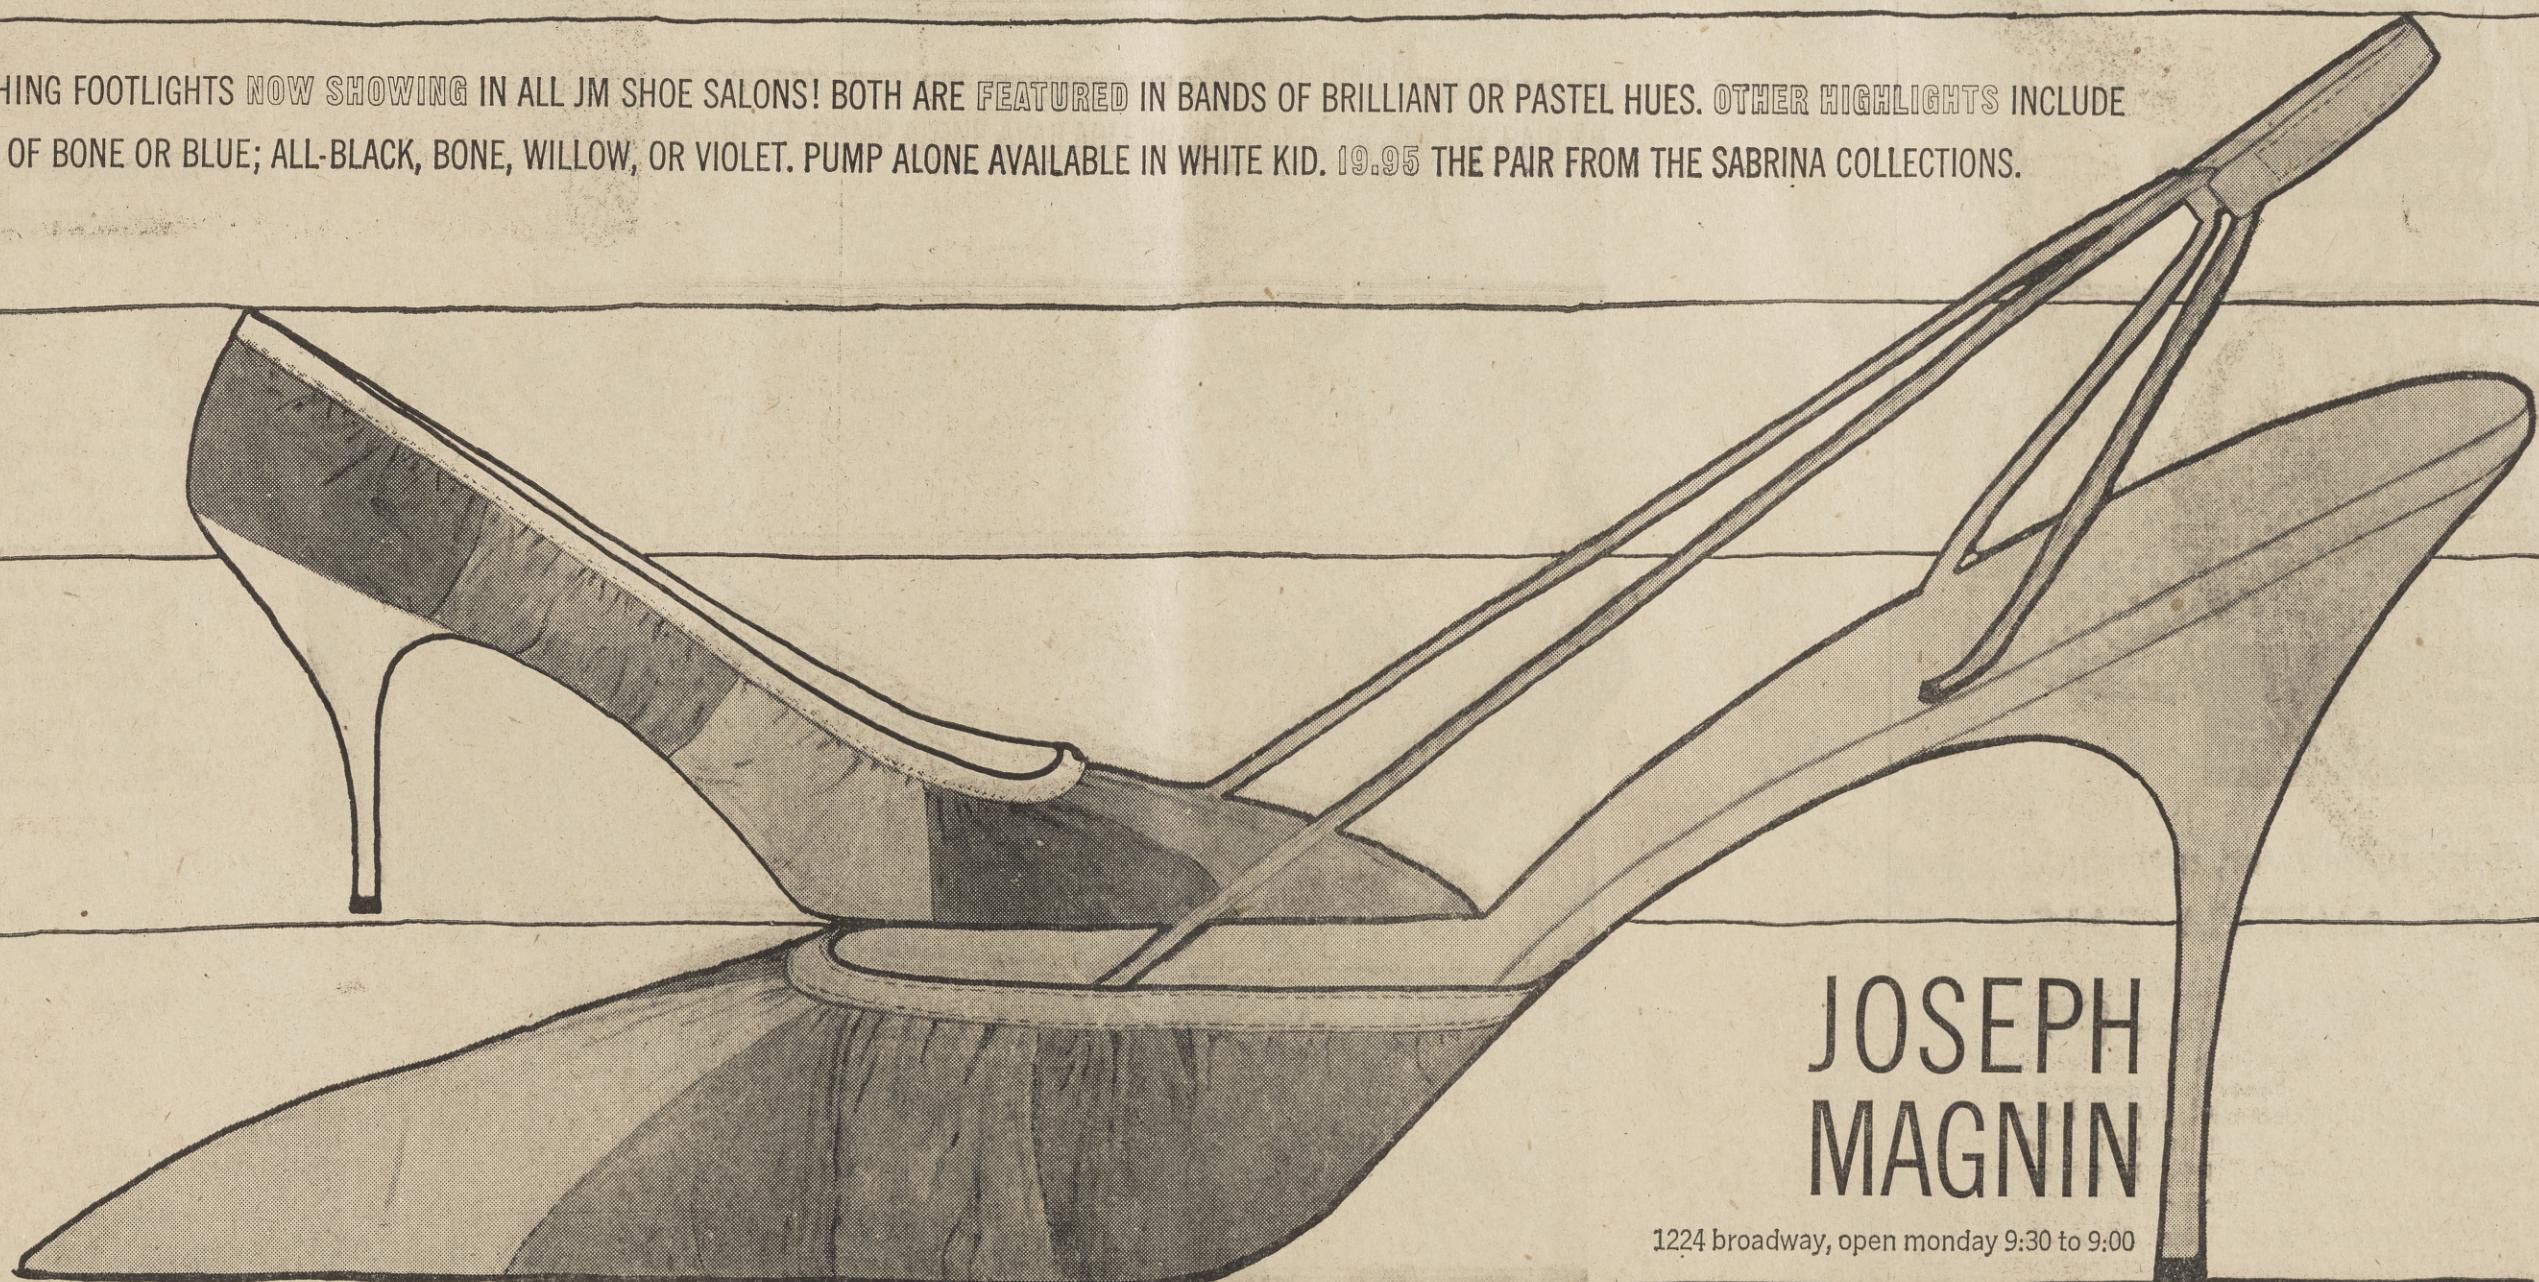

Don't be a dishwasher—buy one! A modern dishwasher is fast and efficient, keeps your hands away from hot water and harsh cleansers... saves you a lot of time and work, too. And your kitchen stays tidy all day long because "between meal" dishes are stacked in the dishwasher—not in the sink! Wouldn't an automatic dishwasher make your life easier?

FOOT-SOLDIERS in the battle against cancer during April are American Cancer Society volunteer chairmen shown here, left to right, Mesdames Jack Newby, Lafayette; Carl Strong, Orinda and James Souden, Walnut Creek. Not shown is Mrs. William Gordon, Pleasant Hill. —Sun photo by Erwin Mattson.

Jan Miller Wins Art Contest

First place winner in an art contest sponsored by the Mt. Diablo district of Federated Women's Clubs is Jan Miller, a Miramonte High School senior. Sponsored by the Orinda Women's Club, Miss Miller will compete with other district winners for state honors and opportunity to vie in the national contest of the Federated Women's Clubs. Janice Hair of Lafayette, sponsored by the Lafayette Women's Club, won a special award. District art chairman for the federation is Mrs. Earl Plescia of Lafayette.

VARIETY OF SUITS

Suits are outstanding for their variety, offering jackets in every length from bolero to tunic, and skirts slim, pleated or softly gathered. Fit is usually easy and graceful.

Stanford Slates April Conference In Oakland

Dr. J. E. Wallace Sterling, president of Leland Stanford University, will deliver the principal address at the Oakland Stanford Conference April 9. Speaking at the luncheon session of the day-long program at Kaiser Center, 300 Lakeside Drive, Dr. Sterling's topic will be, "No Little Plans." The conference is sponsored by the Stanford Men's Club of the East Bay, the Stanford Women's Club of the East Bay, the University and the Alumni Association. The conference is open to alumni, parents and friends of Stanford. Reservation may be made through Mrs. Robert Barkell at 3000 Claremont Avenue in Berkeley. Among the local people taking an active part in the conference are Alan Beck of Orinda, Charles Behlow, Walnut Creek and Theron Nelson of Lafayette.

THE SUPER SUPERMARKET YOU ASKED FOR

SID'S

COMES TO WALNUT CREEK

It's more than

36

ways better

than any other market that you know

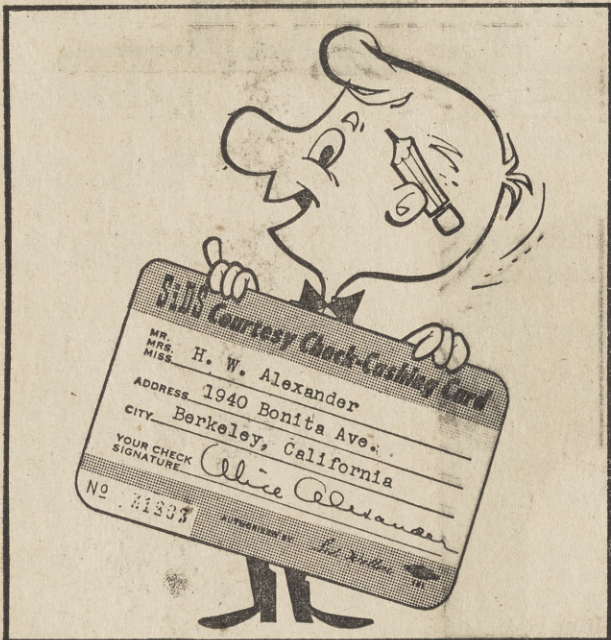

HERE'S HOW

SIDS

IS

36 WAYS BETTER

Most of the special features you'll read about here and in the next two pages were adopted by Sids after an intensive direct-mail survey of you and your fellow-shoppers. Remember, these 36 points are in addition to the lowest prices, the friendliest service, the biggest selection and the most modern store in town!

1 Easy check-cashing. Sids Courtesy Check-Cashing Card eliminates all the fuss and delay involved in cashing checks. Nobody has to countersign — just flash your card. Don't have one? We'll be glad to mail you an application blank.

2 The Tow-Veyor. Come and see the marvel of the "Tow-veyor," which conveys your loaded, checked-out shopping cart right from the check stand to the automobile loading zone. It's faster, easier, more efficient and convenient — and it's a Sids exclusive!

"That wonderful SIDS guarantee"

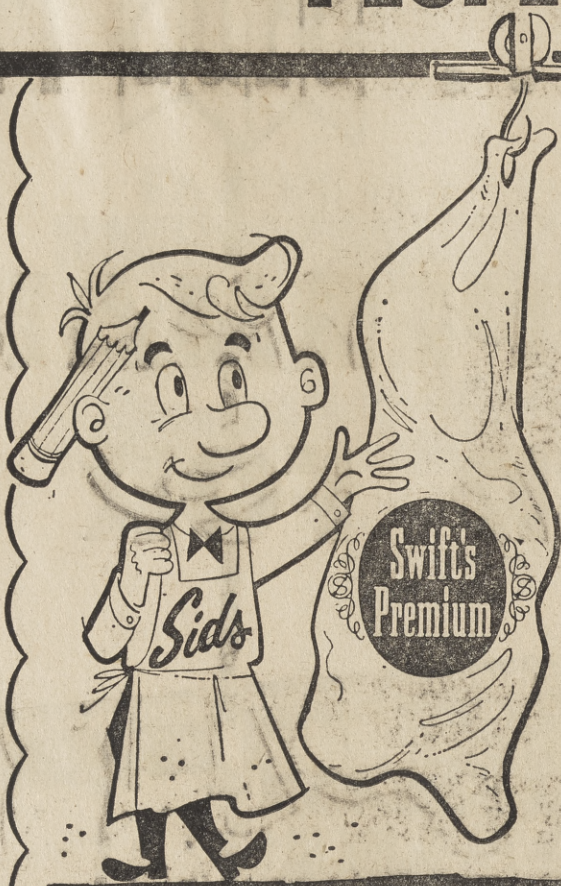

3 Amazing unconditional guarantee. If you are dissatisfied with anything you buy at Sids, just tell us, and you get a full cash refund immediately! Don't bring anything back. No wrappers, no sales slips. Your word is good enough for us.

4 Electronic Voice Directories! You push the button on the board alongside the listing you want to find in the store, and a pleasant friendly voice tells you just where to find it. And if you need more detailed information, there's a phone handy.

5 Week-long Specials. Sids specials are good not for just 2 or 3 days, but for the whole week — Monday through Sunday. So if you can't shop the day you see the ad, don't worry—the savings are there all week!

6 Rain Checks on Specials. If it should happen that Sids is sold out on an advertised special, don't worry! Sids will give you a "rain check"—as soon as the item is received, and at your convenience, you can buy it at the special price, no matter how long ago the ad appeared.

7 Keep-track Shopping. Do you like to keep your total as you shop? Sids has computers on many shopping carts. You just dial the price of each item and your total so far is right there.

8 Double-strength Paper Bags. Sids bags are sturdy, the way you want them to be — they'll hold the heaviest loads.

9 Special Wrapping. Sids wraps damp produce and meats in parchment paper to protect your hands, your clothes and your other groceries. For ice cream and for frozen foods, Sids special insulated bags keep the cold inside.

10 Food-O-Mat. Sids has the wonderful Food-O-Mat type of display for canned goods. No reaching to the back for the item you want—no stooping, no searching. Every time a can is taken, the Food-O-Mat pushes the next one to the front.

11 Always Open. Twenty-four hours a day, seven days a week, you can shop the new Sids super-supermarket. You asked for this convenience, so Sids arranged working hours to give it to you. (But don't fear—nobody at Sids works more than an 8-hour day, except Sid himself!)

12 Widest aisles! Tired of traffic jams in super-market aisles? Tired of having to wait while somebody ahead of you pauses at some display? Sids has the widest aisles in town—the widest aisles in the East Bay!

13 Spacious parking. Tired of parking lots where you can barely open your door because the next car is so close? Sids has extra-wide parking stalls—you can open your car doors as wide as they'll go! Keeps that new car from getting nicked!

14 Swift's Beef only. The beef at Sids is excellent, the tastiest, tenderest you can buy. What's more, it's consistently good, day in, day out. Why? Because Sids beef is all Swift's Premium meat—and there's no higher standard of excellence in the world. Nobody else but Sids uses Swift's Premium exclusively.

15 Meat-order counter. Besides the self-service meat section at Sids, there's a meat order counter, with plenty of helpful, experienced, friendly, trained butchers to wait on you.

16 Honest meat trim. You know the pretty pictures of meat you see in the ads? All trimmed right down to the eating part? Well, that's the way Sids actually trims it. One picture may be worth a thousand words, but Sid feels that an honest, close trim of the meat is worth a thousand pictures.

17 Ad Sheets. Ready for you at the door—handy, pocket-size reproductions of this week's ad, showing all the specials, in case you've left your paper home. What's more, you'll also find a preview list of next week's specials, the ones that go on sale next Monday morning.

PEOPLE LIKE YOU LIKE SIDS . . . PEOPLE LIKE YOU LIKE SIDS . . . PEOPLE LIKE YOU LIKE SIDS . . . PEOPLE LIKE YOU LIKE SIDS . . .

... here are the rest of those 36 ways better ...

18 Suggestion Boxes. People who shop at Sids in other communities can tell you this—your suggestions are taken seriously. Not a question or suggestion that goes into those boxes that isn't answered—and not with a form letter, either. You get a direct, personal reply from Sid himself.

19 Cartoons for Kiddies. There's a cartoon theatre available to keep the kiddies happy while you shop. The show lasts 30 minutes and is carefully selected.

20 Recipes Galore. The latest in up-to-date recipes will be found in Sids recipe racks. All the recipes from the home economists, plus Sids own exclusive recipes, specially tested for Sids.

21 Contests. Sids has ALL the contest blanks!

22 Free Advertising. Got something to sell, exchange? Sids has a free bulletin board on which you can put your ad.

23 Special Party Sizes. If you're having a really big party, either at your home or for your club or church, Sids has a special section offering economical gallon cans of mustard, tomatoes, soups, even kegs of beer, for your convenience.

24 Handy Towels. Just a little extra touch, typically Sid: If your hands should get wet handling produce, Sids has paper towels nearby for you.

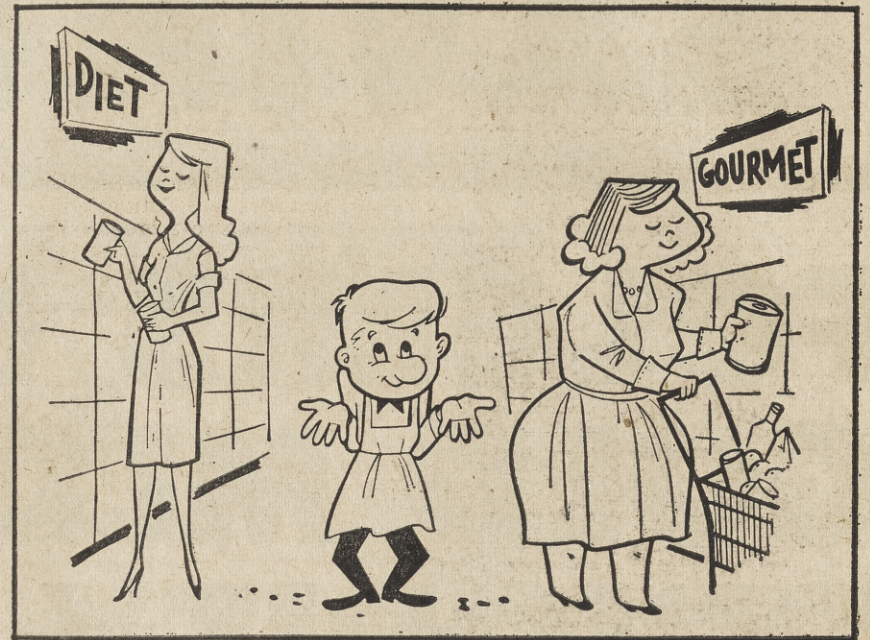

25 Larger Carts. The shopping carts at your new Sids supermarket are 43% bigger than the kind you're used to. No crushing, no need for using two carts on big orders.

26 "What's New" Display. Interested in the latest, as well as the old reliable foods? Sids has a display that's always up-to-date, showing "What's New in Foods." Here is where you will always find the news for your table!

27 Completely Air-Conditioned. It's always cool and comfortable at Sids—because of its perfectly balanced air-conditioning. Even if you're not shopping, come in to cool off this summer!

28 Gourmet Food Section. Everybody nowadays is selling fancy and gourmet foods—but the difference at Sids is just this: The widest variety and largest selection in the area. Come see for yourself!

29 Diet Food Section. On a diet—and any special diet? Do you go for the special health foods? Sids has the most complete selection you'll find anywhere in town.

30 "THE SEVEN SEAS" FISH DEPARTMENT

Here you'll find a tremendous selection of fresh fish of all kinds, in season. You'll even find Maine lobsters, specially flown in, and of course our own Pacific crab, and all the makings for your own bouillabaisse. And besides the tremendous selection, there are people to wait on you, if you don't care for self-service.

31 CHEF MANDELL'S BARBECUE

This is a real taste delight—to eat on the spot, or to take home: Chef Mandell's deliciously barbecued meats and chickens. They're always hot, always ready, always mouth-watering. They're an exclusive feature of your Sids store.

To celebrate the opening of the Sids super-supermarket, Chef Mandell says:
"BE MY GUEST!"

Have a taste sample of the most delicious barbecued chicken that has ever crossed your lips—it's like nothing you've ever tasted before!"

32 WINCHELL'S DOUGHNUTS

The doughnut never had it so good as the way Winchell makes them—light, fluffy, meltingly delectable. And you'll find every kind of doughnut, from the good old-fashioned cake kind to the jelly doughnut, the French cruller, the sugared doughnut—! Sids has a special Donut and Coffee Bar.

SHELL OUT WITH SHELLS . . .

Shell money, one of the oldest forms of currency, was started in Africa and the East Indies, and was very popular. "To shell out," meaning "to pay," takes its very origin in the use of colored shells as money.

You're actually shelling out good, green folding money every day your room or real estate property stands idle. With very little shelling out, you can rent or sell your property through a fast-action Sun Classified ad. For service and results, dial YE 4-5000 right now!

Investigator Exam Still Open

By action of the Civil Service Commission last week residence requirements for the investigator examination have been removed.

Candidates need not be residents of Contra Costa County in order to apply for this examination.

This is the position in the district attorney's office which involves investigative assignments covering the full range of criminal activities.

Minimum standards for this examination include successful completion of two years of college

with a major in criminology or psychology and four years of investigational and law enforcement work.

Additional experience and education may be substituted for the required minimum standards.

Additional information concerning this position may be obtained by writing to Contra Costa County Civil Service Department, Room 229, Hall of Records, P.O. Box 710, Martinez.

The final filing date for the examination is today.

Your Garden

It's Not Too Late For Spring Garden Color!

It's the nature of most gardeners to put off until tomorrow what they should have done yesterday or several weeks ago. And this is one reason why spring catches so many of us with less bloom than we'd like to have.

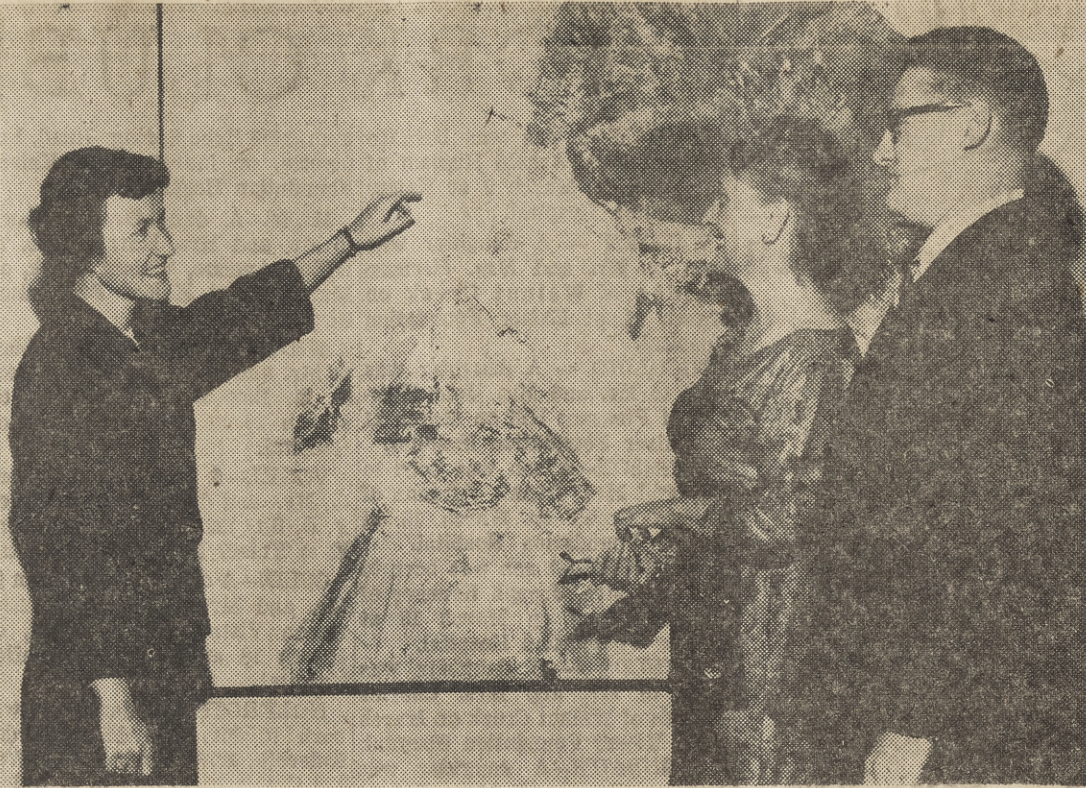

When this happens, a man's best friend is his nurseryman, and the sooner he turns to him, the better. According to the California Association of Nurserymen, there are a number of plants and shrubs already in bloom or about to burst forth. These need only to be planted where color lacks, and who will know that you didn't set them out last year?

THERE'S NO chance of growing spring bulbs, of course, for the deadline is really past on them. But an azalea, deciduous or evergreen, is as much a symbol of the season as is a daffodil or hyacinth. The more azaleas you set out, the more you'll enjoy

the coming weeks. Camellias, which have been holding forth for several months already, are still going strong. And daphne, which has been dispensing its lovely scent for several weeks in some gardens, can still be found in bloom and ready to dispense it for a few weeks more.

IF YOU would enjoy spring at its finest, look for one or more of the deciduous shrubs which are already or soon will be coming back to life.

There are other ways to repair the damage of failing to plan ahead. Annuals such as pansies are quick to flower and true reminders of the season. So if you lack for spring color, don't throw in the towel and give up gardening. Don't put off planting until tomorrow either. Time is running out.

A RECEPTION for the Artists' Guild of the Valley Art Center was held recently in the Diablo Pageant of Arts Building, Walnut Creek city park. Left to right: Lenore Vogt and Vivian Cook, both painters, and Robert Jensen, Artists' Guild chairman. —Sun photo by Bob Rush.

County School Supt. Has Asked \$955,000 Budget

A proposed budget of \$954,992 to operate the services of the county superintendent during 1961-62 has been approved by the Contra Costa County Board of Education.

The budget, as submitted by Assistant County Superintendent Harold De Fraga, compares with

this year's figure of \$889,321. tallying the services of the county superintendent during 1960-61.

Also proposed is the addition of a teacher at the Lone Tree School for mentally retarded, now operated by one teacher, one each additional clerical employee and professional employee.

An additional \$7000 for audio-visual service, which will cost about \$139,233 this year, is proposed in response to the constantly increasing requests by schools for films and other materials, said De Fraga.

Another item, for \$3000, is proposed to pay the cost of moving from the Court House in Martinez to the new Contra Costa County Offices and Library Building at Pleasant Hill.

The proposed budget was approved by the county board of education March 15.

Increases are proposed in salaries for credentialed staff members—5 per cent—clerical employees and teachers in the special schools operated by the county superintendent's office for men. The budget must also be approved by the State Department of Education, since the funds are derived from state sources.

Artists Who Sing, Paint Will Assemble

Singing artists of the Laf-Francis cast of Lafayette will entertain painting artists of the Diablo Art Association at a potluck tonight in the Walnut Creek Woman's Club at Lincoln and Carmel, Walnut Creek.

With a building packed full of artists, packed full of food, playing games and full of song, it should be one gala event! Let's hope the neighbors don't mind!

Decorator Helen Little is using hats as the motif.

Optometric Group Meets

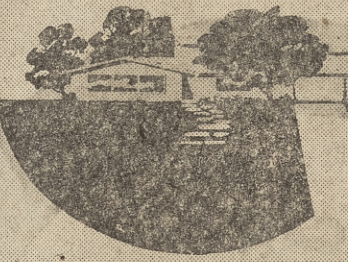

The March membership dinner-day meeting of the Alameda-Contra Costa Counties Optometric Society was held in the Lanai Room, Hotel Claremont, Berkeley, Tuesday.

Feature of the evening's program was a demonstration of the newest type of contact lenses available in the San Francisco

Bay area, by David Ewell and Harold Gates of Richmond.

Along with color, buttons ornament the simple silhouette. They're jumbo sizes, and come in interesting shapes.

Panic or Render First Aid?

IT WON'T HURT, will it? asks little Kristine Mahler. No, replies Mrs. Frank Hibbard of Orinda. Mrs. Hibbard is getting ready for the Standard First Aid Course, being held at the Greater Mt. Diablo Chapter House, 1221 Ygnacio Valley Road, Monday and Thursday nights.

Would you clasp your hands in despair and rush aimlessly about if you witnessed a child tumble from a tree? Would you shriek in alarm if Johnny came in bleeding?

Knowledge and skill will come to your rescue, driving panic away, if you have been wise enough to study first aid.

With youngsters bursting forth with springtime energy, longer daylight hours and spring vacation just around the corner, every parent should know how to meet minor emergencies.

FIRST AID is continually being taught throughout the area by Red Cross First Aid instructors. All volunteers, these instructors

teach evenings in schools, homes and church buildings.

First aid is defined as the temporary and immediate care given to the victim of an accident or illness. People are taught what to do for such likely contingencies as a broken collarbone from an overenthusiastic handspring, or a bleeding hand and wrist that crashed through the glass door... or maybe grandmother suddenly faints and a heart attack is suspected.

The Greater Mt. Diablo Chapter, American National Red Cross, has conducted an extensive first aid program, taught by volunteer instructors to thousands of people over the last several years.

A ROLL CALL of these instructors shows the diversity of their "daytime" occupations. Classes have been taught by housewives,

highway patrolmen, firemen, telephone company employees, employees of Dow Chemical, U.S. Steel, PG&E and many others. All of these volunteers have one thing in common—an interest in teaching their fellow man how to better prevent accidents, and take care of injuries, should an accident occur.

All instructors teach from the Red Cross First Aid Instructor outline, and use the Red Cross First Aid textbook. This text has been developed by the National Research Council, Division of Medical Sciences, National Academy of Sciences, and other medical experts in the field of first aid.

Since 1911 Red Cross has promoted and taught first aid as a preparedness and accident prevention program. Untold lives

have been saved by persons receiving the free training. Most physicians experienced in the handling of accident victims credit properly executed first aid as a vital factor in reducing the number of fatalities and serious injuries.

FIRE DEPARTMENTS, police and highway patrolmen receive and give Red Cross first aid to accident victims. In 1959 the State of California required that all ambulance drivers and attendants take and use Red Cross first aid.

Greater Mt. Diablo Chapter, American National Red Cross, First Aid Chairman Leigh Brilliant, Walnut Creek police chief,

says that "First aid training can be one of the most important times spent by parents. Their children are dependent upon proper first aid care, as are their neighbors and friends. First aid is important," says Brilliant, "your life may depend upon it."

Persons or groups who are interested in taking free first aid classes should contact the Greater Mt. Diablo Chapter, American Red Cross, YE 5-7540.

Obituaries

Edward Carroll McDermott

Funeral services for Edward John Carroll, 72, of 1803 Oakland Boulevard, were held March 8 at the Golden Gate National Cemetery in San Bruno.

Mr. Carroll died March 6 at his home after a long illness.

He was a native of New York and a local resident for 30 years. He was a veteran of World War I. Survivors include his widow, Loretta; a daughter, Mrs. Everett Lamphere of Lafayette; a brother, Frank J. Carroll of Burlingame, and one grandson.

Arrangements were by Hull's Walnut Creek Chapel.

Sophie Heliste

Funeral services for Mrs. Sophie M. Heliste, 76, a Walnut Creek resident for five years, were held March 10 at San Ramon Valley Chapel.

She died March 8 in a San Ramon rest home.

Mrs. Heliste was a native of Finland.

She is survived by two daughters, Mrs. Evelyn Moyle of Redwood City, Calif., and Mrs. Mary Weeks of Walnut Creek, and two sisters.

Kathleen Dobler

Memorial services for Mrs. Kathleen E. Dobler, 36, of 422 Verona Avenue, Danville, were held March 12 at St. Timothy's Episcopal Church.

Mrs. Dobler died March 9 in a San Francisco hospital after a long illness.

She is survived by her husband, Champe; two children, Jay and Jan; a brother, Richard, of Oakland, and her mother, a sister and three brothers.

Graveside services were held Monday at the Golden Gate National Cemetery. Arrangements were by the San Ramon Valley Chapel.

Maud Murillo

Funeral services for Miss Maud D. Murillo of 1526 Oakland Boulevard, Walnut Creek, were held March 9 at Hull's Walnut Creek chapel.

She was born in Oakland 82 years ago, was a lifetime resident and the daughter of native Californians. She lived in Contra Costa County for 40 years.

Survivors include two nephews and three nieces: Carlos M. Murillo of Walnut Creek, Mrs. Marie Alavo of Los Angeles, William Murillo, Mrs. Edna Rowe and Mrs. Dolores Klein of Hayward.

Free Lecture On Christian Science Slated

How sickness and other disorders are healed by prayer based on spiritual understanding of God will be the topic of a Christian Science lecture to be given in Orinda, California, next Tuesday by Jules Cern of New York City.

Open to the public without charge, the lecture will be sponsored by the members of First Church of Christ, Scientist, Orinda. Mr. Cern will speak in Church Edifice, 22 Orinda Highway, at 8 p.m. His subject will be Christian Science: Its Divine Revelation and Human Application.

Mr. Cern is on extensive tour as a member of the Christian Science Board of Lectureship. A native of Texas, he was an advertising executive for a large New York department store.

Orinda Art Center Plans 'Morning in Japan'

Sponsors and guests of the Orinda Art Center have been invited to spend a "Morning in Japan" at the spacious Harter residence, "Seven Oaks Circle" in Orinda, April 5 from 9:30 a.m. to 12 noon.

Co-chairmen of this event, Mrs. Ralph Hickox and Mrs. Robert Davis, have planned a morning around oriental arts in the home and garden.

Mrs. William Sibbett will feature the decorative arts and will demonstrate the use of texture, flowers, fruit and color in table settings for the modern hostess. **MRS. WILLIAM TAKAHASHI**, who is a member of the University of California YWCA Board, will do an actual preparation of a Sukiyaki dinner, showing the differences in customs in the preparing and serving of oriental foods.

Mrs. Donald Wimberly of the Berkeley Garden Club will also be a guest speaker demonstrating the unusual hobby of oriental Bonsai culture.

Another interesting guest of honor will be artist Linda Chang who has been instructing sponsors in the art of Classical Brush Painting.

COMMITTEES responsible for the success of this event include Mesdames Laurence Costa, reservations; Phillip Champion and Shepard Jones, hostess; William Leftwich and Boyd Eubank, refreshments; Leonard Malofsky, publicity; Jack Maggini and Fenn Wilson, set-up.

There will be a charge for guests and all sponsors are asked to phone in their reservations by April 1 to Dee Costa at CL 4-3435 or to Helen Jones at DR 6-4480.

Julee O'Flyng Will Visit Nation's Capital

Miss Julee Kay O'Flyng, daughter of Mr. and Mrs. Ray O'Flyng of 13 Melody Lane, is among the 41 Principia Upper School girls who left St. Louis Saturday for a week's educational tour of our nation's capital.

The trip to Washington is an annual event under the sponsorship of the Principia School of Nations. This week includes tours to points of historical and political significance, and interviews with top Washington officials.

The girls will be accompanied by Hugh Semple, social studies instructor; Mrs. Semple and Mrs. June Protzman, dean of girls.

Miss O'Flyng is in her junior year at the Principia, a school for the sons and daughters of Christian Scientists.

Young Swimmers Honored at Dinner

An Awards Dinner honoring members of the Aquabears swim team was held last Sunday at Spenger's Restaurant in Berkeley.

The Aquabears are an AAU swimming team formerly known as the Berkeley City Club. There are 63 youngsters from this area on the team. They train at Miramonte High School pool.

Miss Laurabelle Bookstaver has been coaching the team since 1949 and has produced numerous National AAU Age-Group, Junior Olympic and U.S. Champions.

Three Aquabears sent swimmers to the Olympics in 1952 and 1956 and in 1960, George Harrison of Orinda, a past member was on the U.S. Olympic team.

THE TEAM is jointly sponsored by the Berkeley-Orinda Swim Team Parents.

At the dinner, Dick Jacobberger, Harold Sedgwick, Charles Schillinsky, Garret Wittkopp and Robert Schwiens were given

awards for finishing first in the AAU National Age Group program.

Jacobberger, Schillinsky, Wittkopp and Sedgwick won awards for first places in the National Junior Olympic program.

Jacobberger was awarded an individual trophy for his outstanding performances in 1960.

He swam in six Junior Olympic events, taking five firsts and a second.

He took 10 first places in the National Age Group ratings as well as three second places, two third places, three fourth places and two fifth places.

HE SET nine all-time individual records as well as being a member of the record-holding Aquabear relay team.

The Aquabears are members of the Pacific Association of the AAU and have competed in two meets so far this year. A third meet takes place this weekend at the Palo Alto Elks Club.

Five Facts To Help Home Gardener

Here are some facts for the gardener to ponder this week. Primroses push up taller stems and larger flowers when fertilized in spring.

Begonia tubers started in flats may be transplanted when they have about three inches of top growth.

Dahlias may be planted from now into May. Be sure to set the stake at the time you plant. It might injure the tuber if driven in later.

Feed Azaleas and Camellias when they've finished blooming. Use a special acid plant food and supplement it later with liquid fish.

Give old lawns a booster shot of fertilizer. Start a new lawn this month or next... the sooner the better.

Two Named Associates

Two Orinda men have been appointed to positions of research associates at the Richmond Laboratory of California Research Corporation.

They are Dr. B. W. Hotten and Dr. B. A. Fries. Dr. Hotten received his A.B. degree in 1941 from the University of Cincinnati and his Ph.D. degree in organic chemistry in 1945 from Purdue.

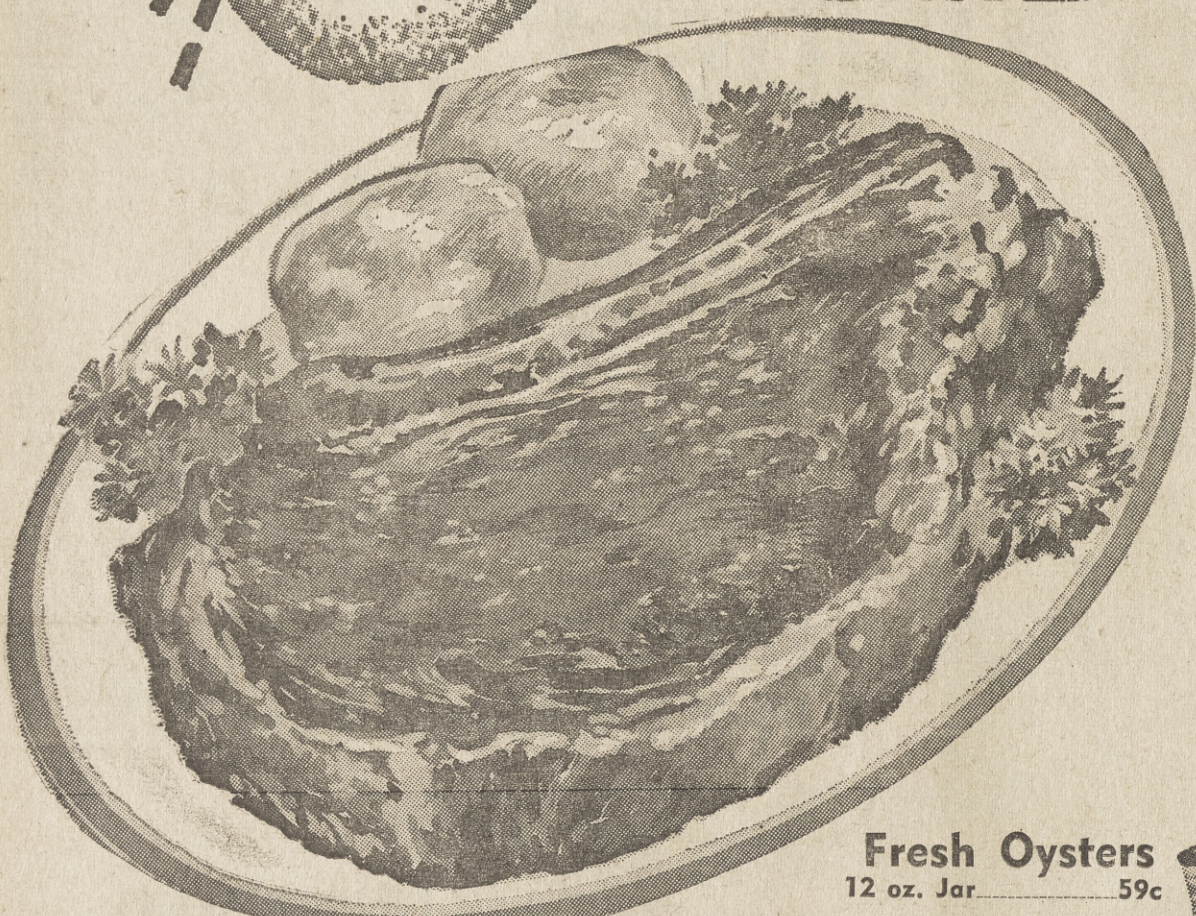

He has obtained some 20 U.S. and British patents and has published 10 papers. His work on radiation-resistant greases has received nationwide publicity. He resides at 20 Claremont Drive with Mrs. Hotten and their daughter.

He is widely known as an expert in the application of radioisotopes in industrial research and process control.
